## इंडिया इंफ्रास्ट्रक्चर फाइनेंस कंपनी लिमिटेड (आईआईएफसीएल)

### India Infrastructure Finance Company Limited

#### Our Vision

Provide innovative financing solutions to promote and develop world class infrastructure in India.

#### Our Mission

To adopt best practices in financing infrastructure and develop core competencies in facilitating infrastructure development.

Develop a team of highly engaged employees to deliver services in a professional manner and to the satisfaction of all stakeholders.”

## From the Managing Director's Desk

Dear Stakeholders,

It gives me great pleasure to welcome you all to the 18<sup>th</sup> Annual General Meeting of India Infrastructure Finance Company Limited (IIFCL) and present before you performance of the company during the year 2022-23 and strategy for the coming years.

Over the last three years, the global economy has witnessed successive high-amplitude shocks viz. contraction of output caused by the COVID-19 pandemic, geo-political issues, rapid monetary policy tightening etc. Although, the global economy has witnessed such shocks in the past as well, they were generally more spaced out in time, making the current economic situation unique. Even in these times, India has shown strong resilience with overall sharp rebound and recovery of the economy from adverse effects of the pandemic, while also withstanding other global challenges being amongst the fastest growing large economies.

Similar to the country's performance, your company has also withstood these challenges and delivered consistent results for three years in a row.

The Hon'ble Prime Minister of India Sh. Narendra Modi in his address to the nation on August 15, 2022 laid down a vision for the next 25 years for India to become a developed nation by 2047. Estimates suggest that this would entail an average annual real GDP growth of 7.6 per cent sustained over the next 25 years. To enable this scale and consistency of growth, availability of adequate and quality infrastructure is crucial.

As a financial institution dedicated to the infrastructure sector, IIFCL has always been at the forefront of development of this sector. The company understands the responsibilities it has in terms of contributing towards the country's development, supported by its experienced management, highly qualified manpower, healthy loan book and comfortable capital position.

During the financial year 2022-23, IIFCL achieved its highest ever standalone annual Sanctions and Disbursements of ₹29,171 crore and ₹13,826 crore, respectively. Cumulatively, IIFCL's Standalone Sanctions and Disbursements up till March 31, 2023, were ₹2,13,378 crore and ₹1,05,647 crore, respectively, while Consolidated numbers of Sanctions and Disbursements stood at ₹2,53,208 crore and ₹1,25,311 crore, respectively, as on March 31, 2023.

Against the record business performance despite the economic challenges, your Company has posted its highest ever Profit after Tax (PAT) of ₹1,076 crore during the financial year 2022-23, growing by 109% from ₹514 crore during the previous fiscal. The Net worth of your company as on March 31, 2023 stood at ₹12,878 crore, 10% higher than the net worth a year ago, indicating significant value creation.

Your Company has continued to post declining numbers on the Non-Performing Assets (NPA) front and achieved a notable reduction of Gross NPA and Net NPA to 4.76% and 1.45%, respectively as on March 31, 2023, down from 9.22% and 3.65%, respectively a year ago. IIFCL reported its first NPA during FY 2013, wherein its Net NPA was 0.87%. Since then, the present Net NPA of 1.45% is the lowest in your Company's history and the same is expected to reduce even further in the next fiscal. The Provision Coverage Ratio (PCR) increased to 70.48% as on March 31, 2023, which is higher than PCR of 62.75% in the previous year. The Company's continued stance of aggressively pursuing recoveries has yielded highest ever recovery of around ₹1,350 Crore during FY 2023, as compared with ₹780 Crore during the previous year.

Entering unexplored territories by launching new products in FY 2022, IIFCL had started subscribing to infrastructure project bonds and lending to/ investing in InvITs. As on March 31, 2023, IIFCL has invested ₹6,200 crore in Infrastructure Project Bonds. IIFCL is eyeing increased lending opportunities to infrastructure project bonds and InvITs as well in the upcoming year with an aim to further strengthen its balance sheet.

As on March 31, 2023, IIFCL has provided sanctions to around 680 projects with a total project outlay of ₹12.21 lakh crore. Its Outstanding Loan Book as on March 31, 2023 stood at a historic high of ₹42,271 crore, as compared to ₹39,352 crore in the previous fiscal.

Your company is in the process of implementation of its first ever Strategy Roadmap and Business Plan that was approved by Board of Directors during financial year 2022-23. We are gradually changing the gears of the company to play multifaceted role in the infrastructure sector. I am glad to share that the company is proactively pursuing all the action points and has started taking steps in the direction of venturing into new sectors, increasing lines of multilateral credit and strengthening internal processes. Further, IIFCL has put in place a comprehensive Risk Management Policy covering credit risk, operational risk, liquidity risk and market risk. Continuing its focus on strengthening enterprise-wide risk management systems, IIFCL has also taken the initiative to implement Internal Capital Adequacy Assessment Process (ICAAP) in FY 2024.

Further, as India assumed the chairmanship of Shanghai Cooperation Organization (SCO), IIFCL became the chair for SCO Inter-Bank Consortium (IBC) for a period of one year from October 25, 2022 to October 24, 2023. Under its chairmanship, IIFCL has successfully conducted the meeting of Experts and Coordinators in December 2023 and a capacity building seminar on developing Marquee Infrastructure in February 2023. I am glad to share that your company held a successful SCO IBC Council Meet in the month of April 2023.

Your Company also continues to pursue CSR initiatives with focus on socially beneficial projects to reach a wide spectrum of beneficiaries, while giving priority to developmental issues of national concern. I am happy to share, that in keeping with the spirit of inclusive development, your Company has sponsored health and nutrition projects in various aspirational districts of Odisha, Mizoram, Nagaland, Bihar, Uttarakhand, Manipur and Sikkim.

Now, I would like to brief our stakeholders about the external business environment and the macroeconomic scenario having impact on the performance and future prospects of your company.

### **Economic overview**

India continues to be one of the fastest growing economies of the world. According to the Asian Development Bank (ADB), Government of India's strong infrastructure push under the Prime Minister's Gati Shakti initiative, logistics development, and industrial corridor development will contribute significantly to raising industrial competitiveness and boosting future growth.

The Reserve Bank of India (RBI) has maintained its GDP growth projection for the fiscal year 2023-24 at 6.5%. Despite the global slowdown, India's economic growth rate is stronger than in many peer economies and reflects relatively robust domestic consumption and lesser dependence on global demand.

With monetary tightening, the US dollar has appreciated against several currencies, including the rupee. However, the rupee has been one of the better-performing currencies worldwide. As per RBI, India has sufficient forex reserves to the tune of USD 579 Billion (as on March 23) to finance the Current Account Deficit.

On the external front, our merchandise exports performance remained buoyant growing by 6% to the tune of USD 447.46 Billion for April 2022 to March 2023. However, imports too remained strong at USD 714.25 Billion in FY 2023 from USD 613.05 in FY 2022.

### **Banking and Financial Sector**

The banking sector in India has promptly responded to the demand for credit as the Year-on-Year growth in credit since the January-March quarter of 2022 has moved into double-digits to the tune of 16.8%.

The finances of the Public Sector Banks (PSBs) have seen a significant turnaround, with profits being booked at regular intervals and their NPA resolutions being fast- by the Insolvency and Bankruptcy Board of India (IBBI). During FY 2023, PSBs earned a record aggregate net profit of around ₹1.05 lakh crore. The Asset quality of PSBs have improved significantly with gross NPAs at 4.97% and net NPAs at 1.24% in March 2023.

At the same time, the government has been providing adequate budgetary support for keeping the PSBs well-capitalized, ensuring that their Capital Risk-Weighted Adjusted Ratio (CRAR) remains comfortably above the threshold levels. Clean balance sheets supported by a healthy provision coverage of 90.68%, and improved resilience, PSBs are well positioned to support the credit needs of the productive sectors of the growing economy.

The improvement in Scheduled Commercial Banks' (SCBs) asset quality has been broad based, with a steady decline in the stressed advances ratio. As per RBI data, the GNPA ratio of SCBs continued to decline and stood at a seven-year low of 3.9 per cent in March 2023. The net non-performing assets (NNPA) ratio stood at a ten-year low of 1 per cent.

Non-Banking Financial Company (NBFCs) sector has recovered strongly in the wake of the second wave of COVID-19, with asset quality showing a continuous improvement. The GNPA ratio of the sector fell from 5.4 per cent in September 2022 to 3.5 per cent in March 2023.

Public sector NBFCs, with a share of 44 per cent in outstanding credit had low GNPA ratios to the tune of 2.8 per cent relative to their private counterparts with credit share 56 per cent and GNPA ratio 5.5 per cent in FY 2023. The aggregate NNPA ratio of NBFCs ebbed further to 1.3 per cent, with the provisioning coverage ratio (PCR) increasing to 70.4 per cent in March 2023. The capital position of NBFCs remained robust, with CRAR at 27.5 per cent in March 2023, much above the minimum requirement of 15 per cent.

### **State of the Infrastructure Sector**

In Budget 2022-23, initiatives to further strengthen the infrastructure sector were undertaken including significant increase in infrastructure capital expenditure, new infrastructure development programmes, formation of a high-level committee for urban planning, among others. The Government has committed an outlay of ₹10 lakh crore during FY 2024 towards infrastructure capital expenditure, compared to ₹7.5 lakh crore (BE) during FY 2023, which is a 33% year-on-year increase. The overall effective capital expenditure of the Government is estimated at ₹13.7 lakh crore for 2023-24 considering the additional grant in aid earmarked for capital asset creation for states.

Further, multiple initiatives have been declared for developing infrastructure sector, including ₹2.4 lakh crore capital outlay for railways, ₹75,000 crore for creating 100 critical transport infrastructure for improving first and last mile connectivity for ports, coal, steel, fertilizer and food grain sectors, 50 additional airports, heliports, water aerodromes and advance landing grounds for improving regional connectivity, among others. This showcases the fact that infrastructure spending remains a key lever for the Government of India to enable overall GDP growth.

To augment developments in the infrastructure sector, GoI has also taken-up several visionary initiatives. Three recent ones are National Infrastructure Pipeline (NIP), National Monetization Plan (NMP) and PM GatiShakti, a trinity. These are in addition to the ongoing initiatives like Smart Cities Mission, Bharatmala Pariyojana, Sagarmala Pariyojana. The scaling up investment in the sector still remains a challenge with demand for funds far exceeding supply and there is an urgent need to ensue more private sector investments.

### **Trends in Infrastructure Financing Space**

As per an ICRA report, the share of NBFC's in infrastructure credit has been on the rising trend at 53% as of December 2022, up from about 46% five years ago. The overall infrastructure credit growth, including banks and non-banks) slowed down in FY2022 and in the first two quarters of FY2023. The trend, however, reversed in Q3 FY2023 and infrastructure credit registered an annualised growth of 6% in 9M FY2023. Within this, the NBFC-IFCs grew by 9% while the banking sector growth was modest at 3%.

The growth prospects for NBFC-IFCs are strong as demand for infrastructure credit is expected to gather pace amid the Government's resolve to focus on the infrastructure sector to revive economic growth. The National Infrastructure Pipeline (NIP), launched with 6,835 projects, has now been expanded to 9,144 projects across 34 sub-sectors with a Total Project Cost of USD 1.8 trillion and will require a major increase in funding from both the government and the financial sector. As per ICRA's estimates, 15-17% of the USD 1.8 trillion outlay under NIP is met through NBFCs.

Further, the asset quality of NBFC-IFCs has improved in the last few years, led by a few stressed asset resolutions/recoveries, sizeable write-offs, and curtailed incremental slippages. NBFC-IFCs have demonstrated a healthy profitability trajectory with the decline in the share of non-performing loans.

The period from 2000-2010 was the stage of infrastructure creation. Post 2018, we are seeing a new emerging trend of asset-class with about 45-50% completed assets in key sectors like Roads, Airport, Renewable energy sector, etc. This presents an opportunity for refinancing ₹13 Lakh crore of infrastructure projects by bond market. About 6%-8% of NIP pipeline amounting to ₹9 Lakh crore is also expected to be funded by Bond Markets. In total, the estimated potential of financing the infrastructure sector through bond market stands at a mammoth value of ₹22 Lakh crore. Going forward, accessing the corporate bond market and finding alternative fund-raising avenues are going to be a necessity for meeting the infrastructure funding needs of the country.

### **Sectoral performance highlights in Infrastructure**

Some noteworthy developments in key infrastructure sub-sectors during 2022-23 and way forward are elucidated as follows:

#### **Road and Highways**

The year 2022-23 saw a major push to Highway development with inauguration of projects worth more than ₹57,020 crore done by Hon'ble PM. There was increased focus on connectivity as Ministry of Road, Transport and Highways (MoRTH) constructed 5,337 km of National Highways and awarded 10,331 km of National Highways in FY2023. IIFCL's impact in the Roads and Highway sector has also been remarkable. We have provided our financial assistance towards 30,130 kms of road development viz ~ 21 percent of National Highway capacity. IIFCL has also invested ₹1,904 Crore in Road Sector Bonds.

To further improve efficiency and transparency of internal processes and take forward the adoption of digital technology, NHA has started accepting Electronic Bank Guarantees (E-BGs) and has also digitalized all its existing Bank Guarantees. Taking its digital initiatives forward, IIFCL introduced an Online Project Monitoring System (OPMS) as an effective tool for ensuring progress-linked disbursement in infrastructure projects. The objective of the system is to monitor the physical progress of funded projects on a single screen, remotely, by the means of reports and interactive dashboards, supported by Drone Based Videos, Geo-Satellite Images and On-Site Photographs of actual construction site. This will allay

the limitations of the extant traditional monitoring process and bring about a paradigm shift in the way Project Monitoring is being done by lenders presently.

### **Power Sector**

India has emerged as a leader in energy transition in spite of the fact that its per capita emissions are the lowest in the world. The country had pledged at COP-21 that by 2030 more than 40% of the installed electricity generation capacity will be from non-fossil fuel sources. India's non-fossil fuel capacity is already 42 percent. The country is currently on the path to honour the pledge in COP26 at Glasgow that 50% of the electricity generation installed capacity will be met from non-fossil fuel sources by 2030.

I am glad to share that IIFCL has contributed to the tune of 69 GW of energy addition viz; ~17 percent of India's installed capacity. The installed capacity is now close to double the peak demand and India is exporting power to Nepal, Bangladesh and Myanmar. The total electricity generation including generation from renewable sources in the country during the year 2022-23, upto December 2022 was 1,223.135 BU, as against the generation of 1113.712 BU during the corresponding period last year, showing a growth of 9.8%.

The maximum all India peak power demand in 2022-23 was 215 GW as compared to last year's maximum demand of 203 GW. The rising power demand reflects the economic growth in the country. The Government and other stakeholders are working together to ensure unhindered power supply and efforts at all fronts are being made and measures are being taken for better utilisation of various resources. In order to facilitate renewable power evacuation and reshaping the grid for future requirements, Green Energy Corridor (GEC) projects have been initiated.

IIFCL continually endeavours to minimize the negative environmental impacts of its operations and lending activity, and strives to mobilize finances towards development of green infrastructure projects, low carbon transition opportunities in India by leveraging global green funds and green credit lines through innovative financing solutions. In FY2023, IIFCL has invested ₹2,689 Crore in Power Sector Bonds. IIFCL has put in place an internal Green Bond Framework for providing guidance on Green Bonds related investments which has been approved by the Board.

### **Airports**

Serving the huge population of India, the aviation industry is witnessing a surge in the demand for air travel. Airport Infrastructure is a crucial component to deal with the surging demands of a growing economy. While in FY2021, there was a considerable decline in the air-traffic to the tune of 54% as well as passenger traffic to the tune of 66%, FY2022 saw a recovery, mainly led by the domestic sector. The total number of passengers carried in December 2022 stood at ₹1.5 lakh crore which was 106.4% of the pre-Covid level. An amount of ₹104 lakh crore has been reimbursed to the Airport Authority of India (AAI) in the form of Viability Gap Funding during FY2021 and FY2022. The Ministry of Civil Aviation (MoCA) has been allocated a total of ₹31 lakh crore in FY2024.

The number of operational airports in the country has doubled from 74 in 2014 to 148 in 2023. The Government has also accorded 'in-principle' approval for the setting up of 21 greenfield airports across the country. These projects will not only help to manage the traffic but also promote air travel for the common people of the country. There are a number of terminal buildings and airport construction lined up for 2023. The Goa-Manohar airport financed by IIFCL has become operational during the year and was inaugurated by the Hon'ble Prime Minister, Sh. Narendra Modi. Uttar Pradesh is gearing up for the completion of the air traffic control (ATC), runway and terminal building of the Noida International Airport also known as Jewar Airport by December 2023. I am pleased to share that your company has provided financial assistance to the tune of ₹400 crore to the Airport. Further, in FY2023, IIFCL has invested ₹300 crore in Airport Sector Bonds.

IIFCL has increased focus on the Airport sector with involvement in projects like Noida International Airport, Navi Mumbai International Airport, Vishakhapatnam Airport, etc.

### **Railways**

The Government of India is reworking the terms of the public private partnership (PPP) model for assorted railway projects, to make it more attractive to private investors and bridge a viability gap perceived by sections of investors. The new PPP model will also include a hybrid model. It is a welcome move to bridge the gap between the funds needed for modernisation and upkeep of India's railway infrastructure and the availability of resources in the government sector. The railway sector has invited private sector participation for Gati Shakti Terminals and manufacturing of rolling stock through upgradation of production units. It has received 125 applications for development of cargo terminals under the GCT policy, and has given in principle approvals for 79 projects. The revised land lease policy is also expected to boost privatisation of the railways logistics sector. Ministry of Railways has also identified 31 railway stations from State of Punjab and Union Territory of Chandigarh for development under the Amrit Bharat Station Scheme. Under the 'Amrit Bharat Station' scheme, 1,275 stations are being re-developed, whereas, the production of Vande Bharat trains will be revamped. Government of India is taking initiatives to increase private participation in railway sector and IIFCL is keen on exploring the untapped opportunities in this sector.

### **Ports**

India's Major Ports achieved Record-Breaking Milestones in FY2023, boosting trade and economic growth. The major ports collectively handled a record-breaking 795 million tonnes of cargo, registering a 10.4% growth over the previous year. Furthermore, they achieved the highest-ever output per day of 17,239 tonnes, marking a 6% increase compared to last year. Another significant accomplishment in FY2023 was the best-ever operating ratio of 48.54%. By leveraging data analytics and artificial intelligence, India aims to optimise port operations and boost efficiency. Recent digital initiatives such as the NLP-Marine and Sagar-Setu app are geared towards bringing all stakeholders onto a single platform, reducing logistical costs and time, and improving overall efficiency.

To ensure adequate last-mile connectivity to all the operational/UI ports in the country, a comprehensive Port Connectivity Masterplan was developed by MoRTH. As part of the Masterplan, connectivity requirements of all the operational and under implementation ports were assessed and connectivity projects were identified. The 59 projects (1,249 km) will be taken up under PM GatiShakti National Master Plan for improving last mile connectivity to ports in the country. Detailed Project Reports (DPR) are being developed for 2 projects (22 km) and bids have been invited for DPR for the remaining 57 projects (1,227 km).

For the holistic development of coastal districts, 567 projects under the Sagarmala programme with an estimated cost of ₹59,000 crore have been identified under the four pillars of Coastal Infrastructure Development, Coastal Industrial Development, Coastal Tourism Development, and Coastal Community Development. IIFCL has contributed towards 836 MT of port capacity development viz ~33 percent of India's Major Port capacity.

Against this background, I would now like to present the Operational and Financial Performance of IIFCL during the year 2022-23.

### **Way forward**

Your Company is strategically positioned not just as the only public-sector financial institution in the country working in all the sub-sectors of Infrastructure sector but also as a conduit between the private sector and the government. Your company aims to leverage upon this and increase its contribution towards development of the infrastructure sector. It will be actively engaging with developers, authorities, regulators, state and central

governments to augment its loan book and also to provide advisory and policy advocacy to the public sector.

Further, your company intends to extend loans to allied infrastructure sectors up to 25% of its total assets. Besides expanding to new sectors, your company also intends to explore new products. IIFCL is planning to sponsor an AIF for asset recycling. I am glad to share that IIFCL Projects Limited (IPL), IIFCL's wholly-owned subsidiary is in the process of opening up an office in the GIFT City in order to attract international investors in infrastructure sector

Your company is also exploring new sourcing avenues. This year we plan to avail new credit lines from ADB, JICA, World Bank, EIB, KfW etc. and forging new partnerships with international investors

For furthering our investor relationships, we have planned stakeholder meets in the upcoming financial year across key metro cities. We are also planning to hold round table conference on different sectors of the infrastructure space to brainstorm with industry experts on expansion and enhancement of the infrastructure sector of India. IIFCL is ready to explore new avenues and opportunities, without compromising on compliances and good governance practices.

IIFCL has been working towards an integrated IT framework that connects the entire value chain from project sourcing, credit appraisal, due diligence and risk management to post-sanction activities such as monitoring and accounting.

Going forward, Your Company intends to focus on becoming an agile and niche player in the market by offering best in class services in to its customers.

## **ANNEXURE TO NOTICE**

### **EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013**

#### **ITEM NO. 3: TO REGULARIZE THE APPOINTMENT OF SHRI SAMIR JERAMBHAI BOGHARA (DIN :) AS DIRECTOR OF THE COMPANY**

Department of Financial Services , Ministry of Finance, Government of India vide Letter No. 18/7/2022 – IF – I dated 10<sup>th</sup> May 2023 informed that in terms of the provisions of Articles 115 (1 )(d) of the Articles of Association of India Infrastructure Finance Company Limited (IIFCL), the Central Government has appointed Shri Samir Jerambhai Boghara as Independent Director on the Board of IIFCL for a period of three years from the date of order of his appointment or until further orders, whichever is earlier. The Appointment of Samir Jerambhai Boghara is effective from 15<sup>th</sup> May 2023 i.e. the date of allotment of Director Identification Number (DIN).

The appointment of Shri Samir Jerambhai Boghara as Additional (Independent Director) on the Board of IIFCL in accordance with the provisions of Section 161(1) of the Companies Act, 2013 and Article 115(1)(d) of the Articles of Association of the Company was noted by the Board of IIFCL in 128<sup>th</sup> Board Meeting held on 15<sup>th</sup> May 2023, subject to the approval of the members in the General Meeting.

As per Section 152(2) of the Companies act 2013, the appointment of independent director(s) of the company shall be approved at the meeting of the shareholders. Further, pursuant to Section 161(1) of the Companies Act, 2013, the Additional Director holds office up to the date of the ensuing Annual General Meeting.

The Company has received a declaration from Shri Samir Jerambhai Boghara pursuant to Regulation 25(8) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section (7) of Section 149 of the Companies Act, 2013 confirming that he meets the criteria of Independence under the Companies Act, 2013 and SEBI ( LODR) Regulations, 2015. Further, the Company has also received consent from Shri Samir Jerambhai Boghara to act as Director in terms of section 152 of the Companies Act, 2013 and a declaration that he is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013.

Shri Samir Jerambhai Boghara fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for his appointment as an Independent Director of the Company and he is Independent of the management.

Your Directors recommends the resolution at **Item No. 3** in the notice for your approval

Except Shri Samir Jerambhai Boghara being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested in the resolution set out as **Item No. 3** of this notice.

#### **ITEM NO. 4: ISSUE OF UNSECURED/SECURED NON- CONVERTIBLE BONDS/ DEBENTURES THROUGH PRIVATE PLACEMENT AS PER THE PROVISIONS OF THE COMPANIES ACT, 2013 AND RULES MADE THERE UNDER**

Given the Company's future growth plans, the Board considers it necessary to augment the long term resources of the Company through issuance of Unsecured/Secured Non-Convertible Bonds/Debentures which has better acceptability in the market and is very competitive. In view of the same, the Board of Directors had in meeting held on 15<sup>th</sup> May 2023 considered and approved, subject to the approval of shareholders, the resource raising plan of the company to the tune of Rs. 16,200 Crore by IIFCL. The Board of IIFCL is authorized to raise funds through Private Placement of Unsecured/Secured, Non-Convertible Bonds /Debentures taxable/tax free/infrastructure bonds/Offshore INR bonds/any other bonds upto Rs. 16,200 Crore during the period of one year commencing from date of passing the special resolution thereof, in one or more tranches, at such terms as terms and conditions

as may be finalized by the Board or any duly constituted Committee of the board or such other authority as approved by the Board.

In terms of Section 42 and 71 of the Companies Act 2013 and Companies (Share Capital and Debentures), Rules 2014 any offer or invitation for subscription of NCDs to be issued by the Company on private placement basis requires prior approval of the shareholders by way of special resolution.

Approval of the shareholders will be valid for one year for all the offers or invitations for NCDs to be made during the said year.

The Board of Directors believes that the proposed offer will be in the best interest of the company.

None of the Directors and Key Managerial Personnel (KMP) of the company and their relatives are concerned or interested in the proposed resolution.

Your Directors recommends the resolution at Item No. 3 in the notice for your approval

## RISK MANAGEMENT

Your Company is exposed to various risks such as Credit Risk, Interest Rate Risk, Exchange Risk, Liquidity Risk, Market Risk and Operational Risk that are an inherent part of any lending business. The Company has put in place a comprehensive Risk Management Framework that provides the enablers for aligning the business strategy with organizations' risk appetite.

A key component of the Risk Management Framework is Risk Governance that stresses a collaborative approach between Organizations' Management and Board of Directors to ensure effective risk governance and decision-making. The Board level Risk Management Committee (RMC) through Executive-level Asset Liability Management Committee (ALCO), Credit Risk Management Committee (CRMC), and Operational Risk Management Committee (ORMC) reviews the effectiveness of key risk management processes and oversee executive management's handling of risk-related issues. While ensuring a robust governance structure for risk management, emphasis is also laid on promoting a strong risk management culture across the organization, ensuring that all employees understand their roles in managing risk.

Collectively the various Risk Management Committees work towards identifying, assessing and measuring potential risks faced by the institution and developing risk mitigation plans as well as controls to minimize the impact of identified risks to ensure that the institution operates within acceptable risk thresholds.

During the year, in line with the regulatory changes and business requirements of IIFCL, your Company carried out a comprehensive review of all Risk related policies which includes Credit Risk Management, Operational Risk Management, and Market Risk & Asset-Liability & Liquidity Risk Management policies as well as Business Continuity Plan and Disaster

GMR Goa International Airport Limited

Management Plans. Additionally, in response to new regulatory requirements for NBFCs, your Company has framed policy on Internal Capital Adequacy Assessment Process (ICAAP).

The credit risk at the Company is periodically reviewed and monitored, by the Credit Risk Management Committee (CRMC) comprising of senior executives. Credit Risk is evaluated on quarterly basis under different parameters including adherence to Risk Appetite Limits and through Sensitivity analysis.

Your Company also has an executive level Asset Liability Management Committee (ALCO) to oversee the management of Assets and Liabilities. ALCO monitors Liquidity Risk, Interest Rate Risk, and Foreign Exchange Risk, which is integrated with IIFCL's business strategy. Liquidity risk is being monitored with the help of gap analysis, Liquidity Coverage Ratio and Stock Approach to Liquidity Monitoring. The decision of ALCO is reported to the Board Level Risk Management Committee.

Your company has strengthened its Operational Risk Management Framework to mitigate the operational risks in general and those in specific operations of the Company. The Company is also proactively calculating Risk Capital for its Operational Risk. ORMC, an executive level committee, reviews and assesses the operational risks. Operational risks are assessed by respective functional departments and appropriate control measures are in place for mitigating operational risks. The Company has also been sensitizing its employees on the importance of managing the operational risk by way of trainings.

## COMPLIANCES

IIFCL is following zero tolerance on regulatory non-compliance with constant monitoring by way of a calendar and active coordination with concerned departments. To strengthen the compliance monitoring process, IIFCL has put in place a web based application for Compliance Management including identifying, assessing, monitoring, managing, and reporting on Compliance risk.

## ENVIRONMENT AND SOCIAL SAFEGUARDS

IIFCL's lending is primarily to infrastructure projects; which may have potential to cause certain adverse environmental and social impacts. Keeping this in view, IIFCL Adopted Environmental and Social Safeguards Policy (ESSP) since October 2008 and developed its Environmental & Social Safeguards Framework (ESSF). The ESSP takes note of environmental and social Safeguards requirements of its financial partners and lenders including multilateral and bilateral development financial institutions. IIFCL has disclosed Environment and Social Safeguards Framework (ESSF) in public domain on its website. As per ESSF, safeguards compliance with Government of India's regulations/guidelines applies to infrastructure projects financed by IIFCL and Multilateral/Developmental Financial Institutions (MFIs/DFIs) safeguards compliance is also applicable wherever DFI's funding assistance is involved.

IIFCL team received special commendation certificate for presenting PPP project co-financed by IIFCL during 7<sup>th</sup> UNECE International Public-Private Partnerships Forum held on 3-5 May 2023 in Athens, Greece.

To raise long-term resources, IIFCL has signed various lines of credit with Multilateral/ Developmental Financial Institutions (MFIs/DFIs) like The World Bank, ADB, KfW, EIB and JICA. In the fiscal year 2022-23, the Environment and Social Safeguard Management Unit (ESMU) played a crucial role in ensuring environmental and social safeguards compliance for various lines of credit from DFIs during the loan drawdown period and the subsequent compliance monitoring stages, as per the loan covenants. These efforts significantly contributed to IIFCL's ability to secure long-term financial resources for infrastructure development. During FY 2022-23, ESMU facilitated the approval and disbursement of 9.30 Billion Yen (INR 574 Crores) under the Japanese International Co-operation Agency (JICA) line of credit and 18.63 Million USD (INR 154 Crores) from the Asian Development Bank (ADB) line of credit for the approved projects under these respective lines of credit.

IIFCL keeps on participating at different forums to develop common approaches and standards in the field of social and environmental risk management at the regional and international level. Recently, IIFCL participated in 6<sup>th</sup> and 7<sup>th</sup> UNECE International Public Private Partnerships Forum held in year 2022 in Barcelona, Spain & in year 2023 at Athens, Greece wherein more than 600 participants from national and local authorities, private companies, lenders, civil society, academia and international organizations participated to showcase best practices related to sustainable development.

The Pune Elevated Metro System Project (Line-3), co-financed by IIFCL was presented at the 7<sup>th</sup> PPP forum by IIFCL team and this PPP project received special commendation from the International Jury of the UNECE PPP and Infrastructure Award 2023 for excelling the PPPs for the SDG outcomes of Access and Equity and Environmental Sustainability & Resilience. IIFCL has also utilized international partnerships to grow its capacity and financial capabilities targeting the development of sustainable Infrastructure in our country.

## **Clean Transport**

IIFCL is also contributing to development of clean transport systems in India and during previous financial year, IIFCL extended financial assistance (under lender's consortium arrangement) to Pune Metro Rail Transport project by sanctioning term loan of INR 1450 Crores and disbursement of 262 crores till 31<sup>st</sup> March 2023. The project will contribute to circular economy by utilization of public transport asset to incremental levels by innovative business model that embraces Mobility-as-a-Service (Mass), by ride sharing. The 23 km long proposed metro rail transport will pass through major passenger destinations in Pune city and would help in reduction of vehicles plying on the roads resulting in saving of petrol and diesel consumption, decongestion of existing road infrastructure and reduction of Greenhouse gases emissions resulting in carbon credits generation for the project. The metro project operation will bring reduction in pollutants on daily basis at the level of (CO : 12842.752 Kg/day, CO<sub>2</sub> : 342721.963 Kg/day, NO<sub>x</sub> : 1206.366 Kg/day, VOC : 1388.521 Kg/day, Particulates : 30.077 Kg/day, SO<sub>2</sub> : 42.812 Kg/day) and 633726 number of people will have access to sustainable public transport systems on this metro corridor for an average trip length of 8.89 Km replacing 158431 Petrol Car Equivalent (PCE) units.

## **Green Buildings (Airport Terminals)**

IIFCL, as a financial institution, has the opportunity to influence the environmental and social outcomes of projects through its lending and investment decisions. IIFCL has supported development of Airport projects across the major metro cities of our country and all these airport projects has taken various steps to incorporate sustainable practices and elements. The airport projects supported by IIFCL have developed airport terminals on the concept of "Green Buildings" and projects are implemented/under implementation by adopting energy-efficient technologies, optimizing water usage, waste management systems, use of renewable energy, and other environmentally friendly initiatives to reduce its ecological footprint.

IIFCL facilitated the airport projects developed/ (also under implementation) in the metro cities of India viz. Delhi, Mumbai, Hyderabad, Navi Mumbai, Goa, Greater Noida-G.B. Nagar (Upcoming Jewar Airport). The airport complexes have received various Green Building Certifications like LEED (Leadership in Energy and Environmental Design) ratings from US Green Building Council, IGBC ratings from Indian Green Building Council etc. By funding such infrastructure projects, IIFCL is promoting sustainable development by adoption of best practices in the infrastructure sector. This approach can help balance economic growth with environmental conservation and social well-being. IIFCL has disbursed more than 3000 crores towards airport development projects through different financial modalities like direct lending, take out scheme and investment through bonds.

## **Solid Waste Management**

IIFCL supported 10 number of solid waste management projects (covering PMDO scheme and direct funding) with disbursement of 209.64 crores located across different cities of India like Guntur, Vishakhapatnam, Nagpur, Bhilai Durg, Jabalpur, Raipur etc.. These solid waste management projects are related to waste management by municipal corporations including waste to energy generation projects.

The solid waste management projects will help in eradication of public health risks associated with open dumping of MSW. IIFCL's funded waste to energy (WTE) generation projects have contributed to circular economy by utilization of municipal solid waste into energy generation in efficient, economic, sustainable and scientific manner and reduction in Green House Gas emissions associated with open dumping of waste. More than 5,00,000 tons /annum of Waste is being diverted from landfill site by IIFCL's funded WTE projects with reduction of CO<sub>2</sub> emissions of more than 10,00,000 tons /annum.

IIFCL continually endeavours to minimize the negative environmental impacts of its operations and lending activity, and strives to mobilize finances towards development of green infrastructure projects, low carbon transition opportunities in India by leveraging global green funds and green credit lines through innovative financing solutions. IIFCL will proactively take efforts for investments in green infrastructure sectors such as Renewable Energy (including Green Hydrogen), Energy Efficiency, Clean Transportation, Climate Change Adaptation, Solid Waste Management, Wastewater Treatment etc.

## SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

### **IIFCL Projects Limited:**

IIFCL Projects Limited (IPL), the dedicated advisory and consultancy arm of IIFCL, continues to maintain its growth momentum and widening its presence in this segment. During this financial year, IPL strengthened its business portfolio by adding a new programme in the MSME sector, the sector which has gained significant importance in recent times due to its contribution to Gross Domestic Product (GDP) of the country and increasing employment opportunities. IPL has signed an MoU with the Ministry of MSME to be the National Programme Management Unit for PAN India implementation of its World bank funded USD 800 Mn RAMP (Raising and Accelerating MSME Performance). IPL bagged another significant programme with Mumbai Metropolitan Regional Development Authority (MMRDA) for providing financial advisory for its upcoming metro projects in the state of Maharashtra. Under this programme, IPL facilitated documentation of loan of Rs.14,434 crore availed by MMRDA.

During the year, IPL completed the prestigious assignment for providing Transaction Advisory services for transfer of 10 in-orbit Communication Satellites from Department of Space to New Space India Limited (NSIL). This included undertaking a Financial Valuation of the assets and studying taxation and accounting impact of the said transfer. IPL delivered and completed another repeat mandate from NSIL for preparation of a Concept Paper (covering Legal, Tax and Feasibility implications) for establishment of office by NSIL in GIFT City.

The successful execution and stability of ongoing advisory programmes with the various state authorities of Tamil Nadu, Meghalaya and Manipur has been influential and a major contributor to the sustainable performance of the Company. Under these programmes, IPL worked on strategic initiatives for infrastructure development in these states like concept development for enhancement of Regional Connectivity of Meghalaya through a New Economic Corridor connecting Moreh to Mahendraganj to Hili via Bangladesh, development of implementation framework for PPP Policy in Meghalaya, drafting of “Manipur Vision 2047” which was unveiled by the Hon’ble Chief Minister of Manipur. These assignments have helped IPL to maintain its financial sustainability. IPL also got empanelled with Narcotics Control Bureau as Financial Advisors for undertaking financial investigation and analysis related to operational requirements of the Bureau. This assignment opens an opportunity for IPL to assist the NCB investigation teams in forensic audit and financial tracing of illegal money.

During FY 22-23, IPL invested in manpower enrichment for readiness of these programmes to create a skilled pool for delivery of these assignments. To ensure continued delivery of high-quality services to our clients, the Company has undertaken hiring processes for attracting new talents with adequate skillsets. IPL posted a top line of Rs.14.54 crore as against Rs.13.16 crore in the corresponding previous year. The Company recorded Net Profit of Rs.1.56 crore for the year as against Rs.2.31 crore in the corresponding previous year.

### **IIFC (UK) Limited:**

IIFC(UK) Limited, an off-shore wholly-owned subsidiary of IIFCL, was set up in April 2008 to provide financial assistance in foreign currency, for the import of capital equipment, to companies implementing infrastructure projects in India. The authorized capital of IIFC(UK) is USD 500 Mn and the current paid up capital of the Company is USD 100 Mn. As on 31<sup>st</sup> March 2023, the company has made cumulative gross and net sanctions of USD 4,708.65 Mn and USD 4,414.47 Mn respectively to 46 projects under direct lending and 2 institutions under Refinance. As on 31<sup>st</sup> March 2023, the company has made cumulative disbursements of USD 2,255 Mn. RBI Line of Credit has been the primary

source of funds for IIFC(UK) and the net principal outstanding of bonds payable to RBI stands at USD 1,163 Mn as on 31<sup>st</sup> March 2023. Apart from RBI line of credit, IIFC(UK) is continuously exploring new sources of funds with a view to further supplement its financial resources for infrastructure development in India, and accordingly, the company secured a USD 200 Mn bilateral loan facility and has raised USD 111 Mn out of this facility till 31<sup>st</sup> March 2023. During the year, the company continued to focus on its recovery efforts from stressed assets, and made recoveries of approximately USD 58.5 Mn during the year. Further, the Profit After Tax for the company for FY 2022-23 has increased to USD 24.44 Mn from USD 19.09 Mn in FY 2021-22.

### **IIFCL Asset Management Company Limited:**

IIFCL Asset Management Company Limited (IAMCL): a wholly owned subsidiary of IIFCL, was set up in 2012 as an Asset Management Company (AMC) for IIFCL Mutual Fund (IDF). IIFCL Mutual Fund (IDF) launched and closed its maiden IDF Series I of fund size of Rs. 300 Crore in February 2014. In the month of April 2017, IAMCL launched and closed its IDF Series II with a fund size of Rs. 200.00 Crore. The Asset under Management (AUM) of two close ended schemes of IIFCL Mutual Fund (IDF) as on 31<sup>st</sup> March, 2023 is ₹454.28 Crore (Series-I) and ₹179.05 Crore (Series II).

The company's balance sheet size as at 31<sup>st</sup> March 2023 has improved to Rs. 31.89 crore from Rs. 30.50 crore as at 31<sup>st</sup> March 2022, registering growth of 4.56%. However, its total revenue has marginally decreased to Rs 7.18 crore during FY 2022-23 from Rs 7.20 crore during FY 2021-22 due to decrease in management fee from IIFCL Mutual Fund (IDF) as winding up of both the schemes of IIFCL Mutual Fund (IDF) is under process and securities are getting matured/ sold and are being converted to liquid short term Bank deposits. The winding up of both the schemes has impacted net profit, which has decreased to Rs 2.04 crore during FY 2022-23 from Rs 2.16 crore during FY 2021-22.

The Board of Trustees of IIFCL Mutual Fund (IDF) in 63<sup>rd</sup> Meeting held on 31<sup>st</sup> January, 2023 had decided to wind up both the scheme(s) of IIFCL Mutual Fund (IDF) under SEBI guidelines on account of higher compliance cost with reduced Total Expense Ratio and inability to comply with SEBI (Mutual Funds) Regulations, 1996 and Circulars and Guidelines applicable for Infrastructure Debt Funds by IIFCL Mutual Fund (IDF) and IIFCL Asset Management Company Limited.

The Unit Holders of both the schemes of IIFCL Mutual Fund (IDF) had also approved the winding up of both the schemes by requisite majority in their respective meetings on 15<sup>th</sup> March, 2023. Currently the winding up of schemes is under process.

KPMG, appointed by IIFCL for Strategic planning, in its "Strategy Report and Business Plan" had specified that as IAMCL had an experience of pooled fund vehicles through the launch of two Infrastructure Debt Funds (IDF I & IDF II), IIFCL must launch a Category I or Category II Alternative Investment Fund registered under SEBI (Alternative Investment Fund) Regulations 2012 wherein IAMCL would act as Investment Manager for the fund. Accordingly, Board of Directors of IAMCL in 86<sup>th</sup> meeting held on 12<sup>th</sup> January, 2023 had approved the proposal of IAMCL to be appointed as Investment Manager for Alternative Investment Fund (AIF) to be floated by IIFCL.

The observations of the Secretarial Auditor and reply of the management on the observations, for the FY 2022-23 along with copy of the audit report is annexed with Annual Report.

## MANAGEMENT'S COMMENTS ON THE AUDITOR'S QUALIFICATION

It is submitted that India Infrastructure Finance Company (UK) Limited (IIFC (UK)) do not have any regulatory requirement to maintain capital at a specified level. However, IIFCL infused equity of USD 50 million in IIFC (UK) Ltd. during FY 2008 to FY 2010. IIFC (UK) Ltd. declared dividend of USD 30 million in FY2012-13 and USD 20 million in FY 2015-16 aggregating to USD 50 million. IIFCL had further infused equity share capital of USD 25 million in FY 2019-20 and subsequently USD 25 million in FY 2021-22 in IIFC (UK) Ltd..

Further, IIFCL undertook deep provisioning and cleaning of its loan book as a result of:

- Issuance of RBI circular dated 12<sup>th</sup> February 2018 (Resolution of Stressed Assets – Revised Framework) resulting in withdrawal of all scheme like Framework for Revitalizing Distressed Assets, CDR, Flexible Structuring of Existing Long Term Project Loans, SDR, Change in Ownership outside SDR, and S4A;
- Implementation of Insolvency and Bankruptcy Code resulting in NPA cases being mandatorily referred to NCLT for resolution in a time bound manner.

Similar deep provisioning and cleaning of the loan book was undertaken at IIFC (UK) Ltd. in FY 2018-19 on the lines of IIFCL. This resulted in erosion of net worth of IIFC (UK) Ltd.

IIFCL is intending to provide fresh capital to IIFC (UK) Ltd by way subscribing to equity capital of IIFC (UK) Ltd. of upto USD 250 million over a period of 10 years out of which USD 50 million already subscribed during FY 2019-20 and FY 2021-22 as mentioned above.

Further, IIFC (UK) Ltd. has posted Profit after Tax (PAT) amounting USD 9.26 million, USD 4.99 million, USD 16.37 million and USD 22.39 million in FY 2019-20, FY 2020-21, FY 2021-22 and FY 2022-23 respectively. Further, the Net worth of IIFC (UK) Ltd. as on 31<sup>st</sup> March 2023 stands at USD 25 million.

IIFCL has not recognized erosion of Equity Share Capital held in IIFC -(UK) Ltd. as loss, considering IIFC (UK) Ltd. as a going concern entity and loss incurred by company not being permanent.

## OFFICIAL LANGUAGE (RAJBHASHA)

IIFCL tries to ensure compliance of Official Language Act, 1963 and Official Language Rules, 1976 and through the Annual Program and other guidelines issued every year by the Department of Official Language, Ministry of Home Affairs to promote the use of Official Language Hindi in the office.

In order to comply with the official language policies and 100% use of Hindi in official work, IIFCL has ensured to provide training to all the officers of “Pargant” course under the “Hindi Teaching Scheme” of the Government of India. So far, 80 percent of the officers of the IIFCL have received “Pargant” training and the remaining 20 percent officers will complete the training as soon as possible. IIFCL is committed to achieve this goal.

The India Infrastructure Finance Company Limited (IIFCL) celebrates “Hindi Pakhwada” with great pomp by organizing various promotional programs and competitions from

Nagpur Mumbai Super Communication  
Expressway Private Limited

1<sup>st</sup> September to 14<sup>th</sup> September on the occasion of Hindi Diwas on 14<sup>th</sup> September every year, following the official language policy of the Government of India.

**Key Points:**

- ❖ The Department of Official Language is entrusted with the responsibility of ensuring compliance of the Official Languages Act, 1963, Official Languages Rules, 1976, and directions of the Government of India and the Committee of Parliament on Official Languages.

**Management Comments:**

- I. The Companies Act, 2013 and the rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015

- a) The Directors on the Board of IIFCL are selected and nominated by the Government of India. IIFCL has no role in appointment of Directors on its Board. IIFCL has requested the Administrative Ministry (DFS) to appoint a Woman Director on Board of IIFCL to ensure compliance with the provisions of Companies Act 2013.

- b) The Directors on the Board of IIFCL are selected and nominated by the Government of India. IIFCL has no role in appointment of Directors on its Board. IIFCL has requested the Administrative Ministry (DFS) to appoint Independent Directors on Board of IIFCL to ensure compliance with the provisions of Companies Act 2013.

In this regard, it is submitted that Department of Financial Services, Ministry of Finance, Government of India vide Letter No. 18/7/2022 – IF – I dated 10<sup>th</sup> May 2023 has informed that in terms of the provisions of Articles 115 (1)(d) of the Articles of Association of India Infrastructure Finance Company Limited (IIFCL), the Central Government has appointed Shri Samir Jerambhai Boghara as Independent Director on the Board of IIFCL for a period of three years from the date of order of his appointment or until further orders, whichever is earlier.

- c) Shri Samir Jerambhai was inter-alia inducted as a member of the Audit Committee, Nomination & Remuneration Committee, Stakeholders Relationship Committee and Risk Management Committee in 128th Board Meeting held on 15th May 2023. Consequently, as on date the composition of the Stakeholders Relationship Committee & Risk Management Committee is compliant with applicable provisions of Companies Act, 2013 and SEBI (Listing Obligations and disclosure requirements) Regulations. However, as on date, the composition of the Audit Committee and Remuneration & Nomination Committee is not in terms of applicable provisions due to inadequate number of Independent Directors on the Board of IIFCL. IIFCL has requested the Administrative Ministry (DFS) to appoint Independent Directors on Board of IIFCL to ensure compliance with the applicable provisions.

- d) SEBI (Listing Obligations and Disclosure Requirements) (Fifth Amendment) Regulations, 2021 (Notification No. SEBI/LAD – NRO/GN/2021/47 dated 7<sup>th</sup> September 2021) [hereinafter referred to as the “Amendment Regulations”] explains amendments related to SEBI (LODR) Regulations, 2015.

The Amendment Regulations have inter-alia inserted new clause (1A) in Regulation 15 of Chapter IV (Obligations of a Listed Entity which has listed its Specified Securities and Non - Convertible Debt Securities). Clause 1(A) of Regulation 15 provides that the

provisions of this regulation and Regulation 16 to Regulation 27 of Chapter IV shall apply to a listed entity which has listed its NCDs and has an outstanding value of listed NCDs of Rs. 500 crore and above i.e 'high value debt listed entity'.

Further, these provisions shall be applicable to High Value Debt Listed entities on a 'comply or explain' basis until 31<sup>st</sup> March 2023 and on a mandatory basis thereafter. 'Comply or explain' shall mean that the entity shall endeavour to comply with the provisions and achieve full compliance by 31<sup>st</sup> March 2023. In case, the entity is not able to achieve full compliance with the provisions and achieve full compliance by 31<sup>st</sup> March 2023, till such time, it shall explain the reasons for such non-compliance/partial compliance and the steps initiated to achieve full compliance in the quarterly compliance report filed under Regulation 27(2)(a).

Pursuant to the Amendment Regulations, IIFCL framed a Code of Conduct of Board of Directors and Senior Management Personnel (SMP) being a High Value Debt Listed entity The Code of Conduct was approved by the Board of IIFCL in 127<sup>th</sup> meeting held on 29<sup>th</sup> March 2023. Therefore, IIFCL was in compliance of provisions of SEBI.

- e) While notice of the AGM was duly served to the Chairman of the Audit Committee, however the Chairman of the Audit Committee could not attend the 17<sup>th</sup> AGM due to certain unavoidable and unforeseen exigencies.
- f) IIFCL had submitted the intimation to BSE on 12<sup>th</sup> July 2021 regarding payment of interest due on 23<sup>rd</sup> August 2021. The intimation was submitted 11 days before the date of interest due complying with the regulation. The intimation was submitted under regulation 60(2) of LODR albeit under regulation 50(1) could not be made. Further to highlight that the mentioned period pertains to Covid- 19 Pandemic wherein entire country was grappling with extraordinary situation. IIFCL was striving hard to comply with all the regulations of LODR with limited access to resources. Subsequently, the certificate of interest paid was also intimated vide letter dated 1<sup>st</sup> October 2021 under the applicable regulation of LODR. BSE vide email dated 10<sup>th</sup> March 2023, has waived off the all the fines levied
- g) IIFCL under supervision of Ministry of Finance proactively requested Department of Financial services (DFS), vide email dated 14<sup>th</sup> September 2022 for consent to hold Annual General Meeting (AGM) at a shorter notice. Further, Department of Financial services vide letter dated 21<sup>st</sup> September 2022 accorded the approval to convene AGM.

Thereafter, IIFCL took approval of the Board of Directors in meeting held on 23<sup>rd</sup> September 2022 to convene Annual General Meeting on 28<sup>th</sup> September 2022. Accordingly, Notice of AGM was dispatched to all the shareholders on Sunday, 25<sup>th</sup> September 2022.

IIFCL attempted to upload the Annual Report along the Notice for AGM on the website of the Stock Exchange on the same day i.e on Sunday, 25<sup>th</sup> September 2022. However, same did not materialize due to login issues. It is further submitted that on 28<sup>th</sup> September 2022, IIFCL succeeded in uploading the Annual Report along the Notice of the AGM on the website of the Stock Exchange.

BSE vide email dated 8<sup>th</sup> March 2023, has waived off the fines levied as under Standard Operating Procedure.

- h) During the Financial Year 2022-2023 there has been no NCD issuance.
- i) IIFCL under supervision of Ministry of Finance proactively requested Department of Financial services (DFS), vide email dated 14<sup>th</sup> September 2022 for consent to hold Annual General Meeting (AGM) at a shorter notice. Further, Department of Financial services vide letter dated 21<sup>st</sup> September 2022 accorded the approval to convene AGM.

Thereafter, IIFCL took approval of the Board of Directors in meeting held on 23rd September 2022 to convene Annual General Meeting on 28th September 2022. Accordingly, Notice of AGM was dispatched to all the shareholders on Sunday, 25th September 2022.

IIFCL attempted to upload the Annual Report along the Notice for AGM on the website of the Stock Exchange on the same day i.e on Sunday, 25th September 2022. However, same did not materialize due to login issues. IIFCL endeavours to continually strengthen and develop a robust system of compliance inter-alia including strengthening adherence to the specific requirements prescribed by SEBI (PIT) Regulations, 2015.

Going forward, IIFCL would duly comply with the provisions of the SEBI (PIT) Regulations, 2015.

III. Secretarial Standards with regard to Meetings of the Board of Directors

- a) Going forward, IIFCL would ensure compliance with the provisions of applicable clause.

## STATUTORY AUDITOR OBSERVATIONS

Investment in India Infrastructure Finance Company (UK) Limited, a subsidiary company, has been valued at carrying cost i.e., Rs 61,180.95 Lakh. As per the financial statements of the Subsidiary Company as of March 2023, Net Worth of the subsidiary company in UK has eroded. In the opinion of the management, the financial statements of the subsidiary in UK are prepared on going concern basis and as explained to us, assessment of fair value of the investment in subsidiary company in UK cannot be ascertained. Therefore, in the absence of fair valuation in the subsidiary company, we are unable to comment upon the impact of the impairment, if any, on the Statement of Profit and Loss Account, the reserve and investment (amount unascertained).

### Management Comments:

It is submitted that India Infrastructure Finance Company (UK) Limited (IIFC(UK)) do not have any regulatory requirement to maintain capital at a specified level. However, IIFCL infused equity of USD 50 million in IIFC(UK) during FY 2008 to FY 2010. IIFC(UK) declared dividend of USD 30 million in FY2012-13 and USD 20 million in FY 2015-16 aggregating to USD 50 million. IIFCL had further infused equity share capital of USD 25 million in FY 2019-20 and subsequently USD 25 million in FY 2021-22 in IIFC (UK) Ltd.

Further, IIFCL undertook deep provisioning and cleaning of its loan book as a result of:

- Issuance of RBI circular dated 12<sup>th</sup> February 2018 (Resolution of Stressed Assets – Revised Framework) resulting in withdrawal of all scheme like Framework for Revitalizing Distressed Assets, CDR, Flexible Structuring of Existing Long Term Project Loans, SDR, Change in Ownership outside SDR, and S4A;
- Implementation of Insolvency and Bankruptcy Code resulting in NPA cases being mandatorily referred to NCLT for resolution in a time bound manner.

Similar deep provisioning and cleaning of the loan book was undertaken at IIFC (UK) in FY 2018-19 on the lines of IIFCL. This resulted in erosion of net worth of IIFC(UK).

IIFCL is intending to provide fresh capital to IIFC(UK) by way subscribing to equity capital of IIFC(UK) of upto USD 250 million over a period of 10 years out of which USD 50 million already subscribed during FY 2019-20 and FY 2021-22 as mentioned above.

Further, IIFC (UK) Ltd. has posted Profit after Tax (PAT) amounting USD 9.26 million, USD 4.99 million, USD 16.37 million and USD 22.39 million in FY 2019-20, FY 2020-21, FY 2021-22 and FY 2022-23 respectively. Further, the Net worth of IIFC(UK) Ltd. as on 31<sup>st</sup> March 2023 stands at USD 25 million.

IIFCL has not recognized erosion of Equity Share Capital held in IIFC(UK) Ltd. as loss, considering IIFC(UK) Ltd. as a going concern entity and loss incurred by company not being permanent.

**COMMENTS OF THE C&AG UNDER SECTION 143(6) (B) OF THE COMPANIES ACT, 2013 ON THE STANDALONE FINANCIAL OF IIFCL FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2023**

**A. Comments on profitability**

**A.1 Balance Sheet**

**A.1.1 Liabilities and Equity**

**Non-Financial Liabilities – Other Non-Financial Liabilities (Note No. 17)**

**Sundry Liabilities Account (Interest Capitalisation): ₹301.03 crore**

**Interest Income (Note No. 20): ₹4,031.36 crore**

A reference is invited to Modified Independent Auditor's Report for the Financial Year 2020-21 (based on C&AG's observations) wherein it was pointed out that Profit before Tax was understated by ₹459.15 crore and Sundry Liabilities were overstated by the same amount due to reversal of interest income which accrued during the moratorium period on term loans. India Infrastructure Finance Company Limited (IIFCL, the Company) did not take any corrective action during FY 2021-22, and it was commented (vide comment no. A.1) that the Company recognised the deferred interest income of ₹60.46 crore on cash basis and did not recognise the balance interest income of ₹398.69 crore which resulted in non-compliance of accrual basis of accounting.

The Company, during current year i.e., FY 2022-23, received deferred interest income ₹107.01 crore which has been recognised as income on cash basis. However, the balance interest income of ₹301.03 crore has not been recognised, resulting in non-compliance of accrual basis of accounting.

This has resulted in understatement of prior period interest income by ₹408.04 crore, overstatement of Sundry Liabilities Account (Interest Capitalization) by ₹301.03 crore and other income by ₹107.01 crore. Consequently, Profit for the year is also understated by ₹301.03 crore.

**A.1.2 Assets**

**Financial Assets – Loans (Note No. 4): ₹42,315.99 crore**

**Liabilities**

**Non-Financial Liabilities - Provisions (Note No. 16): ₹2,432.47 crore**

- (i) A reference is invited to the Significant Accounting Policy No. 5.3(a) for De-recognition of financial assets which stipulates that, Projects where Concession Agreement (CA) has been terminated by the Project Authority, loan account is derecognized in the financial year in which the contract is terminated. Further Policy 5.3(d) stipulates that, "A loan asset other than cases under Strategic Debt Restructuring Scheme (SDR), Scheme for Sustainable Structuring of Stressed Assets (S4A), Outside Strategic Debt Restructuring (SDR) scheme applicable as per RBI Regulations and considered withdrawn pursuant to RBI Notification No. RBI/131 DBR No. BP.BC.101/21.04.048/2017-18 dated February 12, 2018 or any other mutually agreed restructuring/settlement process shall be derecognized in case the loan asset has been categorized as Non-Performing Asset (NPA) for more than 5 years or the scheduled commercial operations of the project have been delayed for more than 4 years unless any substantive offer for sale/realization of loan asset is available".

- (a) Loan account of M/s Indore Dewas Tollways Limited (IDTL) was overdue with IIFCL (the Company) and turned into Non-Performing Asset on 31<sup>st</sup> December 2019. Principal outstanding against IDTL is ₹116.02 crore as on 31<sup>st</sup> March 2023 against which provision of ₹93.61 crore (80.68 per cent) has been made. Project Authority (National Highways Authority of India) also terminated the Project on 16<sup>th</sup> December 2022 citing various faults on the part of the Concessionaire (IDTL). Lenders have filed a joint suit for debt recovery which is pending at Debt Recovery Tribunal, Hyderabad.

Though there was no substantive offer available for realization of loan asset, the same has not been derecognized which resulted in non-compliance to the aforesaid Significant Accounting Policy and conservatism principle of accounting.

This has resulted in overstatement of loans by ₹116.02 crore, Provisions by ₹93.61 crore and Profit for the year by ₹22.41 crore (₹116.02 crore minus ₹93.61 crore).

- (b) IIFCL (the Company) sanctioned (May 2011) a loan of ₹100 crore (disbursed ₹99.82 crore) to M/s SEW Krishnagar Baharampore Highways Limited (SKBHL) for development of 78 km long stretch from Krishnagar to Baharampore in West Bengal on Design, Build, Finance, Operate & Transfer Annuity basis with scheduled Commercial Operation Date (COD) of July 2014. However, SKBHL could not service the dues of IIFCL due to substantial delay in Project and the Loan account turned into Non-Performing Asset on 30<sup>th</sup> June 2018. Provisional COD was achieved in February 2020 with a delay of five and half years and COD is not yet achieved. Principal outstanding against SKBHL is ₹99.82 crore as on 31<sup>st</sup> March 2023 against which provision of ₹78.99 crore (79.13 per cent) has been made.

State Bank of India (the lead Bank) has sold (July 2023) its share to an Asset Reconstruction Company (M/s ACRE). IIFCL is also exploring possibility of selling its share on the similar lines.

Though there was no substantive offer available for realization of loan asset, the same has not been derecognized which resulted in non-compliance to the aforesaid significant Accounting Policy and conservatism principle of accounting.

This has resulted in overstatement of loans by ₹99.82 crore, Provisions by ₹78.99 crore and Profit for the year by ₹20.83 crore (₹99.82 crore minus ₹78.99 crore).

- (ii) IIFCL (the Company) sanctioned a loan of ₹109.23 crore (₹44 crore under Direct lending and ₹65.23 crore under Take-Out Finance scheme) to East Hyderabad Expressway Limited (EHEL) to design, construct, develop, finance, operate and maintain eight lane access control Expressway Project in Hyderabad. The account turned (31 March 2019) Non-Performing Asset due to moratorium imposed by National Company Law Appellate Tribunal .

IIFCL accepted (17<sup>th</sup> June 2022) the One Time Settlement (OTS) proposal for its share of ₹37.38 crore of which ₹27.38 crore was already recovered and balance ₹10 crore was to be recovered from the funds available in the Escrow account. The Company received the same on 29 September 2022, and issued 'No Dues Certificate' to EHEL on 01 December 2022.

However, Principal amount of ₹4.74 crore is still shown as outstanding against EHEL as on 31<sup>st</sup> March 2023, against which provision of ₹2.10 crore has been made.

This has resulted in overstatement of Loan by ₹4.74 crore, Provision by ₹2.10 crore and profit for the year by ₹2.64 crore (₹4.74 crore minus ₹2.10 crore).

### Management Comments:

- A.1.1 The accounting treatment followed by IIFCL in current year has been consistent and on lines similar with the treatment of the previous year with adequate disclosure in the Notes to Accounts.
- Post receiving the comments from the Office of C&AG during FY 2021-22 IIFCL has given due consideration to the comments and accordingly, the conduct of all such Borrowers' account who were granted COVID Moratorium was reviewed.
  - IIFCL also obtained an independent opinion from an external CA firm in May 2022 in this regard. Accordingly IIFCL continued with consistent and prudent practice of treatment of unrecognized interest income on loan cases for the moratorium period on realization basis as the guidance from RBI is yet to be provided in the matter. The fact has been disclosed in the in the notes to accounts for FY 2022-23.
  - On above lines, IIFCL has recognized revenue of Rs. 107.01 crores during 2022-23 vis a vis Rs. 60.46 Crores in last year reflecting the interest relating to moratorium period, which was realized during the year. Thus the accounting treatment was in line with the stand taken in FY 2021-22.

Therefore Principle of Consistency has been followed in the treatment of the subject items in the current year on lines similar to the previous year.

- A1.2 (a) The account of M/s Indore Dewas Tollways Limited turned NPA in the books of IIFCL on 31<sup>st</sup> December, 2019. Further, the Authority (NHAI) has terminated the Concession Agreement vide letter dated 16<sup>th</sup> December, 2022.

The project has achieved PCOD and eligible for the termination payment. IIFCL is regularly following up with the Lead Bank (Union Bank of India)/Borrower/NHAI to expedite release of termination payment.

The concessionaire has raised termination claim of Rs 637 crores due to Authority default as per Concession Agreement clause 37.2.2. However, the Arbitration Tribunal has been constituted under Arbitration and Conciliation Act to decide on the final amount of Termination payment. Proceedings of the same are underway

Further, the Corporate Guarantor M/s Gayatri Projects Limited, has been admitted in NCLT vide order dated 15<sup>th</sup> November, 2022. Resolution in NCLT is also expected as some resolution plans have been received by the Resolution Professional.

It is pertinent to mention that ECL exercise is carried out based on the estimated cash flow in the project which is normally higher than the provisioning norms prescribed by RBI in NPA Accounts.

In the instant case, the estimated cash flows were considered on the basis of expected termination payment/Arbitration from NHAI.

Further, as per IIFCL's NPA Management policy Loan asset categorized as NPA for more than 5 years is to be reviewed periodically and a view to be taken on write-off, if need be, based on intrinsic value of the asset, evaluation of circumstances etc.

In view of the above, it may be noted that the recovery in the account is expected in the form of termination payment from NHAI, the asset being a completed road project and also by way of resolution in NCLT of Corporate Guarantor. Further, IIFCL has recovered Rs 32.47 crores by way of toll proceeds after the account turned NPA. Therefore, IIFCL has not written off the account in FYE 2023.

As presently project is in Arbitration tribunal, which generally takes 1-2 years to resolve, we have placed proposal to the IIFCL's Board to fully write off the account in ensuing Board meeting.

- (b) M/s SEW Krishnagar Baharampore Highways Limited is BOT Annuity project and NHAI has been releasing annuities in the project after adjusting penalties (which is disputed by lenders). IIFCL has recovered Rs 95 lacs in current final year till Sep, 2023. Further, annuity of Rs 54 cr was due in July 2023 and IIFCL share in annuity

is Rs 9 crore which is yet to be received.

The process of resolution in the account was explored by way of selling it to ARC on consortium basis. Lead Bank (State Bank of India), has informed on assignment of their portion of debt to ARC (ACRE).

IIFCL, in line with Lead Bank, has initiated exploring the possibility to sell the asset to ARC on similar terms as that of Lead Bank. For this, valuation of the project is already initiated by IIFCL as per its NPA Management Policy.

Further, as per IIFCL's NPA Management policy Loan asset categorized as NPA for more than 5 years is to be reviewed periodically and a view to be taken on write-off based on intrinsic value of the asset, evaluation of circumstances etc.

As recovery in the form of Annuity from NHAI has started and another annuity is due in July 2023 which we may receive shortly, IIFCL has not written off the account.

- ii) As per the resolution plan approved during June 2022, under the OTS offer, IIFCL was to receive a total of Rs. 37.38 Crs (including Principal outstanding of Rs. 37.25 crs and Rs. 0.13 crs of Interest Overdues) as on 15.10.2018 in the account. Further, waiver of interest from 16/10/2018 till actual realization of OTS was given.

However, at the time of receipt of initial tranche of Rs. 27.38 crore, the same was appropriated against the interest and principal outstanding till December 2019.

Subsequently, the remaining tranche of Rs. 10.15 crore was received on 29.09.2022 which was adjusted completely against the principal outstanding.

Accordingly, there is a Principal outstanding of Rs. 4.74 crore.

Since, we have received the complete amount as proposed under OTS approved by MIC, the account is being reconciled.

**COMMENTS OF THE C&AG UNDER SECTION 143(6) (B) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF IIFCL FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2023**

**A.1 Consolidated Balance Sheet**

**A.1.1 Liabilities and Equity**

**Non-Financial Liabilities – Other Non-Financial Liabilities (Note No. 19)**

**Sundry Liabilities Account (Interest Capitalisation): ₹301.03 crore**

**Interest Income (Note No. 22): ₹4,680.17 crore**

A reference is invited to Modified Independent Auditor's Report for the Financial Year 2020-21 (based on C&AG's observations) wherein it was pointed out that Profit before Tax was understated by ₹459.15 crore and Sundry Liabilities were overstated by the same amount due to reversal of interest income which accrued during the moratorium period on term loans. India Infrastructure Finance Company Limited (IIFCL, the Company) did not take any corrective action during FY 2021-22, and it was commented (vide comment no. The Company, during current year i.e., FY 2022-23, received deferred interest income ₹107.01 crore which has been recognised as income on cash basis, however, the balance interest income of ₹301.03 crore has not been recognised, resulting in non-compliance of accrual basis of accounting.

This has resulted in understatement of prior period interest income by ₹408.04 crore, overstatement of Sundry Liabilities Account (Interest Capitalization) by ₹301.03 crore and other income by ₹107.01 crore. Consequently, Profit for the year is also understated by ₹301.03 crore.

## A.1.2 Assets

**Financial Assets – Loans (Note No. 5): ₹50,823.34 crore**

### Liabilities

**Non-Financial Liabilities - Provisions (Note No. 18): ₹3,766.95 crore**

- (i) A reference is invited to the Significant Accounting Policy No. 5.3(a) for De-recognition of financial assets which stipulates that, Projects where Concession Agreement (CA) has been terminated by the Project Authority, loan account is derecognized in the financial year in which the contract is terminated. Further, Policy 5.3(d) stipulates that, “A loan asset other than cases under Strategic Debt Restructuring Scheme (SDR), Scheme for Sustainable Structuring of Stressed Assets (S4A), Outside Strategic Debt Restructuring (SDR) scheme applicable as per RBI Regulations and considered withdrawn pursuant to RBI Notification No. RBI/131 DBR No. BP.BC.101/21.04.048/2017-18 dated February 12, 2018 or any other mutually agreed restructuring/settlement process shall be derecognized in case the loan asset has been categorized as Non-Performing Asset (NPA) for more than 5 years or the scheduled commercial operations of the project have been delayed for more than 4 years unless any substantive offer for sale/realization of loan asset is available”.

- (a) Loan account of M/s Indore Dewas Tollways Limited (IDTL) was overdue with IIFCL (the Company) and turned into Non-Performing Asset on 31<sup>st</sup> December, 2019. Principal outstanding against IDTL is ₹116.02 crore as on 31<sup>st</sup> March, 2023 against which provision of ₹93.61 crore (80.68 per cent) has been made. Project Authority (National Highways Authority of India) also terminated the Project on 16<sup>th</sup> December 2022 citing various faults on the part of the Concessionaire (IDTL). Lenders have filed a joint suit for debt recovery which is pending at Debt Recovery Tribunal, Hyderabad.

Though there was no substantive offer available for realization of loan asset, the same has not been derecognized which resulted in non-compliance to the aforesaid significant Accounting Policy and conservatism principle of accounting.

This has resulted in overstatement of loans by ₹116.02 crore, Provisions by ₹93.61 crore and Profit for the year by ₹22.41 crore (₹116.02 crore minus ₹93.61 crore).

- (b) IIFCL (the Company) sanctioned (May 2011) a loan of ₹100 crore (disbursed ₹99.82 crore) to M/s SEW Krishnagar Baharampore Highways Limited (SKBHL) for development of 78 km long stretch from Krishnagar to Baharampore in West Bengal on Design, Build, Finance, Operate & Transfer Annuity basis with schedule Commercial Operation Date (COD) of July 2014. However, SKBHL could not service the dues of IIFCL due to substantial delay in Project and the Loan account turned into Non-Performing Asset on 30<sup>th</sup> June 2018. Provisional COD was achieved in February 2020 with a delay of five and half years and COD is not yet achieved. Principal outstanding against SKBHL is ₹99.82 crore as on 31<sup>st</sup> March 2023 against which provision of ₹78.99 crore (79.13 per cent) has been made.

State Bank of India (the lead Bank) has sold (July 2023) its share to an Asset Reconstruction Company (M/s ACRE). IIFCL is also exploring possibility of selling its share on the similar lines.

Though there was no substantive offer available for realization of loan asset, the same has not been derecognized which resulted in non-compliance to the aforesaid significant Accounting Policy and conservatism principle of accounting.

This has resulted in overstatement of loans by ₹99.82 crore, Provisions by ₹78.99 crore and Profit for the year by ₹20.83 crore (₹99.82 crore minus ₹78.99 crore).

- (ii) IIFCL (the Company) sanctioned a loan of ₹109.23 crore (₹44 crore under Direct lending and ₹65.23 crore under Take-Out Finance scheme) to East Hyderabad Expressway Limited (EHEL) to design, construct, develop, finance, operate and

maintain eight lane access control Expressway Project in Hyderabad. The account turned (31<sup>st</sup> March 2019) Non-Performing Asset due to moratorium imposed by National Company Law Appellate Tribunal .

IIFCL accepted (17<sup>th</sup> June 2022) the One Time Settlement (OTS) proposal for its share of ₹37.38 crore of which ₹27.38 crore was already recovered and balance ₹10 crore was to be recovered from the funds available in the Escrow account. The Company received the same on 29<sup>th</sup> September 2022, and issued 'No Dues Certificate' to EHEL on 01<sup>st</sup> December 2022.

However, Principal amount of ₹4.74 crore is still shown as outstanding against EHEL as on 31<sup>st</sup> March 2023, against which provision of ₹2.10 crore has been made.

This has resulted in overstatement of Loan by ₹4.74 crore, Provision by ₹2.10 crore and Profit for the year by ₹2.64 crore (₹4.74 crore minus ₹2.10 crore).

### Management Comments:

#### A.1.1

The accounting treatment followed by IIFCL in current year has been consistent and on lines similar with the treatment of the previous year with adequate disclosure in the Notes to Accounts.

- a. Post receiving the comments from the Office of C&AG during FY 2021-22, IIFCL has given due consideration to the comments and accordingly, the conduct of all such Borrowers' account who were granted COVID Moratorium was reviewed.
- b. IIFCL also obtained an independent opinion from an external CA firm in May 2022 in this regard. Accordingly IIFCL continued with consistent and prudent practice of treatment of unrecognized interest income on loan cases for the moratorium period on realization basis as the guidance from RBI is yet to be provided in the matter. The fact has been disclosed in the in the notes to accounts for FY 2022-23.
- c. On above lines, IIFCL has recognized revenue of Rs. 107.01 crores during 2022-23 vis a vis Rs. 60.46 Crores in last year reflecting the interest relating to moratorium period, which was realized during the year. Thus the accounting treatment was in line with the stand taken in FY 2021-22.

Therefore Principle of Consistency has been followed in the treatment of the subject items in the current year on lines similar to the previous year.

#### A.1.2

- i) (a) The account of M/s Indore Dewas Tollways Limited turned NPA in the books of IIFCL on 31<sup>st</sup> December, 2019. Further, the Authority (NHAI) has terminated the Concession Agreement vide letter dated 16<sup>th</sup> December, 2022.

The project has achieved PCOD and eligible for the termination payment. IIFCL is regularly following up with the Lead Bank (Union Bank of India)/Borrower/NHAI to expedite release of termination payment.

The concessionaire has raised termination claim of Rs 637 crores due to Authority default as per Concession Agreement clause 37.2.2. However, the Arbitration Tribunal has been constituted under Arbitration and Conciliation Act to decide on the final amount of Termination payment. Proceedings of the same are underway

Further, the Corporate Guarantor M/s Gayatri Projects Limited, has been admitted in NCLT vide order dated 15<sup>th</sup> November, 2022. Resolution in NCLT is also expected as some resolution plans have been received by the Resolution Professional.

It is pertinent to mention that ECL exercise is carried out based on the estimated cash flow in the project which is normally higher than the provisioning norms prescribed by RBI in NPA Accounts.

In the instant case, the estimated cash flows were considered on the basis of expected termination payment/Arbitration from NHAI.

Further, as per IIFCL's NPA Management policy Loan asset categorized as NPA for more than 5 years is to be reviewed periodically and a view to be taken on write-off, if need be, based on intrinsic value of the asset, evaluation of circumstances etc.

In view of the above, it may be noted that the recovery in the account is expected in the form of termination payment from NHAI, the asset being a completed road project and also by way of resolution in NCLT of Corporate Guarantor. Further, IIFCL has recovered Rs 32.47 crores by way of toll proceeds after the account turned NPA. Therefore, IIFCL has not written off the account in FYE 2023.

As presently project is in Arbitration tribunal, which generally takes 1-2 years to resolve, we have placed proposal to the IIFCL's Board to fully write off the account in ensuing Board meeting.

- (b) M/s SEW Krishnagar Baharampore Highways Limited is BOT Annuity project and NHAI has been releasing annuities in the project after adjusting penalties (which is disputed by lenders). IIFCL has recovered Rs 95 lacs in current final year till Sep, 2023. Further, annuity of Rs 54 cr was due in July 2023 and IIFCL share in annuity is Rs 9 crore which is yet to be received.

The process of resolution in the account was explored by way of selling it to ARC on consortium basis. Lead Bank (State Bank of India), has informed on assignment of their portion of debt to ARC (ACRE).

IIFCL, in line with Lead Bank, has initiated exploring the possibility to sell the asset to ARC on similar terms as that of Lead Bank. For this, valuation of the project is already initiated by IIFCL as per its NPA Management Policy.

Further, as per IIFCL's NPA Management policy Loan asset categorized as NPA for more than 5 years is to be reviewed periodically and a view to be taken on write-off based on intrinsic value of the asset, evaluation of circumstances etc.

As recovery in the form of Annuity from NHAI has started and another annuity is due in July 2023 which we may receive shortly, IIFCL has not written off the account.

- ii) As per the resolution plan approved during June 2022, under the OTS offer, IIFCL was to receive a total of Rs. 37.38 Crs (including Principal outstanding of Rs. 37.25 crs and Rs. 0.13 crs of Interest Overdues) as on 15.10.2018 in the account. Further, waiver of interest from 16/10/2018 till actual realization of OTS was given.

However, at the time of receipt of initial tranche of Rs. 27.38 crore, the same was appropriated against the interest and principal outstanding till December 2019.

Subsequently, the remaining tranche of Rs. 10.15 crore was received on 29.09.2022 which was adjusted completely against the principal outstanding.

Accordingly, there is a Principal outstanding of Rs. 4.74 crore.

Since, we have received the complete amount as proposed under OTS approved by MIC, the account is being reconciled.

## MODIFIED INDEPENDENT AUDITOR'S REPORT\*

**To the members of India Infrastructure Finance Company Limited\***  
**(Modified based on the observations of C&AG of India)**

### Revised Report on the Audit of the Standalone Financial Statements

#### Qualified Opinion

We have audited the standalone financial statements of India Infrastructure Finance Company Limited ("the Company"), which comprises of Standalone Balance Sheet as at 31<sup>st</sup> March 2023, the Standalone Statement of Profit and Loss (Including other comprehensive income), the Standalone Statement of changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information. We had issued the Independent Auditors Report dated 15<sup>th</sup> May 2023 on the financial statements of the company for the financial year ended 31<sup>st</sup> March, 2023 as approved by the Board of Directors of the Company in their meeting held on 28<sup>th</sup> May 2023. In furtherance to provisional observations of the Comptroller and Auditor General of India, we are issuing this revised Independent Auditor's Report by amending clause 3 (f), Annexure 'A' clause (iii) (c) & (d), Annexure 'A' clause (ix) (e) & (f), Annexure 'A' (vii) (b) & Annexure 'C' of the previous audit report. This report supersedes the previous audit report dated 15<sup>th</sup> May 2023.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the basis for qualified opinion section of our audit report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2023 and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Qualified Opinion

Investment in India Infrastructure Finance Company (UK) Limited, a subsidiary company, has been valued at carrying cost i.e., Rs 61,180.95 Lakh. As per the financial statements of the Subsidiary Company as of March 2023, Net Worth of the subsidiary company in UK has eroded. In the opinion of the management, the financial statements of the subsidiary in UK are prepared on going concern basis and as explained to us, assessment of fair value of the investment in subsidiary company in UK cannot be ascertained. Therefore, in the absence of fair valuation in the subsidiary company, we are unable to comment upon the impact of the impairment, if any, on the Statement of Profit and Loss Account, the reserve and investment (amount unascertained).

#### Modification have been marked as \*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our qualified opinion.

### Emphasis of Matter

- We draw attention to Note 1(B)(35) & 4 of the standalone financial statements that explains the pending reconciliation of Rs 2998.21 Lakh that has arisen due to a technical glitch in ERP/ SAP. The management is in the process of resolving the same. Financial impact (if any) of the aforesaid pending reconciliation can be determined only post reconciliation.

In the opinion of the management, the impact, if any, will not be material consequent to such reconciliation.

- We draw attention on the foot note given in Note No.4 of Loan assets w.r.t non-netting of the Provisioning/Impairment on Loan Assets from amount of loan assets as per RBI master directions.

Our opinion is not modified in respect of this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Sl. No. | Key Audit Matter  | How our audit addressed the Key Audit Matter   |
|---------|---|--|
| 1.      | Impairment of loans and Advances to customers.  |  |
|         | Please refer to the accounting policies in Note 1 (A) 5.7.to the Standalone financial statements: Impairment of Financial Assets, Note No1(A)16 to the standalone financial statements:Critical accounting assumptions and estimates and Note 4to the standalone financial statements: Loans.   |  |
|         | <p>The impairment of loans is based on Expected Credit Loss (ECL) Model as per Ind As 109- Financial Instruments. The Company's impairment allowance is based on certain management estimates including the historical default rates and loss ratio.</p> <p>The recognition and measurement of impairment loss of loans and advances involves significant management judgement. The areas where management has exercised significant judgements are:</p> <ul style="list-style-type: none"> <li>• Loan Staging Criteria.</li> <li>• Calculation of probability of default/ loss given default</li> <li>• Determination of exposure of default</li> <li>• Consideration of probability weighted scenarios and forward looking macro-economic factors.</li> </ul> <p>The applicability of ECL model requires huge data input. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model.</p> | <p>In view of the significance of the matter, we applied the following audit procedures in this area, among others to obtain sufficient audit evidence:</p> <p>Testing of design and operating effectiveness of controls:<br/>Performing end to end process walkthrough to identify the key systems, applications and controls used in computation of ECL. Testing the relevant manual (including spreadsheet controls), general IT and applications controls over key systems used in computation of ECL.</p> <p>Key aspects of our controls testing involved the following:<br/>Testing the design and operating effectiveness of the key controls over the completeness and accuracy of the key inputs, data and assumptions into the Ind AS 109 impairment models.</p> |

| Sl. No. | Key Audit Matter  | How our audit addressed the Key Audit Matter   |

|         | <p>The IT environment of the Company is complex and involves a number of independent and interdependent IT systems used in the operations of the Company for processing and recording a large volume of transactions. As a result, there is a high degree of reliance and dependency on such IT systems for the financial reporting process of the Company.</p> <p>Appropriate IT general controls and IT application controls are required to ensure that such IT systems are able to process the data as required, completely, accurately, and consistently for reliable financial reporting.</p> <p>We have identified certain key IT systems which have an impact on the financial reporting process and the related control testing as a key audit matter because of the high level of automation, significant number of systems being used by the Company for processing financial transactions, the complexity of the IT architecture and its impact.</p> | <p>Our procedures included:</p> <ul style="list-style-type: none"> <li>• Evaluated the design and tested the operating effectiveness of key IT application controls within key business processes, which included testing automated calculations, automated accounting procedures, system interfaces, system reconciliation controls.</li> <li>• Evaluated and tested relevant IT general controls and IT application controls of the IT systems identified as relevant for our audit of the Company's standalone financial statements and financial reporting process of the Company.</li> </ul> |

## **Information other than the Standalone Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information contained in the Company's Annual Report but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

## **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could

reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matters

1. India Infrastructure Finance Pvt Ltd is a financial institution operating under the purview of the RBI. The Master Direction DNBR.PD.008/03.10.119/2016-17 updated on 29<sup>th</sup> December 2022 issued by the RBI, defines infrastructure finance company vide para 3 (xvi) as follows :

“Infrastructure Finance Company” means a non-deposit taking NBFC that fulfils the following criteria:

- (a) a minimum of 75 % of its total assets deployed in “infrastructure loans”;
- (b) Net owned funds of ₹300 crore or above;
- (c) minimum credit rating of ‘A’ issued by any of the SEBI-registered Credit Rating Agencies; and
- (d) CRAR of 15 per cent (with a minimum Tier I capital of 10 per cent).

Based on our audit procedures carried out for the year, analysis of the audited financial statements as at the year end and the calculations required therefor, we have observed that India Infrastructure Finance Pvt Ltd has complied with the principal business criteria with respect to maintenance of a minimum of 75% of its total assets deployed in infrastructure loans as defined vide para 3(xvi)(a) of the Master Direction DNBR.PD.008/03.10.119/2016-17 updated on 29<sup>th</sup> December 2022 by the RBI without the investments in recapitalisation bonds and netting off overdraft against bank deposits being considered in the computation.

In case the investments in recapitalisation bonds and overdraft against bank deposits been considered, the company would not have met the specified criteria 3(xvi)(a) as defined in the above paragraph as at the balance sheet date i.e. the 31<sup>st</sup> of March 2023 in this case the Company has maintained 71.06% of the total assets deployed in infrastructure loans against the prescribed regulatory limit of 75%.

2. As explained to us, the appointment of requisite number of women director under section 149(1) of The Companies Act, 2013 are awaited from Ministry of Finance. Accordingly the Board remained constituted without complying with the requirements of the aforesaid section. Furthermore, the appointment of independent directors under section 149(1) of The Companies Act, 2013 were made on 10<sup>th</sup> May 2023 via order no F.NO.18/7/2022-IF-I from Ministry of Finance.
3. As per guidelines of the Department of Investment and Public Asset Management, the company is supposed to pay minimum annual dividend of 30% of profit after tax or 5% of net worth of CPSEs, whichever is higher subject to maximum dividend permitted under the extant legal provisions. However, IIFCL vide letter dated 19 September 2019 has requested Government for exemption from payment of dividend up to financial year 2021-22. The reply to the letter from Government is awaited. Furthermore, No Dividend has been proposed for the financial year 2022-23.

**Our opinion is not modified with respect to the above matters.**

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. Except for the effects of the matter described in the Basis of Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss, the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
  - d. Except for the effects of the matter described in the Basis of Qualified Opinion paragraph above, in our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended.
  - e. As per notification number G.S.R. 463(E) dated June 5, 2015 issued by Ministry of Corporate Affairs, Section 164(2) of the Act regarding the disqualifications of Directors is not applicable to the Company, since it is a Government Company;
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g. The company being a Government company, the provisions of section 197 read with Schedule V to the act are not applicable. Accordingly, reporting under Section 197(16) of the Companies Act, 2013 is not applicable to the Company.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - a) The Company has disclosed the impact of pending litigations on its financial position in its financial statement as referred to in Note 1(B)(9) to the standalone financial statements.
  - b) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material mis-statement.

## **Annexure “B” to the Independent Auditors’ Report on the financial statements of India Infrastructure Finance Company Limited for the year ended 31st March 2023**

(Referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” section of the Independent Auditor’s Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of INDIA INFRASTRUCTURE FINANCE COMPANY LIMITED. (“The Company”) as of 31st March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. The following material weakness has been identified and included in management's assessment:

The ERP is in the process of stabilization and integration to automatically record all the accounting transactions due to which certain transactions such as, computation of Impairment Loss and provision of doubtful debts on loans, categorisation of Advances/Reclassification of Assets as per prudential norms issued by RBI, Computation of foreign currency Gain/Loss in foreign currency transactions, Hedged Contracts, are computed after extracting the data from the SAP (ERP) .

## Opinion

In our opinion, the Company has except the above mentioned paragraph, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

  - d. Defined benefit plans – plan assets measured at fair value.

All of which have been measured at fair value as required or allowed by relevant Ind AS. The financial statements are presented in Indian Rupees and all values are rounded to the nearest Rupees Lakh, except when otherwise indicated.

- 1.2 Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumption that affect the reported amounts of assets and liabilities and disclosure thereof at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which results materialize.

IIFCL has not made any assumption about the future, and other major sources of estimation uncertainty at the end of the reporting period that have a significant risk of resulting in a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

#### **2. Statement of compliance**

The financial statements of IIFCL are prepared on going concern basis and in accordance with the requirements of Ind AS notified by the Ministry of Corporate Affairs, Government of India under the Companies (Indian Accounting Standards) Rules, 2015 vide Gazette notification no. G.S.R.111(E) dated 16<sup>th</sup> February 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016, vide Gazette notification no. G.S.R.365(E) dated 30<sup>th</sup> March 2016.

These IND AS financial statements are prepared from Ind AS transition date for adoption of Ind AS by IIFCL for use as comparative financial statements and are not intended for any other purpose.

### **3. Presentation of financial statements**

Financial assets and financial liabilities are generally reported at gross value in the Balance Sheet. They are only offset and reported at net value when, in addition to having an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the IIFCL and/or its counterparties

Derivative assets and liabilities with master netting arrangements (e.g. ISDAs) are only presented at net value when they satisfy the eligibility of netting for all of the above criteria and not just in the event of default.

### **4. Recognition Of Income / Expenditure**

- 4.1. For all financial instruments measured at amortized cost, interest bearing financial assets classified as available-for-sale and financial instruments designated at FVTPL, interest income or expense is recorded using the EIR. The calculation takes into account all of the contractual terms of the financial instrument (for example, prepayment options) and includes any fees or incremental costs that are directly attributable to the instrument and are an integral part of the EIR, but not future credit losses. When the recorded value of a financial asset or a group of similar financial assets has been reduced by an impairment loss, interest income continues to be recognized using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss.
- 4.2. Upfront fee income on loans granted is considered as income on an accrual basis in cases where loan documents have been signed on the allocated amount.
- 4.3. Commitment charges on loans taken by the company are accounted for as an expense when the draw down of loan is less than the sanctioned amount of loan as per the Loan agreement.
- 4.4. Recoveries in borrower's accounts are appropriated as per the respective loan agreements.
- 4.5. The recovery from loan assets written off are treated as income in the year of receipt of recovery.
- 4.6. Dividend is accounted on an accrual basis when the right to receive the dividend is established. However, the right to receive the final dividend arises only on approval thereof by the shareholders in the Annual General Meeting.
- 4.7. Income/Expenditure relating to a prior period, which does not exceed 0.1% of the total income, are treated as income/expenditure of the current year.
- 4.8. Partial Credit Enhancement Guarantee fee is recognized in the accounting year on an accrual basis when a reasonable right of recovery is established. Any Partial Credit Enhancement Guarantee fee received in advance is deferred and is recognized as income over the period of accrual.

- 4.9. Income including interest/discount or any other charges on Non-Performing Assets (NPA) is recognized only when it is actually realized. Any such income recognized before the asset became non-performing and remaining unrealized is reversed.
- 4.10. Interest on Income Tax refund is accounted on actual basis, i.e. treated as income in the year of receipt of Income Tax Refund.

## **5. Financial instruments:**

### **5.1. Recognition and Initial Measurement:**

The company initially recognizes financial assets and financial liabilities on the settlement date. A financial asset or financial liability is measured initially at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue.

### **5.2. Classification:**

#### **A. Financial Assets:**

Financial assets of the Company comprise cash and cash equivalents, bank balances, investments in equity shares of companies other than in subsidiaries & joint ventures, loans to subsidiaries/employees, advances to employees, security deposit, claims recoverable etc.

On initial recognition, a financial asset is classified:

#### **a) Amortized Cost:**

Financial Instruments are measured at amortized cost where they have:

- contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding; and
- Are held within a business model whose objective is achieved by holding to collect contractual cash flows.

These instruments are initially recognized at fair value plus directly attributable transaction costs, impact of which exceeds 0.5% of the total income. The measurement of credit impairment is based on the three-stage expected credit loss model described in Note 6.7 Impairment of financial assets.

#### **b) Fair Value through Other Comprehensive Income(OCI):**

Financial Instruments are measured at fair value through other comprehensive income where they have:

- contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding; and
- Are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- These instruments are initially recognised at fair value plus directly attributable transaction costs and subsequently measured at fair value. Gains and losses arising from changes in fair value are included in other comprehensive income within a separate component of equity. Impairment losses or reversals, interest revenue and foreign exchange gains and losses are recognised in profit and loss. Upon disposal, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to the income statement. The measurement of credit impairment is based on the three-stage expected credit loss model as applied to financial assets at amortised cost. The expected credit loss model.

**c) Fair Value through Profit and Loss:**

- Items held for trading;
- Debt instruments with contractual terms that do not represent solely payments of principal and interest.

Financial instruments held at fair value through profit or loss are initially recognised at fair value, with transaction costs recognised in the income statement as incurred. Subsequently, they are measured at fair value and any gains or losses are recognised in the income statement as they arise. Where a financial asset is measured at fair value, a credit valuation adjustment is included to reflect the credit worthiness of the counterparty, representing the movement in fair value attributable to changes in credit risk.

**Financial instruments held for trading**

A financial instrument is classified as held for trading if it is acquired or incurred principally for the purpose of selling or repurchasing in the near term, or forms part of a portfolio of financial instruments that are managed together and for which there is evidence of short-term profit taking, or it is a derivative not in a qualifying hedge relationship.

In addition, on initial recognition, IIFCL may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL, if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

**d) Equity instruments**

Investment in equity instruments that are neither held for trading nor contingent consideration recognised by IIFCL in a business combination to which IND AS 103 'Business Combination' applies, are measured at fair value through other comprehensive income, where an irrevocable election has been made by management. Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

All other financial assets are classified as measured at FVTPL.

**Subsequent measurement**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method, impact of which exceeds 0.5% of the total income.

Financial assets at fair value through other comprehensive income are measured at each reporting date at fair value. Fair value changes are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the income statement.

**Reclassifications**

Financial assets are not reclassified subsequent to their initial recognition, except in the period after IIFCL changes its business model for managing financial assets.

## **B. Financial Liabilities**

Financial liabilities of the Company are contractual obligation to deliver cash or another financial asset to another entity or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company.

### **Classification, initial recognition and measurement**

Financial liabilities are recognised initially at fair value minus transaction costs that are directly attributable to the issue of financial liabilities, impact of which exceeds 0.5% of the total income. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate (EIR). Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

### **Subsequent measurement**

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit or Loss when the liabilities are derecognized as well as through the EIR amortization process. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

### **Defining contractual cash flows solely payments of principal and interest:**

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as profit margin.

## **C. Derivative financial instruments:**

Derivative financial instruments are contracts whose value is derived from one or more underlying price, index or other variable, and typically comprise of instruments such as swaps, forward rate agreements, futures and options. IIFCL enters into derivative financial instruments in nature of hedging contacts to mitigate risk due to variation in foreign exchange rate where applicable involved in foreign currency borrowings of these contracts recognised in the balance sheet at fair value and are classified as trading except where they are designated as a part of an effective hedge relationship and classified as hedging derivatives. The carrying value of a derivative is re measured at fair value throughout the life of the contract. Derivatives are carried as assets when the fair value is positive and as liabilities when the fair value is negative.

- a. Wherever the company has entered into forward contract or an instrument i.e., in substance of a forward exchange contract, the difference between the forward rate and the exchange rate on the date of forward exchange contract is recognized as income or expenses over the life of the contract as per Ind AS-21.
- b. Hedging taken on foreign currency loans is adjusted on FIFO basis after adjusting for the Loans given in foreign currency (i.e. natural hedge).
- c. Any profit or loss arising on cancellation or renewal of forward exchange contracts including interest rate swaps is recognized as income or as expense for the year.
- d. In respect of interest rate swap transactions in JPY Yen entered by the company, the company is providing mark to market loss as on Balance Sheet Date.

- e. The surplus or deficit on account of difference in spot exchange rate at the inception of forward contract and repayment of underlying foreign currency loan obligation recovered from or paid to counter party respectively as per the hedging contract is recognized as gain or loss at the time of repayment of such loan.
- f. The foreign currency loan (which is an underlying transaction) and the swap contract (to hedge against any loss arising on the aforesaid loans) are treated as separate transactions.
- g. Foreign currency borrowings are restated as per Indian Accounting Standard (Ind AS 21), The Effects of Changes in Foreign Exchange rates.

The guidance note on “Accounting for Derivative Contracts” issued by the ICAI in June 2015, is applied by the company from Financial year ended 31<sup>st</sup> March 2017. Any change in exchange rate, on amount of foreign currency borrowing as on reporting date since previous reporting date and from the date of drawdown borrowing during the period, is set off against Fair Value of Derivative Contracts and any gain or loss is recognized as Cash Flow Hedge Reserve. Fair Value of Derivative Contracts are provided by the respective Counter parties.

As per the Guidance Note, under a cash flow hedge, the hedging instrument is measured at fair value, but any gain or loss that is determined to be an effective hedge is recognized in equity, e.g., Cash Flow Hedge Reserve. This is intended to avoid volatility in Statement of Profit & Loss in a period when the gains or losses on the hedged items are not realized therein.

### **5.3. De-recognition:**

#### **Financial assets**

IIFCL derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the IIFCL neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

#### **In addition to above, in case of Loan Assets:**

- (a) Projects where Concession Agreement (CA) has been terminated by the Project Authority, account is derecognized in the financial year in which the contract is terminated.
- (b) Projects where Concession Agreement (CA) has been terminated by the Concessionaire, impairment is made on the basis of merits and facts of the case.
- (c) In cases where certain value of financial asset can be attached based on valuation report/ offer from Asset Reconstruction Companies etc., impairment is made to the extent of shortfall.
- (d) A loan asset other than cases under Strategic Debt Restructuring Scheme (SDR), Scheme for Sustainable Structuring of Stressed Assets (S4A), Outside Strategic Debt Restructuring (SDR) scheme applicable as per RBI Regulations and considered withdrawn pursuant to RBI Notification No. RBI/131 DBR No. BP.BC.101/21.04.048/2017-18 dated February 12, 2018 or any other mutually agreed restructuring/settlement process shall be derecognized in case the loan asset has been categorized as Non-Performing Asset (NPA) for more than 5 years or the scheduled commercial operations of the project have been delayed for more than 4 years unless any substantive offer for sale/realization of loan asset is available.

On de-recognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognized) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in the statement of profit and loss.

Any cumulative gain/loss recognised in OCI in respect of equity investment securities designated as at FVOCI is not recognised in the statement of profit and loss on de-recognition of such securities. Any interest in transferred financial assets that qualify for de-recognition that is created or retained by the company is recognised as a separate asset or liability.

### **Financial liabilities**

The IIFCL derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of Profit and Loss as other income or finance cost.

An exchange between an existing borrower and lender of debt instruments with substantially different terms shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability or a part of it (whether or not attributable to the financial difficulty of the debtor) shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

#### **5.4. Modification:**

##### **Financial assets**

If the terms of a financial asset are modified, the company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is de-recognised and a new financial asset is recognised at fair value.

If the cash flows of the modified asset carried at amortised cost are not substantially different, then the modification does not result in de-recognition of the financial asset. In this case, the company recalculates the gross carrying amount of the financial asset and recognizes the amount arising from adjusting the gross carrying amount as a modification gain or loss in the statement of profit and loss. The gross carrying amount of the financial asset shall be recalculated as the present value of the renegotiated or modified contractual cash flows that are discounted at the financial asset's original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets) or, when applicable, the revised effective interest rate. If such a modification is carried out because of financial difficulties of the borrower, then the gain or loss is presented together with impairment losses. In other cases, it is presented as interest income.

#### **5.5. Fair Value Measurement**

A significant portion of financial instruments are carried on the balance sheet at fair value.

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the company has access at that date. The fair value of a liability reflects its non-performance risk.

When one is available, the company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis.

If there is no quoted price in an active market, then the IIFCL uses valuation techniques that maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

The best evidence of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the IIFCL determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique for which any unobservable inputs are judged to be insignificant in relation to the measurement, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently, that difference is recognised in the statement of profit and loss on an appropriate basis.

The fair value of a financial liability with a demand feature (e.g. a demand deposit) is the amount payable on demand.

Unquoted equities are fair valued based on the below approach, in the order of hierarchy in which they appear, depending on the availability of the information available with the IIFCL:

- a. Break-up value of the investee entity from the company's latest available financial statements.
- b. At rupee one, if the latest financial statement is not available.

Units of Infrastructure Debt Funds & Alternate Investment Funds are valued as per latest available Net Asset Value. Security Receipts are valued as per latest available Net Asset Value or Book Value, whichever is lower.

## **5.6. Valuation techniques for Fair Value Measurement**

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarized below:

- Level 1 financial instruments –Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the company has access to at the measurement date. The company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.
- Level 2 financial instruments –Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities, and credit spreads. In addition, adjustments may be required for the condition or location of the asset or

the extent to which it relates to items that are comparable to the valued instrument. However, if such adjustments are based on unobservable inputs which are significant to the entire measurement, the IIFCL will classify the instruments as Level 3.

- Level 3 financial instruments – Those that include one or more unobservable input that is significant to the measurement as whole.

## 5.7. Impairment of financial assets

IIFCL applies a three-stage approach to measuring expected credit losses (ECLs) for the following categories of financial assets that are not measured at fair value through profit or loss:

- Debt instruments measured at amortised cost and fair value through other comprehensive income;
- Loan commitments; and
- Financial guarantee contracts.

No ECL is recognized on equity investments.

Financial assets are classified through the following three stages based on the change in credit risk since initial recognition:

### Stage 1: 12-months ECL

All exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired since origination are classified under this stage.

### Stage 2: Lifetime ECL – not credit impaired

All exposures where there has been a significant increase in credit risk since initial recognition but are not credits impaired are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk.

### Stage 3: Lifetime ECL – credit impaired

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

Calculation of Expected Credit Loss(ECL) on Loan Assets shall be minimum of Provisioning requirements as per RBI regulations which is as under:

- Standard Assets: General Provision is made on outstanding amount of loans, including on interest accrued but not due at the year end at 0.40%.
- Sub-Standard Assets: A general provision of 10 percent of total outstanding amount is made.
- Doubtful Assets
  - 100 percent provision to the extent to which the advance is not covered by the realizable value of the security to which the company has a valid recourse is made.

- (b) In addition to item (a) above, depending upon the period for which the asset has remained doubtful, provision to the extent of 20 percent to 50 percent of secured portion i.e. estimated realizable value of the outstanding, is made on the following basis:

| Period for which the asset has been considered as doubtful | Percentage of provision |
|--|-------------------------|
| Up to one year   | 20                      |
| One to three years   | 30                      |
| More than three years                                      | 50                      |

**(iv) Loss Assets**

The entire asset is written off, however if the assets are permitted to remain in the books for any reason, 100 percent of the outstanding is provided for.

- (v) Restructured loan Assets

For the following cases, the provisioning against Restructured Standard Assets will be as per RBI norms, including provision on diminution in fair value:

- (a) Project loans restructured w.e.f. January 24, 2014, provisioning will be at the rate of 5%.
- (b) Stock of restructured outstanding loans as on January 23, 2014 to all companies (as per

RBI in case of stock of outstanding restructured loan, the provision is at 5%.

Determining the stage for classification of a financial asset

At each reporting date, all financials assets are classified in to the three stages based on the significant increase in credit risk for exposures since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition. The company considers reasonable and supportable information that is relevant and available without undue cost or effort for this purpose.

An exposure will move from stage 1 through stage 3 as asset quality deteriorates. If, in a subsequent period, asset quality improves and also reverses any previously assessed significant increase in credit risk. Exposures that are less than 30 days past due are considered as stage 1.)

The provision for bad and doubtful debts for financial assets considered as stage 1 is based on a 12-month expected credit loss (ECL). Whereas the provision for bad and doubtful debts for financial assets considered as stage 2 and stage 3 is computed based on a life time ECL model. When an asset is uncollectible, it is derecognized against the related provision. Such assets are derecognised after all the necessary procedures have been completed and the amount of the loss has been determined.

However, there is a rebuttable presumption that default does not occur later than when a financial asset is 90 days past due unless an entity has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate. The definition of default used for these purposes is applied consistently to all financial instruments unless information becomes available that demonstrates that another default definition is more appropriate for a particular financial instrument.

Accordingly, an account will be deemed to have been credit impaired and is therefore be moved to stage 3, if any of the following events were to happen:

- The account is over 90 Days Past Due (DPD);
- IIFCL consents to a distressed restructuring of the credit obligation where this is likely to result in a diminished financial obligation caused by the material forgiveness, or postponement, of principal, interest or (where relevant) fees.

Days past due (DPD) is measured for the number of days interest and / or principal remains unpaid, a bill remains overdue, an account remains continuously over limit / drawing power, or the credit in the account is less than the interest charged in the account.

### **Low Credit risk Assumption**

Ind AS 101 - "Financial Instruments" states that "The credit risk on a financial instrument is considered low for the purposes of paragraph 5.5.10, if the financial instrument has a low risk of default, the borrower has a strong capacity to meet its contractual cash flow obligations in the near term and adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations. (para B5.5.22)" Further, while it has given the example of an external rating of 'investment grade' as having low credit risk, it acknowledges that financial instruments are not required to be externally rated to be considered to have low credit risk (para B5.5.23).

Accordingly an instrument is considered to be having low credit risk under the following situations:

- Zero unexpected loss as indicated by zero regulatory risk weight: Given that the unexpected loss estimated as per the regulatory risk-weights is 0%, the expected loss will also be zero. The ECL in such cases would be zero. Examples of such asset classes is domestic sovereign, foreign sovereigns with international rating of "AA" or better.
- Low unexpected loss as indicated by 20% regulatory risk weight: Given the low unexpected loss for portfolios corresponding to risk-weights of 20%, these will also have very low expected loss. However, ECL may be non-zero, or empirical evidence may show that default rates for such asset class / portfolio is zero. Examples of such asset classes are foreign sovereigns with international rating of "A", domestic scheduled IIFCLs (those failing regulatory requirement of capital adequacy are not low credit risk), externally rated domestic "AAA" corporates, staff loans. Observed default rates for these portfolios are also zero.

For the statements, all staff loans have been considered as low credit risk.

Level of segmentation in the portfolio used

Segmentation is aligned to the Internal Rating Based (IRB) models for the purpose of application of risk parameters. However, for forward looking estimates, the IIFCL may choose to group some of these sub-portfolios into broader categories or in some cases split them into sub-segments based on common risk drivers.

Measurement of ECLs

ECLs are derived from unbiased and probability-weighted estimates of expected loss, and are measured as follows:

- Financial assets that are not credit-impaired at the reporting date: as the present value of all cash shortfalls over the expected life of the financial asset discounted by

the effective interest rate. The cash shortfall is the difference between the cash flows due to the IIFCL in accordance with the contract and the cash flows that the IIFCL expects to receive.

- Financial assets that are credit-impaired at the reporting date: as the difference between the gross carrying amount and the present value of estimated future cash flows discounted by the effective interest rate.
- Undrawn loan commitments: as the present value of the difference between the contractual cash flows that are due to the IIFCL if the commitment is drawn down and the cash flows that the IIFCL expects to receive.
- Financial guarantee contracts: as the expected payments to reimburse the holder less any amounts that the IIFCL expects to recover.

ECLs are recognized using a provision for bad and doubtful debts account in Statement of Profit and Loss. In the case of debt instruments measured at fair value through other comprehensive income, the measurement of ECLs is based on the three-stage approach as applied to financial assets at amortised cost. IIFCL recognizes the provision charge in profit and loss, with the corresponding amount recognized in other comprehensive income, with no reduction in the carrying amount of the asset in the balance sheet.

#### **Impairment Reserve:**

As per the RBI circular RBI/2019-20/170 dated 13th March 2020, IIFCL shall hold impairment allowances as required by Ind AS. In parallel IIFCL shall also maintain the asset classification and compute provisions as per extant prudential norms on Income Recognition, Asset Classification and Provisioning (IRACP) including borrower/beneficiary wise classification, provisioning for standard as well as restructured assets, NPA ageing, etc.

Where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), IIFCL is required to appropriate the difference from their net profit or loss after tax to a separate 'Impairment Reserve'. The balance in the 'Impairment Reserve' shall not be reckoned for regulatory capital. Further, no withdrawals shall be permitted from this reserve without prior permission from the Department of Supervision, RBI.

#### **5.8. Accelerated Provisioning**

IIFCL, as a prudent lender, in addition to normal provisioning to be done under RBI guidelines/ Expected Credit Loss(ECL) calculated as per Ind AS 109, in terms of applying stipulated percentages for secured/unsecured portions depending on asset classification, as may be amended from time to time, considers accelerated provisioning on a case-to-case basis, depending on the expected recovery scenario.

Accelerated provisioning is proposed in such exceptional cases, wherein even though provisioning might be adequate as per extant RBI guidelines, however, in the view of the Management, there might be circumstances which could affect recovery prospects. In such cases, the Management takes a case-to-case view on accelerated provisioning as a prudent measure.

The accelerated provisioning depends broadly on the following parameters:

- Status of the project.
- Promoter's ability to infuse the funds.

- Tangible security, cash flow and concessions available.
- Steps taken by the consortium for recovery.
- Management's perception.

The provision to be made in the account ranges from 10% to 100% taking into consideration the factors mentioned above

## **6. Leasing**

Lease payments under an operating lease are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

## **7. Property, Plant and equipment**

Property, Plant and equipment is stated at cost of acquisition excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment in value.

Property, Plant and equipment are derecognized on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of Profit and Loss on the date asset is derecognized.

## **8. Intangible assets and Intangible Assets under development**

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

Subsequent expenditure on already capitalized Intangible assets is capitalized when it increases the future economic benefits embodied in an existing asset and is amortised prospectively.

The cost of software (which is not an integral part of the related hardware) acquired for internal use and resulting in significant future economic benefits is recognized as an intangible asset when the same is ready for its use.

Expenditure on development shall be recognised as Intangible asset if it meets the eligibility criteria as per Ind AS 38 'Intangible Assets', otherwise it shall be recognised as an expense.

An item of Intangible asset is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

## **9. Depreciation/ Amortization**

Depreciation is calculated using write down method value method to the cost of property and equipment to their residual values over their estimated useful lives. Useful life is considered as per Schedule II of Companies Act 2013.

The office premise of IIFCL has been amortized over the lease period of 30 years.

Amortization is calculated using the straight-line method to write down the cost of intangible assets to their residual values over their estimated useful lives. In case of lease asset, the estimated useful life is calculated on the basis of termination of lease period.

The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year-end. Changes in the expected useful life, or the expected pattern of consumption of future economic benefits embodied in the asset, are accounted for by changing the amortization period or methodology, as appropriate, which are then treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is presented as a separate line item in the income statement.

## **10. Impairment of non-financial assets**

IIFCL assesses at each reporting date to ascertain indication that a non-financial asset may be impaired. Impairment ascertained as per assessment is recognized as expense.

## **11. Letter of Comforts (LOCs)**

In the ordinary course of business, IIFCL issues Letter of Comforts (LoCs) to Banks, is generally to consortium members for issuing Letter of Credit/Financial Guarantee on behalf of lenders in favor of beneficiaries. LoCs are initially recognised in the financial statements within 'other liabilities') at fair value, being the premium received. Subsequent to initial recognition, the IIFCL's liability under each guarantee is measured at the higher of the amount initially recognised less cumulative amortization recognised in the income statement, and the best estimate of expenditure required to settle any financial obligation arising as a result of the guarantee. Any increase in the liability relating to financial guarantees is recorded in the income statement in credit loss expense. The premium received is recognised in the income statement in net fees and commission income on a straight line basis over the life of the guarantee.

## **12. Provisions and Contingencies**

Provisions are recognised when the IIFCL has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the effect of the time value of money is material, IIFCL determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of profit and Loss net of any reimbursement in other operating expenses.

A contingent liability is recognized and disclosed when there is:

- a) A possible obligation arising from a past event, the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Group; or
- b) A present obligation arising from the past event which is not recognised as it is not probable that the outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

Commitments include binding commitments to extend credit as per the agreements to lend to a customer so long as there is no violation of any condition established in the contract.

## **13. Taxes on Income**

### **13.1 Current Taxes**

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in India where IIFCL operates and generates taxable income.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit or loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### **13.2 Deferred Taxes**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the company's financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the Balance Sheet liability method. Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences,

unused tax losses and unused tax credits can be utilized. The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the Balance Sheet date.

## **14. Earnings per Share**

IIFCL presents basic and diluted EPS data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to the equity shareholders of the IIFCL by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss that is attributable to the equity shareholders and the weighted-average number of ordinary shares outstanding adjusted for the effects of all dilutive potential ordinary shares, which comprise share options granted to employees.

## **15. Employee Benefits**

- 15.1 All short term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.
- 15.2 The contribution towards Provident Fund deducted from remuneration of employees and employer contribution thereon is deposited with Regional Provident Fund Commissioner (RPFO).
- 15.3 Employee benefits under defined contribution plans comprising NPS are recognized on the undiscounted obligation of the company to contribute to the plan. The same is paid to the IDBI Bank, which is the Point of Presence (POP) service provider for NPS facility and are expensed relating to the period..

- 15.4 All post-employment and other long term employee benefits are recognized as an expense in Statement of profit and loss for the year in which the employee has rendered services. The expense is recognized at the present value of the amounts payable, determined using actuarial valuation technique.
- 15.5 Termination benefits are recognized as an expense immediately
- 15.6 Gain or loss arising out of actuarial valuation is recognized in the period in they occur in Other Comprehensive Income (OCI).
- 15.7 The employee benefits obligations i.e., sick leave, leave travel concession and Medical Assistance Scheme has been provided for the period up to date of reporting on the actuarial valuation of same.
- 15.8 Gratuity has been provided on the basis of amount payable to LIC on Group Gratuity Scheme through trust in the name of IIFCL Employees Group Gratuity Fund.
- 15.9 Leave Encashment has been provided on the basis of amount payable to LIC Group Leave Encashment Plan.
- 15.10 Provision for leave encashment, gratuity and sick leave of Executive Directors wherever applicable as per terms of appointment is accrued and made on the basis of estimated amount of liability.

## **16. Critical accounting assumptions and estimates**

The application of the IIFCL's accounting policies requires the use of judgements, estimates and assumptions. If different assumptions or estimates were applied, the resulting values would change, impacting the net assets and income of the IIFCL. Assumptions made at each reporting date are based on best estimates at that date. Although IIFCL has internal control systems in place to ensure that estimates are reliably measured, actual amounts may differ from those estimates. Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. The accounting policies which are most sensitive to the use of judgement, estimates and assumptions are specified below.

### **• Fair value measurement**

A significant portion of financial instruments are carried on the balance sheet at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Where the classification of a financial asset or liability results in it being measured at fair value, wherever possible, the fair value is determined by reference to the quoted bid or offer price in the most advantageous active market to which the IIFCL has immediate access. An adjustment for credit risk is also incorporated into the fair value as appropriate. Fair value for a net open position that is a financial liability quoted in an active market is the current offer price, and for a financial asset the bid price, multiplied by the number of units of the instrument held or issued. Where no active market exists for a particular asset or liability, the IIFCL uses a valuation technique to arrive at the fair value, including the use of transaction prices obtained in recent arm's length transactions, discounted cash flow analysis, option pricing models and other valuation techniques, based on market conditions and risks existing at reporting date. In doing so, fair value is estimated using a valuation technique that makes maximum use of observable market inputs and places minimal reliance upon entity-specific inputs. The best evidence of the fair value of a financial instrument at initial recognition is the transaction price (i.e. the fair value of the consideration given or received) unless the fair value of that instrument is evidenced by comparison with other observable current market transactions in the same instrument (i.e. without modification or repackaging) or

based on a valuation technique whose variables include only data from observable markets. When such evidence exists, the IIFCL recognizes the difference between the transaction price and the fair value in profit or loss on initial recognition (i.e. on day one).

- **Impairment charges on loans and advances**

Judgement is required by management in the estimation of the amount and timing of future cash flows when determining an impairment loss for loans and advances. In estimating these cash flows, the IIFCL makes judgements about the borrower's financial situation and the net realizable value of collateral. These estimates are based on assumptions about a number of factors and actual results may differ, resulting in future changes to the impairment allowance. A collective assessment of impairment takes into account data from the loan portfolio (such as credit quality, levels of arrears, credit utilization, loan to collateral ratios etc.), and concentrations of risk and economic data (including levels of unemployment, real estate price indices, country risk and the performance of different individual groups).

- **Provisions other than loan impairment**

Provisions are held in respect of a range of future obligations such as employee entitlements, restructuring costs and litigation provisions. Some of the provisions involve significant judgement about the likely outcome of various events and estimated future cash flows. The measurement of these provisions involves the exercise of management judgements about the ultimate outcomes of the transactions. Payments that are expected to be incurred after more than one year are discounted at a rate which reflects both current interest rates and the risks specific to that provision.

- **Loans and advances**

Loans and advances are initially measured at fair value plus incremental direct transaction costs, and subsequently at their amortized cost using the effective interest rate method.

## **17. Borrowings and debt securities**

Borrowings and debt securities issued are initially measured at fair value minus incremental direct transaction costs, and subsequently measured at their amortized cost using the effective interest method, except where the Group designates liabilities at FVTPL.

## **18. Borrowing Costs**

The Exchange differences on foreign currency borrowings are charged to Statement of Profit & Loss. The amount of exchange difference not exceeding the difference between interest on local currency borrowings and interest on foreign currency borrowings is considered as borrowings costs and is accounted for under Ind AS 23 – Borrowing Costs and the remaining exchange difference, if any, is accounted for under Ind AS 21 - The Effects of Changes in Foreign Exchange Rates.

For this purpose, the interest rate for the local currency borrowings is considered as that rate of bank overdraft taken by the company.

## **19. Investment in Subsidiary**

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity.

Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

Investments in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

On the date of transition to Ind AS, the Company has considered the carrying value of Investment in subsidiaries as per previous GAAP to be the deemed cost as per Ind AS 101.

## **20. Foreign Exchange Transactions**

- 20.1 Expenses and income in foreign currency are accounted for at the exchange rates of banks prevailing on the date of transactions.
- 20.2 The following balances are translated in Indian currency at the exchange rates (RBI reference rates) prevailing on the date of closure of accounts:
  - (a) Incomes or Expenses accrued but not due on foreign currency loans granted and foreign currency borrowings respectively.
  - (b) Contingent Liability in respect of Letter of Comfort issued in foreign currency.
- 20.3 Foreign Currency Loan liability is translated in Indian currency at RBI Reference rate prevailing on the date of reporting. The exchange difference is charged to Statement of Profit & Loss as per Accounting Standard 11, The Effect of Changes in Foreign Exchange Rates.
- 20.4 The actual/translation gain/loss (net) on foreign currency loan assets, liabilities and income & expenditure accrued/accrued but not due are credited/charged to the statement of profit and loss.

## **21. Derivative Accounting**

- 21.1 Wherever the company has entered into forward contract or an instrument i.e., in substance of a forward exchange contract, the difference between the forward rate and the exchange rate on the date of forward exchange contract is recognized as income or expenses over the life of the contract as per Ind AS -21.
- 21.2 Hedging taken on foreign currency loans is adjusted on FIFO basis after adjusting for the Loans given in foreign currency (i.e. natural hedge).
- 21.3 Any profit or loss arising on cancellation or renewal of forward exchange contracts including interest rate swaps is recognized as income or as expense for the year.
- 21.4 In respect of interest rate swap transactions in JPY Yen entered by the company, the company is providing mark to market loss as on Balance Sheet Date.
- 21.5 The surplus or deficit on account of difference in spot exchange rate at the inception of forward contract and repayment of underlying foreign currency loan obligation recovered from or paid to counter party respectively as per the hedging contract is recognized as gain or loss at the time of repayment of such loan.
- 21.6 The foreign currency loan (which is an underlying transaction) and the swap contract (to hedge against any loss arising on the aforesaid loans) are treated as separate transactions.
- 21.7 Foreign currency borrowings are restated as per Indian Accounting Standard 21, The Effects of Changes in Foreign Exchange Rates.

The guidance note issued by the ICAI on “Accounting for Derivative Contracts” issued in June 2015, is applicable from 1st April 2016 and the same is applied by the company from Financial year ended 31<sup>st</sup> March 2017. Any change in exchange rate, on amount of foreign

currency borrowing as on reporting date since previous reporting date and from the date of drawdown borrowing during the period, is set off against Fair Value of Derivative Contracts and any gain or loss is recognized as Cash Flow Hedge Reserve. Fair Value of Derivative Contract are provided by the respective Counter parties.

As per the Guidance Note, under a cash flow hedge, the hedging instrument is measured at fair value, but any gain or loss that is determined to be an effective hedge is recognized in equity, e.g., Cash Flow Hedge Reserve. This is intended to avoid volatility in Statement of Profit & Loss in a period when the gains or losses on the hedged items are not realized therein.

## **22. Accounting For Revenue Grants**

- 22.1 Grants are recognized in the Statement of Profit and Loss as 'other income' on a systematic basis over the periods necessary to match them with the related costs which they are intended to compensate provided there is reasonable assurance of compliance of the terms attached with the sanction and of realization of amount of grants.
- 22.2 Grants received in respect of expenditure already incurred in prior periods are recognized in the Statement of Profit & Loss in the year of approval of grant.
- 22.3 The unspent amount of grant at the year end, if any, is shown under Current Liabilities.

## **23. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

#Cash comprises cash in hand, bank balances and demand deposits. The Company considers cash equivalents as all short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

**26. Capital management:**

In reference to the disclosure regarding Capital Management as per requirement of Para 134-136 of Ind AS 1, presentation of Financial Statement, it is mentioned that IIFCL being a Non-Banking Financial Company-Infrastructure Finance Company (NBFC-IFC), IIFCL is required to maintain capital, referred to as owned funds, as per RBI Regulations.

As per RBI Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016, Owned Fund means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any.

Government of India has infused capital in IIFCL from time to time. This has enabled IIFCL to comply with capital requirements stipulated by RBI. Moreover, IIFCL considers distribution of dividend taking into account impact on capital i.e. net owned funds subject to the directions of Government of India. No changes were made in the objectives, policies or processes w.r.t. capital management during the reporting years.

27. Department of Investment & Public Asset Management (DIPAM), Ministry of Finance, vide their Office Memorandum (OM) F. No. 5/1/2016-Policy dated 27<sup>th</sup> May 2016 issued “Guidelines on Capital Restructuring of CPSEs”. The guidelines provide for payment of Dividend, issue of Bonus Shares, Buyback of Shares and Splitting of Shares by PSUs. The Guidelines for issue of Bonus Shares and Splitting of Shares are not applicable to IIFCL.

As per Guidelines of Payment of dividend, IIFCL was required to pay a minimum annual dividend of 30% of PAT or 5% of the net-worth, whichever is higher subject to the maximum dividend permitted under the extant legal provisions. However, IIFCL vide letter dated 21<sup>st</sup> September 2016 had requested Government for exemption from payment of dividend for at least 3 years which amounts to ₹ 36,323.41 Lakh in FY 2015-16, ₹ 37,119.74 Lakh in FY 2016-17, ₹ 31,995.93 Lakh in FY 2017-18 and ₹ 23,442.79 Lakh in FY 2018-19 and ₹ 51,528.90 in FY 2019-20. Further, IIFCL vide letter dated 19<sup>th</sup> September 2019 had requested Government for exemption from payment of dividend atleast upto FY 2021-22. The payment of dividend of FY 2020-21 amounts to ₹ 53,272.35 Lakh. The reply of IIFCL’s Letter is awaited. Further, as per RBI circular RBI/2021-22/59, DOR.ACC.REC.No.23/21.02.067/2021-22 that provides a minimum requirement that a NBFC has to declare dividend if its NNPA is less than 6% in each of the last three years, including as at the close of the financial year for which dividend is proposed to be declared

As per these guidelines of Buy Back of shares, every CPSE having net worth of at least Rs. 2000 crore and Cash and Bank balance of Rs. 1000 crore shall exercise the option to buy back shares. Further, IIFCL vide letter dated 18th September 2019 had requested Government for exemption from payment of dividend and buy back of shares at least up to FY 2021-22. The reply of IIFCL’s Letter is awaited.

**28. During the course of Statutory Audit for FY 2022-23, the auditors have indicated as under:**

Investment in India Infrastructure Finance Company (UK) Limited, a subsidiary Company, has been valued by the Company at carrying cost i.e., Rs. 611.80 Lakh. As perused from the financial statements of the Subsidiary Company, net worth of the Subsidiary Company in UK has been completely eroded. As explained to us, financial statements of the Subsidiary Company have been prepared under Indian Accounting Standard (Ind AS) and huge provisions have been created under Expected Credit Loss Model. In the opinion of the Management, the financial statements of the subsidiary Company in UK are prepared on going concern basis and as explained to us, assessment of the fair value of the Investment in the subsidiary company in UK cannot be ascertained. Therefore, in absence of the fair valuation of the Investment in the Subsidiary Company i.e., IIFC UK, we are unable to offer any comment upon the impact of the impairment, if any, on the Statement of Profit and Loss Account, the reserve and the Investment (Amount unascertained).

**Management Reply:**

It is submitted that India Infrastructure Finance Company (UK) Limited (IIFC(UK)) do not have any regulatory requirement to maintain capital at a specified level. However, IIFCL infused equity of USD 50 million in IIFC(UK) during FY 2008 to FY 2010. IIFC(UK) declared dividend of USD 30 million in FY2012-13 and USD 20 million in FY 2015-16 aggregating to USD 50 million. IIFCL had further infused equity share capital of USD 25 million in FY 2019-20 and subsequently USD 25 million in FY 2021-22 in IIFC (UK) Ltd..

Further, IIFCL undertook deep provisioning and cleaning of its loan book as a result of:

- Issuance of RBI circular dated 12<sup>th</sup> February 2018 (Resolution of Stressed Assets – Revised Framework) resulting in withdrawal of all scheme like Framework for Revitalizing Distressed Assets, CDR, Flexible Structuring of Existing Long Term Project Loans, SDR, Change in Ownership outside SDR, and S4A;
- Implementation of Insolvency and Bankruptcy Code resulting in NPA cases being mandatorily referred to NCLT for resolution in a time bound manner.

Similar deep provisioning and cleaning of the loan book was undertaken at IIFC(UK) in FY 2018-19 on the lines of IIFCL. This resulted in erosion of net worth of IIFC(UK).

IIFCL is intending to provide fresh capital to IIFC(UK) by way subscribing to equity capital of IIFC(UK) of upto USD 250 million over a period of 10 years out of which USD 50 million already subscribed during FY 2019-20 and FY 2021-22 as mentioned above.

Further, IIFC (UK) Ltd. has posted Profit after Tax (PAT) amounting USD 9.26 million, USD 4.99 million and USD 16.37 million in FY 2019-20, FY 2020-21 and FY 2021-22 respectively. Further, the Net worth of IIFC(UK) Ltd. as on 31<sup>st</sup> March 2022 stands at USD 2.61 million.

IIFCL has not recognized erosion of Equity Share Capital held in IIFC(UK) Ltd. as loss, considering IIFC(UK) Ltd. as a going concern entity and loss incurred by company not being permanent.

- 29. Pursuant to policy no. 1(A)(5.2(A)(a)) Upfront Fee, professing fee or any other fee directly attributable to loan assets not exceeding 0.5% of total income are initially recognized on accrual basis in Statement of Profit & Loss.**
- 30.** IIFCL had participated in part funding the project for Six laning of existing four lane Barwa Adda – Panagarh section of NH-02 from Km 398.240 to Km 521.120 (in the state of Jharkhand and West Bengal toll basis under NHDP Phase V. The promoters of the project i.e. IL&FS and its group companies are in NCLT and Hon'ble NCLAT by its order dated October 15, 2018 inter alia stayed the institution of any suit or proceedings against IL&FS and its group companies and imposed a moratorium on the payment of dues to lenders. Presently, the company has approached the consortium with restructuring plan. The same is under process with the consortium Lenders.
- 31.** IIFCL has been allotted Built up space (Commercial Area, Residential Area and Parking Slots) at Kidwai Nagar by NBCC Ltd. on leasehold basis. As per the terms of allotment, Stamp Duty, Registration Fee, GST on sale Consideration/other allied charges, Ground Rent and Property Tax are to be paid as and when demanded by NBCC.
- 32.** Government of India vide letter dated 9<sup>th</sup> February 2012 informed IIFCL that it has been decided that the equity of National Industrial Corridor Development Corporation Limited (NICDC) erstwhile Delhi Mumbai Industrial Corridor Development Corporation Limited (DMICDC) to the extent of 41% will be acquired by IIFCL, notwithstanding that IIFCL is not mandated to acquire equity share as per SIFTI, Scheme for Financing Viable Infrastructure Projects, under which IIFCL carries out its activities. Subsequent to the further infusion in the equity of NICDC, of the shareholding of IIFCL was changed to 4.1% in FY 2012-13. Accordingly, IIFCL has valued the investment at cost.
- 33.** In accordance with the Guidelines relating to COVID-19 Regulatory Package dated 27<sup>th</sup> March 2020 and 17<sup>th</sup> April 2020, the RBI allowed Commercial banks, Co-operative banks, Financial institutions and NBFCs to grant a 3-month moratorium on payment

of instalments of all term loans which were standard assets as on 29<sup>th</sup> February 2020. The objective was to help alleviate the hardship of borrowers which was brought on by the national lockdown. The moratorium was initially granted for three months on payment of all instalments, including principal/ or interest components etc. falling due between 1<sup>st</sup> March 2020 and 31<sup>st</sup> May 2020. On 22<sup>nd</sup> May 2020, RBI extended this moratorium period by 3 months i.e. up to August 31, 2020. Interest continued to accrue on the outstanding portion of the loan during the moratorium period. For all accounts where the moratorium was granted, the ageing of accounts remained stand still during the moratorium period. Lenders were required to put in place Board approved policy prior to offering their customers the moratorium. Lenders have adopted different methods in offering the moratorium either an 'opt-in' or 'opt-out' structure.

IIFCL has extended Moratorium for payment of Interest and Principal in eligible cases of Term Loans granted, for the period March 2020 to August 2020 in accordance with RBI Circulars. The repayment of the facility created, in such cases have been stipulated within the repayment period of the Original Term Loan. During Year Ended 31<sup>st</sup> December 2020, IIFCL recognized deferred interest income in moratorium loan cases without treating the same as restructuring in terms of direction no DCB.BPD (PCB) MC No. 12/09.14.000/2015-16 dated July 1, 2015. IIFCL vide letter dated 12<sup>th</sup> November 2020 requested RBI to guide that the recognition of interest income by IIFCL is in line with regulatory conformity. RBI reply in this regard is still awaited. Consequently as on 31<sup>st</sup> March 2021, IIFCL has conservatively deferred recognition of unrealized interest income of Rs. 45,914.50 Lakh for moratorium period on moratorium loan cases till realization subsequently.

During the year ended 31<sup>st</sup> March 2023, IIFCL has received repayments amounting ₹10,652.55 Lakh.

- 34.** In accordance with the instructions of RBI Circular dated 07.04.2021 on “Asset Classification and Income Recognition following the expiry of Covid 19 regulatory package”, the Bank shall refund/adjust ‘interest on interest’ charged to all borrowers including those who had availed of working capital facilities during moratorium period i.e. 01.03.2020 to 31.08.2020, irrespective of whether moratorium had been fully or partially availed, or not availed. Pursuant to these instructions, the methodology for calculation of the amount to be refunded/adjusted for different facilities has been finalized by the Indian Bank Association (IBA) in consultation with other industry participants/bodies, for adopting by all the lending institutions. Accordingly, IBA vide its letter dated 19.04.2021 has informed methodology finalised for refund/adjustment as per Supreme Court judgement. Accordingly, IIFCL has not recognised the estimated amount of interest on interest income of Rs.2,500 Lakh during the year ended on 31<sup>st</sup> March 2021. The credit of the interest income is yet to be given to the borrowers.
- 35.** The amount pending adjustment of Rs. 2,998.21 Lakh included in Loans is automated generated balance in routing ledgers in SAP system through which one transaction is routed from CLM module to FICO module of SAP. Though it is not an actual difference and being technical in nature, the transaction would be parked in respective ledgers based on resolution provided by SAP consultant. The amount is not material.

vi. Institutional set-up for Liquidity Risk Management:

IIFCL endeavours to maintain sufficient Liquidity to take care of its business requirements as per Resource and Treasury Policy of IIFCL. Further, the Liquidity Risk Management of IIFCL has undertaken through the Asset Liability Management Framework of IIFCL (ALM Policy) and the organizational setup for the same is as below:

- Board of Directors
- Risk Management Committee
- Asset-Liability Management Committee
- Risk Management Department
- ALM Support Group

Also, the Risk Management Committee, which reports to the Board and consists of Directors, Managing Director, Deputy Managing Director is responsible for overall risk faced by IIFCL including Liquidity Risk.

Further, IIFCL not only measures the liquidity positions on an ongoing basis but also examines how liquidity requirements are likely to evolve under different assumptions using following tools/techniques:

- Bucketing and Bucketing Assumptions
- Cash Flow Measurement – Structural Liquidity Report
- Dynamic Liquidity Report
- Interest Rate Risk
- Back Testing
- Limits Monitoring
- Stock Based Approach - Liquidity Ratios
- Liquidity Coverage Ratio (LCR)
- Stress Testing framework for Liquidity Risk
- Funding Strategy
- Currency Risk
- Contingency Funding Plan

**41. Disclosure pertaining to Liquidity Coverage Ratio (LCR):**

RBI vide circular dated November 4, 2019 issued the guidelines covering liquidity risk management for all non-deposit taking NBFCs with asset size of Rs.10,000 crore and above. The guidelines aim to maintain a liquidity buffer in terms of LCR by ensuring that they have sufficient High Quality Liquid Asset (HQLA) to survive any acute liquidity stress scenario lasting for next 30 days. HQLA are defined by RBI as the liquid assets that can be readily sold or immediately convertible into cash at little/no loss of value or can be used as collateral to obtain funds in stress situations.

As per the guidelines, the LCR requirement shall be binding on NBFCs from December 1, 2020. From December 1, 2020, the minimum HQLAs to be held being 50% of the LCR, progressively reaching up to the required level of 100% by December 1, 2024. Further, minimum LCR of 70% has been prescribed by RBI to be held as on December 1, 2022.

As evident, currently IIFCL's liquidity coverage ratio is as per the regulatory limits of 70%.

## **COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF INDIA INFRASTRUCTURE FINANCE COMPANY LIMITED FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2023**

The preparation of financial statements of India Infrastructure Finance Company Limited for the year ended 31<sup>st</sup> March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated 13<sup>th</sup> September 2023 which supersedes their earlier Audit Report dated 15<sup>th</sup> May 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of India Infrastructure Finance Company Limited for the year ended 31<sup>st</sup> March 2023 under Section 143(6) (a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditor and is limited primarily to inquiries of the Statutory Auditor and company personnel and a selective examination of some of the accounting records. The Audit Report has been revised by the statutory auditor to give effect to four of my audit observations raised during supplementary audit.

In addition, I would like to highlight the following significant matters under Section 143(6) (b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

### **A. Comments on profitability**

#### **A.1 Balance Sheet**

##### **A.1.1 Liabilities and Equity**

##### **Non-Financial Liabilities – Other Non-Financial Liabilities (Note No. 17)**

**Sundry Liabilities Account (Interest Capitalisation): ₹301.03 crore**

**Interest Income (Note No. 20): ₹4,031.36 crore**

A reference is invited to Modified Independent Auditor's Report for the Financial Year 2020-21 (based on C&AG's observations) wherein it was pointed out that Profit before Tax was understated by ₹459.15 crore and Sundry Liabilities were overstated by the same amount due to reversal of interest income which accrued during the moratorium period on term loans. India Infrastructure Finance Company Limited (IIFCL, the Company) did not take any corrective action during FY 2021-22, and it was commented (vide comment no. A.1) that the Company recognised the deferred interest income of ₹60.46 crore on cash basis and did not recognise the balance interest income of ₹398.69 crore which resulted in non-compliance of accrual basis of accounting.

The Company, during current year i.e., FY 2022-23, received deferred interest income ₹107.01 crore which has been recognised as income on cash basis. However, the balance interest income of ₹301.03 crore has not been recognised, resulting in non-compliance of accrual basis of accounting.

This has resulted in understatement of prior period interest income by ₹408.04 crore, overstatement of Sundry Liabilities Account (Interest Capitalization) by ₹301.03 crore and other income by ₹107.01 crore. Consequently, Profit for the year is also understated by ₹301.03 crore.

## A.1.2 Assets

**Financial Assets – Loans (Note No. 4): ₹42,315.99 crore**

### Liabilities

**Non-Financial Liabilities - Provisions (Note No. 16): ₹2,432.47 crore**

- (i) A reference is invited to the Significant Accounting Policy No. 5.3(a) for De-recognition of financial assets which stipulates that, Projects where Concession Agreement (CA) has been terminated by the Project Authority, loan account is derecognized in the financial year in which the contract is terminated. Further Policy 5.3(d) stipulates that, “A loan asset other than cases under Strategic Debt Restructuring Scheme (SDR), Scheme for Sustainable Structuring of Stressed Assets (S4A), Outside Strategic Debt Restructuring (SDR) scheme applicable as per RBI Regulations and considered withdrawn pursuant to RBI Notification No. RBI/131 DBR No. BP.BC.101/21.04.048/2017-18 dated February 12, 2018 or any other mutually agreed restructuring/settlement process shall be derecognized in case the loan asset has been categorized as Non-Performing Asset (NPA) for more than 5 years or the scheduled commercial operations of the project have been delayed for more than 4 years unless any substantive offer for sale/realization of loan asset is available”.

- (a) Loan account of M/s Indore Dewas Tollways Limited (IDTL) was overdue with IIFCL (the Company) and turned into Non-Performing Asset on 31<sup>st</sup> December 2019. Principal outstanding against IDTL is ₹116.02 crore as on 31<sup>st</sup> March 2023 against which provision of ₹93.61 crore (80.68 per cent) has been made. Project Authority (National Highways Authority of India) also terminated the Project on 16<sup>th</sup> December 2022 citing various faults on the part of the Concessionaire (IDTL). Lenders have filed a joint suit for debt recovery which is pending at Debt Recovery Tribunal, Hyderabad.

Though there was no substantive offer available for realization of loan asset, the same has not been derecognized which resulted in non-compliance to the aforesaid Significant Accounting Policy and conservatism principle of accounting.

This has resulted in overstatement of loans by ₹116.02 crore, Provisions by ₹93.61 crore and Profit for the year by ₹22.41 crore (₹116.02 crore minus ₹93.61 crore).

- (b) IIFCL (the Company) sanctioned (May 2011) a loan of ₹100 crore (disbursed ₹99.82 crore) to M/s SEW Krishnagar Baharampore Highways Limited (SKBHL) for development of 78 km long stretch from Krishnagar to Baharampore in West Bengal on Design, Build, Finance, Operate & Transfer Annuity basis with scheduled Commercial Operation Date (COD) of July 2014. However, SKBHL could not service the dues of IIFCL due to substantial delay in Project and the Loan account turned into Non-Performing Asset on 30<sup>th</sup> June 2018. Provisional COD was achieved in February 2020 with a delay of five and half years and COD is not yet achieved. Principal outstanding against SKBHL is ₹99.82 crore as on 31<sup>st</sup> March 2023 against which provision of ₹78.99 crore (79.13 per cent) has been made.

State Bank of India (the lead Bank) has sold (July 2023) its share to an Asset Reconstruction Company (M/s ACRE). IIFCL is also exploring possibility of selling its share on the similar lines.

Though there was no substantive offer available for realization of loan asset, the same has not been derecognized which resulted in non-compliance to the aforesaid significant Accounting Policy and conservatism principle of accounting.

This has resulted in overstatement of loans by ₹99.82 crore, Provisions by ₹78.99 crore and Profit for the year by ₹20.83 crore (₹99.82 crore minus ₹78.99 crore).

- (ii) IIFCL (the Company) sanctioned a loan of ₹109.23 crore (₹44 crore under Direct lending and ₹65.23 crore under Take-Out Finance scheme) to East Hyderabad Expressway Limited (EHEL) to design, construct, develop, finance, operate and maintain eight lane access control Expressway Project in Hyderabad. The account turned (31<sup>st</sup> March 2019) Non-Performing Asset due to moratorium imposed by National Company Law Appellate Tribunal .

IIFCL accepted (17<sup>th</sup> June 2022) the One Time Settlement (OTS) proposal for its share of ₹37.38 crore of which ₹27.38 crore was already recovered and balance ₹10 crore was to be recovered from the funds available in the Escrow account. The Company received the same on 29<sup>th</sup> September 2022, and issued 'No Dues Certificate' to EHEL on 01<sup>st</sup> December 2022.

However, Principal amount of ₹4.74 crore is still shown as outstanding against EHEL as on 31<sup>st</sup> March 2023, against which provision of ₹2.10 crore has been made.

This has resulted in overstatement of Loan by ₹4.74 crore, Provision by ₹2.10 crore and profit for the year by ₹2.64 crore (₹4.74 crore minus ₹2.10 crore).

## **MODIFIED INDEPENDENT AUDITOR'S REPORT\***

**To the members of India Infrastructure Finance Company Limited  
(Modified based on the observations of C&AG of India)**

### **Revised Report on the Audit of the Consolidated Financial Statements**

#### **Opinion**

We have audited the accompanying consolidated financial statements of India Infrastructure Finance Company Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at 31<sup>st</sup> March 2023, the Consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Statement of Changes in Equity & the Consolidated statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the “consolidated financial statements”).

We had issued the Independent Auditors Report dated 27<sup>th</sup> June 2023 on the financial statements of the company for the financial year ended 31<sup>st</sup> March, 2023 as approved by the Board of Directors of the Company in their meeting held on 27<sup>th</sup> June 2023. In furtherance to provisional observations of the Comptroller and Auditor General of India, we are issuing this revised Independent Auditor's Report by amending clause 3 (f) & Annexure 'C' of the previous audit report. This report supersedes the previous audit report dated 27<sup>th</sup> June 2023.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate audited financial statements/ financial results/ financial information of subsidiaries, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2023, the consolidated profit and consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and audit evidence obtained by other auditors in terms of their reports referred to in “Other Matters” paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Modification have been marked as \*

#### **Emphasis of Matter**

1. We draw attention to Note 5 of the Consolidated financial statements that explains the pending reconciliation of Rs 2998.21 Lakh that has arisen due to a technical glitch in ERP/ SAP, the management is in the process of resolving the same. Financial

impact (if any) of the aforesaid pending reconciliation can be determined only post reconciliation. In the opinion of the management, the impact, if any, will not be material consequent to such reconciliation.

- We draw attention on the foot note given in Note No.5 of Loan assets w.r.t non-netting of the Provisioning/Impairment on Loan Assets from amount of loan assets as per RBI master directions.

Our opinion is not modified in respect of this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

| SI No | Management   | How the matter was addressed in our audit   |
|-------|--|---|
| 1     | Impairment of Loans and Advances to customers  |   |
|       | Please refer to the accounting policies in Note 1 (A) 5.7 to the Consolidated financial statements, Impairment Note No.1 (16) to the Consolidated financial statements, use of estimates and judgements in determination of Expected Credit Loss and Note no 5 to the Consolidated financial statements:   |   |
|       | The impairment of loans is based on Expected Credit Loss (ECL) Model as per Ind As 109- Financial Instruments. The Company's impairment allowance is based on certain management estimates including the historical default rates and loss ratio.  |   |
|       | The recognition and measurement of impairment loss of loans and advances involves significant management judgement. The areas where management has exercised significant judgements are:   | We performed audit procedures set out below:<br>Design/ Controls  |
|       | <ul style="list-style-type: none"> <li>• Loan Staging Criteria</li> <li>• Calculation of probability of default/ Loss given default</li> <li>• Determination of exposure of default</li> <li>• Consideration of probability weighted scenarios and forward looking macro-economic factors</li> </ul> <p>The applicability of ECL model requires huge data input. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model.</p> | <ul style="list-style-type: none"> <li>• Evaluated the appropriateness of the impairment principles used by management as per requirements of Ind AS 109, our understanding of the business and industry practice.</li> <li>• Assessed the design and implementation of key internal financial controls over loan impairment process used to calculate the impairment charge.</li> <li>• Evaluated management's controls over collation of relevant information used for determining estimates for management overlays.</li> <li>• Tested review controls over measurement of impairment allowances and disclosures in financial statements.</li> </ul> |

|  |   |   |

| 2.   | Valuation of Derivative Instruments and Hedge Accounting  |   |
|  | Please refer to the accounting policies in Note no 1(A)5.2 to the Consolidated financial statements: Derivative financial instruments, Note 3 to Consolidated financial statements: Derivative financial instruments  |   |
| <p>The company enters in to derivative contracts in order to manage and hedge risks such as foreign exchange rate on borrowings. The company enters in to either the Cash Flow Hedges or Fair Value Hedges depending on the risk being hedged. The application of hedge accounting and evaluating hedge effectiveness is complex and operationally cumbersome and requires close monitoring from company management.</p> |   | <p>Our procedure included:</p> <p>Design/ Controls</p> <p>Obtained an understanding of the risk management Policies and tested key controls (i) at the time of entering in to hedge relationship including authorisation by designated authority, documentation prepared by the management at the inception of the hedge transaction, (ii) with regard to ongoing monitoring and review of the hedge relationship by management including test of hedge effectiveness.</p> <p><b>Substantive Checking</b></p> <ul style="list-style-type: none"> <li>• Checked the recognition and measurement of derivatives instruments, for elected samples, as per Ind AS 109</li> <li>• Examined hedge documentation with Ind AS 109 requirements</li> <li>• Test checked on a sample basis reconciliation of derivative instruments to independent confirmations obtained from third party</li> <li>• Test checked on a sample basis the applicability and accuracy of hedge accounting</li> <li>• Considered the appropriateness of the disclosures in relation to financial risk management, derivative instruments and hedge accounting in the Consolidated financial statements.</li> </ul> |
| 3.   | Information Technology  |   |
|  | Integration of IT enabled Accounting System   |   |
|  | <p>The IT environment of the Company is complex and involves a number of independent and interdependent IT systems used in the operations of the Company for processing and recording a large volume of transactions. As a result, there is a high degree of reliance and dependency on such IT systems for the financial reporting process of the Company.</p> | <p>Our procedures included:</p> <ul style="list-style-type: none"> <li>• Evaluated the design and tested the operating effectiveness of key IT application controls within key business processes, which included testing automated calculations, automated accounting procedures, system interfaces, system reconciliation controls.</li> <li>• Evaluated and tested relevant IT general controls and IT application controls of the IT systems identified as relevant for our audit of the Company's Consolidated financial statements and financial reporting process of the Company.</li> </ul>   |

|   |  |

### **Information Other Than The Consolidated Financial Statements And Auditor's Report Thereon**

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in Board's Report including Annexures thereon but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

### **Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and the consolidated cash flows of the Group in accordance with the Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the Consolidation financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidation financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidation financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidation financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidation financial statements, including the disclosures, and whether the Consolidation financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidation financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidation financial statements may be influenced.

We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Consolidation financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidation financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matters

- a) We did not audit the financial statements of two subsidiaries, whose financial statements reflect total assets of Rs. 6,098.74 Lakh as at 31 March, 2023, total revenues of Rs. 1,892.46 Lakh and net cash flows amounting to Rs.293.72 Lakh for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditors.
- b) The consolidated financial results include the unaudited financial results of one subsidiary (India Infrastructure Finance (UK) Limited), whose financial results reflect group's share of total assets of Rs. 12,50,702.39 Lakh as at 31<sup>st</sup> March 2023, group's share of total revenue of Rs. 66,548.30 Lakh group's share of net cash flows of Rs. 65.87 Lakh for the year ended 31<sup>st</sup> March 2023 respectively, as considered in the consolidated financial results. This financial information is unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, this financial information are not material to the Group.

Our opinion on the consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

- c) India Infrastructure Finance Pvt Ltd is a financial institution operating under the purview of the RBI. The Master Direction DNBR.PD.008/03.10.119/2016-17 updated on 29<sup>th</sup> December 2022 issued by the RBI, defines infrastructure finance company vide para 3 (xvi) as follows :

“Infrastructure Finance Company” means a non-deposit taking NBFC that fulfils the following criteria:

- (a) a minimum of 75 % of its total assets deployed in “infrastructure loans”;
- (b) Net owned funds of ₹300 crore or above;
- (c) minimum credit rating of ‘A’ issued by any of the SEBI-registered Credit Rating Agencies; and
- (d) CRAR of 15 per cent (with a minimum Tier I capital of 10 per cent).

Based on our audit procedures carried out for the year, analysis of the audited financial statements as at the year end and the calculations required therefor, we have observed that India Infrastructure Finance Pvt Ltd has complied with the principal business criteria with respect to maintenance of a minimum of 75% of its total assets deployed in infrastructure loans as defined vide para 3(xvi)(a) of the Master Direction DNBR.PD.008/03.10.119/2016-17 updated on 29<sup>th</sup> December 2022 by the RBI without the investments in recapitalisation bonds and netting off overdraft against bank deposits being considered in the computation.

In case the investments in recapitalisation bonds and overdraft against bank deposits been considered, the company would not have met the specified criteria 3(xvi)(a) as defined in the above paragraph as at the balance sheet date i.e. the 31<sup>st</sup> of March 2023 in this case the Company has maintained 71.06% of the total assets deployed in infrastructure loans against the prescribed regulatory limit of 75%.

- d) As explained to us, the appointment of requisite number of women director under section 149(1) of The Companies Act, 2013 are awaited from Ministry of Finance. Accordingly, the Board remained constituted without complying with the requirements of the aforesaid section. Furthermore, the appointment of independent directors under section 149(1) of The Companies Act, 2013 were made on 10<sup>th</sup> May 2023 via order no F.NO.18/7/2022-IF-I from Ministry of Finance.
- e) As per guidelines of the Department of Investment and Public Asset Management, the company is supposed to pay minimum annual dividend of 30% of profit after tax or 5% of net worth of CPSEs, whichever is higher subject to maximum dividend permitted under the extant legal provisions. However, IIFCL vide letter dated 19 September 2019 has requested Government for exemption from payment of dividend up to financial year 2021-22. The reply to the letter from Government is awaited. Furthermore, No Dividend has been proposed for the financial year 2022-23.

### **Report on Other Legal and Regulatory Requirements**

(Referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” section of Independent Auditor’s Report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Holding Company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of India Infrastructure Finance Company Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) incorporated in India, as of that date.

**Management’s Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding Company, its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the internal financial controls of the Holding Company and its subsidiary companies as aforesaid, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. The following material weakness has been identified and included in management's assessment:

The ERP is in the process of stabilization and integration to automatically record all the accounting transactions due to which certain transactions such as, computation of Impairment Loss and provision of doubtful debts on loans, categorisation of Advances/Reclassification of Assets as per prudential norms issued by RBI, Computation of foreign currency Gain/Loss in foreign currency transactions, Hedged Contracts, are computed after extracting the data from the SAP (ERP).

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reporting of the other auditors as mentioned in the Other Matters paragraph below, the Company and its subsidiary companies, which are the companies incorporated in India have broadly, in all material respects, except for the above mentioned paragraph adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

### Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements, insofar as it relates to, audited 2 subsidiary companies, incorporated in India, is based on the corresponding reports of the other auditors and insofar as it relates to, unaudited 1 subsidiary company, incorporated outside India, is based on representation received from the management.

IIFCL is a public company domiciled and incorporated in India under the provisions of Companies. The registered office of the Company is situated at Plate A&B, 5th Floor, Office Block 2, East Kidwai Nagar, New Delhi-110023, India.

IIFCL is set up with an objective to provide long-term finance to viable infrastructure projects through the Scheme for Financing Viable Infrastructure Projects. Reserve Bank of India has issued Certificate of Registration no N-14.03288 as Non-Banking Financial Company - Non Deposit - Infrastructure Finance Company (NBFC-ND-IFC) to India Infrastructure Finance Company Limited (IIFCL) on 9<sup>th</sup> September 2013. RBI has allowed IIFCL to carry on the business of Non-Banking Financial Institution without accepting public deposits.

### **(A) SIGNIFICANT ACCOUNTING POLICIES**

#### **1. Basis of preparation**

1.1 The Consolidated Financial Statements comprise the individual financial statements of India Infrastructure Finance Company Limited (the parent company) and financial statements of its subsidiaries, India Infrastructure Finance Company (UK) Limited (IIFC (UK) Ltd.), IIFCL Projects Limited and IIFCL Asset Management Company Limited (together constituting as the group) as on 31st March 2023 and for the period ended on that date. The Consolidated Financial Statements have been prepared on the following basis:

- i) The Financial statements of the Company and its subsidiaries have been consolidated on a line by line basis by adding together the book values of like items of Assets, Liabilities, Income and Expenses, after eliminating intra-group transactions resulting in unrealized profits or losses as per Ind AS 110 on “Consolidated Financial Statements”.
- ii) The assets and liabilities, both monetary and non-monetary, of the foreign subsidiary are translated at the closing exchange rate.
- iii) Income and expense items of the foreign subsidiary are translated at the RBI reference rate between the reporting currency and the foreign currency at the date of transaction.
- iv) All resulting exchange difference is accumulated in a foreign currency translation reserve.

1.2 The Individual Financial Statements of the following subsidiaries have been Consolidated in the consolidated Financial Statements:

| <b>Name of Subsidiary</b>              | <b>Country of Incorporation</b> | <b>Current Period</b>                | <b>Previous Period</b>               |
|--|---------------------------------|--------------------------------------|--------------------------------------|
|  |                                 | Proportion of Ownership Interest (%) | Proportion of Ownership Interest (%) |
| IIFC (UK) Limited                      | United Kingdom                  | 100%                                 | 100%                                 |
| IIFCL Projects Limited                 | India                           | 100%                                 | 100%                                 |
| IIFCL Asset Management Company Limited | India                           | 100%                                 | 100%                                 |

- 1.3 The wholly owned foreign subsidiary company's i.e. IIFC (U.K) Limited financial statements have been converted as per Generally Accepted Accounting Practices in India applied for preparing financial statements of the Parent Company.
- 1.4 Accounting convention: IIFCL presents its financial statements in accordance with the format provided in the Division III of Schedule III to Companies Act, 2013, for Non-Banking Financial Companies (NBFCs). The financial statements have been prepared on accrual basis and on a historical cost basis, except
  - a. Financial assets classified as Fair Value through Other Comprehensive Income (FVOCI),
  - b. Derivative financial instruments,
  - c. Financial assets and liabilities designated at fair value through profit or loss (FVTPL).
  - d. Defined benefit plans – plan assets measured at fair value.

All of which have been measured at fair value as required or allowed by relevant Ind AS. The financial statements are presented in Indian Rupees and all values are rounded to the nearest Rupees Lakh, except when otherwise indicated.

- 1.5 Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumption that affect the reported amounts of assets and liabilities and disclosure thereof at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which results materialize.

IIFCL has not made any assumption about the future, and other major sources of estimation uncertainty at the end of the reporting period that have a significant risk of resulting in a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

## **2. Statement of compliance**

The financial statements of IIFCL are prepared on going concern basis and in accordance with the requirements of Ind AS notified by the Ministry of Corporate Affairs, Government of India under the Companies (Indian Accounting Standards) Rules, 2015 vide Gazette notification no. G.S.R.111(E) dated 16<sup>th</sup> February 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016, vide Gazette notification no. G.S.R.365(E) dated 30<sup>th</sup> March 2016.

## **3. Presentation of financial statements**

Financial assets and financial liabilities are generally reported gross value in the Balance Sheet. They are only offset and reported net value when, in addition to having an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the IIFCL and/or its counterparties

Derivative assets and liabilities with master netting arrangements (e.g. ISDAs) are only presented net value when they satisfy the eligibility of netting for all of the above criteria and not just in the event of default.

#### **4. Recognition Of Income / Expenditure**

- 4.1. For all financial instruments measured at amortized cost, interest bearing financial assets classified as available-for-sale and financial instruments designated at FVTPL, interest income or expense is recorded using the EIR. The calculation takes into account all of the contractual terms of the financial instrument (for example, prepayment options) and includes any fees or incremental costs that are directly attributable to the instrument and are an integral part of the EIR, but not future credit losses. When the recorded value of a financial asset or a group of similar financial assets has been reduced by an impairment loss, interest income continues to be recognized using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss.
- 4.2. Upfront fee income on loans granted is considered as income on accrual basis in cases where loan documents have been signed on allocated amount.
- 4.3. Commitment charges on loans taken by the company are accounted for as expense when draw down of loan is less than sanctioned amount of loan as per the Loan agreement.
- 4.4. Recoveries in borrower's accounts are appropriated as per the respective loan agreements.
- 4.5. The recovery from loan assets written off are treated as income in the year of receipt of recovery.
- 4.6. Dividend is accounted on accrual basis when right to receive the dividend is established. However, right to receive final dividend arises only on approval thereof by the shareholders in Annual General Meeting.
- 4.7. Income/Expenditure relating to a prior period, which does not exceed 0.1% of the total income, are treated as income/expenditure of current year.
- 4.8. Partial Credit Enhancement Guarantee fee is recognized in the accounting year on accrual basis when reasonable right of recovery is established. Any Partial Credit Enhancement Guarantee fee received in advance is deferred and is recognized as income over period of accrual.
- 4.9. Income including interest/discount or any other charges on Non-Performing Assets (NPA) is recognized only when it is actually realized. Any such income recognized before the asset became non-performing and remaining unrealized is reversed.
- 4.10. Interest on Income Tax refund is accounted on actual basis, i.e. treated as income in the year of receipt of Income Tax Refund.

#### **5. Financial instruments:**

##### **5.1. Recognition and Initial Measurement:**

The company initially recognizes financial assets and financial liabilities on the settlement date. A financial asset or financial liability is measured initially at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue.

## 5.2. Classification:

### A. Financial Assets:

Financial assets of the Company comprise cash and cash equivalents, bank balances, investments in equity shares of companies other than in subsidiaries & joint ventures, loans to subsidiaries/employees, advances to employees, security deposit, claims recoverable etc.

On initial recognition, a financial asset is classified:

#### a) Amortized Cost:

Financial Instruments are measured at amortized cost where they have:

- contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding; and
- Are held within a business model whose objective is achieved by holding to collect contractual cash flows.

These instruments are initially recognized at fair value plus directly attributable transaction costs, impact of which exceeds 0.5% of the total income. The measurement of credit impairment is based on the three-stage expected credit loss model described in Note 6.7 Impairment of financial assets.

#### b) Fair Value through Other Comprehensive Income(OCI):

Financial Instruments are measured at fair value through other comprehensive income where they have:

- contractual terms that give rise to cash flows on specified dates, that represent solely payments of principal and interest on the principal amount outstanding; and
- Are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

These instruments are initially recognised at fair value plus directly attributable transaction costs and subsequently measured at fair value. Gains and losses arising from changes in fair value are included in other comprehensive income within a separate component of equity. Impairment losses or reversals, interest revenue and foreign exchange gains and losses are recognised in profit and loss. Upon disposal, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to the income statement. The measurement of credit impairment is based on the three-stage expected credit loss model as applied to financial assets at amortised cost. The expected credit loss model.

#### c) Fair Value through Profit and Loss:

- Items held for trading;
- Debt instruments with contractual terms that do not represent solely payments of principal and interest.

Financial instruments held at fair value through profit or loss are initially recognised at fair value, with transaction costs recognised in the income statement as incurred. Subsequently, they are measured at fair value and any gains or losses are recognised in the income statement as they arise. Where a financial asset is measured at fair value, a credit valuation adjustment is included to reflect the credit worthiness of the counterparty, representing the movement in fair value attributable to changes in credit risk.

### **Financial instruments held for trading**

A financial instrument is classified as held for trading if it is acquired or incurred principally for the purpose of selling or repurchasing in the near term, or forms part of a portfolio of financial instruments that are managed together and for which there is evidence of short-term profit taking, or it is a derivative not in a qualifying hedge relationship.

In addition, on initial recognition, IIFCL may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL, if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

#### **d) Equity instruments**

Investment in equity instruments that are neither held for trading nor contingent consideration recognised by IIFCL in a business combination to which IND AS 103 'Business Combination' applies, are measured at fair value through other comprehensive income, where an irrevocable election has been made by management. Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

All other financial assets are classified as measured at FVTPL.

### **Subsequent measurement**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method, impact of which exceeds 0.5% of the total income.

Financial assets at fair value through other comprehensive income are measured at each reporting date at fair value. Fair value changes are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the income statement.

### **Reclassifications**

Financial assets are not reclassified subsequent to their initial recognition, except in the period after IIFCL changes its business model for managing financial assets.

## **B. Financial Liabilities**

Financial liabilities of the Company are contractual obligation to deliver cash or another financial asset to another entity or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company.

### **Classification, initial recognition and measurement**

Financial liabilities are recognised initially at fair value minus transaction costs that are directly attributable to the issue of financial liabilities, impact of which exceeds 0.5% of the total income. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate (EIR). Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

### **Subsequent measurement**

After initial recognition, financial liabilities are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit or Loss when the liabilities are derecognized as well as through the EIR amortization process. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

### **Defining contractual cash flows solely payments of principal and interest:**

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as profit margin.

### **C. Derivative financial instruments:**

Derivative financial instruments are contracts whose value is derived from one or more underlying price, index or other variable, and typically comprise of instruments such as swaps, forward rate agreements, futures and options. IIFCL enters into derivative financial instruments in nature of hedging contracts to mitigate risk due to variation in foreign exchange rate where applicable involved in foreign currency borrowings of these contracts recognised in the balance sheet at fair value and are classified as trading except where they are designated as a part of an effective hedge relationship and classified as hedging derivatives. The carrying value of a derivative is re measured at fair value throughout the life of the contract. Derivatives are carried as assets when the fair value is positive and as liabilities when the fair value is negative.

- a. Wherever the company has entered into forward contract or an instrument i.e., in substance of a forward exchange contract, the difference between the forward rate and the exchange rate on the date of forward exchange contract is recognized as income or expenses over the life of the contract as per Ind AS-21.
- b. Hedging taken on foreign currency loans is adjusted on FIFO basis after adjusting for the Loans given in foreign currency (i.e. natural hedge).
- c. Any profit or loss arising on cancellation or renewal of forward exchange contracts including interest rate swaps is recognized as income or as expense for the year.
- d. In respect of interest rate swap transactions in JPY Yen entered by the company, the company is providing mark to market loss as on Balance Sheet Date.
- e. The surplus or deficit on account of difference in spot exchange rate at the inception of forward contract and repayment of underlying foreign currency loan obligation recovered from or paid to counter party respectively as per the hedging contract is recognized as gain or loss at the time of repayment of such loan.
- f. The foreign currency loan (which is an underlying transaction) and the swap contract (to hedge against any loss arising on the aforesaid loans) are treated as separate transactions.
- g. Foreign currency borrowings are restated as per Indian Accounting Standard (Ind AS 21), The Effects of Changes in Foreign Exchange rates.

The guidance note on "Accounting for Derivative Contracts" issued by the ICAI in June 2015, is applied by the company from Financial year ended 31<sup>st</sup> March 2017. Any change in exchange rate, on amount of foreign currency borrowing as on reporting date since previous reporting date and from the date of drawdown borrowing during the period, is set off against

Fair Value of Derivative Contracts and any gain or loss is recognized as Cash Flow Hedge Reserve. Fair Value of Derivative Contracts are provided by the respective Counter parties.

As per the Guidance Note, under a cash flow hedge, the hedging instrument is measured at fair value, but any gain or loss that is determined to be an effective hedge is recognized in equity, e.g., Cash Flow Hedge Reserve. This is intended to avoid volatility in Statement of Profit & Loss in a period when the gains or losses on the hedged items are not realized therein.

### 5.3. De-recognition:

#### Financial assets

IIFCL derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the IIFCL neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

In addition to above, in case of Loan Assets:

- (a) Projects where Concession Agreement (CA) has been terminated by the Project Authority, account is derecognized in the financial year in which the contract is terminated.
- (b) Projects where Concession Agreement (CA) has been terminated by the Concessionaire, impairment is made on the basis of merits and facts of the case.
- (c) In cases where certain value of financial asset can be attached based on valuation report/ offer from Asset Reconstruction Companies etc., impairment is made to the extent of shortfall.
- (d) A loan asset other than cases under Strategic Debt Restructuring Scheme (SDR), Scheme for Sustainable Structuring of Stressed Assets (S4A), Outside Strategic Debt Restructuring (SDR) scheme applicable as per RBI Regulations and considered withdrawn pursuant to RBI Notification No. RBI/131 DBR No. BP.BC.101/21.04.048/2017-18 dated February 12, 2018 or any other mutually agreed restructuring/settlement process shall be derecognized in case the loan asset has been categorized as Non-Performing Asset (NPA) for more than 5 years or the scheduled commercial operations of the project have been delayed for more than 4 years unless any substantive offer for sale/realization of loan asset is available.

On de-recognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognized) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in the statement of profit and loss.

Any cumulative gain/loss recognised in OCI in respect of equity investment securities designated as at FVOCI is not recognised in the statement of profit and loss on de-recognition of such securities. Any interest in transferred financial assets that qualify for de-recognition that is created or retained by the company is recognised as a separate asset or liability.

#### Financial liabilities

The IIFCL derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The difference between the carrying amount of a financial liability

that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of Profit and Loss as other income or finance cost.

An exchange between an existing borrower and lender of debt instruments with substantially different terms shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability or a part of it (whether or not attributable to the financial difficulty of the debtor) shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

#### **5.4. Modification:**

##### **Financial assets**

If the terms of a financial asset are modified, the company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is de-recognised and a new financial asset is recognised at fair value.

If the cash flows of the modified asset carried at amortised cost are not substantially different, then the modification does not result in de-recognition of the financial asset. In this case, the company recalculates the gross carrying amount of the financial asset and recognizes the amount arising from adjusting the gross carrying amount as a modification gain or loss in the statement of profit and loss. The gross carrying amount of the financial asset shall be recalculated as the present value of the renegotiated or modified contractual cash flows that are discounted at the financial asset's original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets) or, when applicable, the revised effective interest rate. If such a modification is carried out because of financial difficulties of the borrower, then the gain or loss is presented together with impairment losses. In other cases, it is presented as interest income.

#### **5.5. Fair Value Measurement**

A significant portion of financial instruments are carried on the balance sheet at fair value.

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the company has access at that date. The fair value of a liability reflects its non-performance risk.

When one is available, the company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an on-going basis.

If there is no quoted price in an active market, then the IIFCL uses valuation techniques that maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

The best evidence of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the IIFCL determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique for which any unobservable inputs are

judged to be insignificant in relation to the measurement, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently, that difference is recognised in the statement of profit and loss on an appropriate basis.

The fair value of a financial liability with a demand feature (e.g. a demand deposit) is the amount payable on demand.

Unquoted equities are fair valued based on the below approach, in the order of hierarchy in which they appear, depending on the availability of the information available with the IIFCL:

- a. Break-up value of the investee entity from the company's latest available financial statements.
- b. At rupee one, if the latest financial statement is not available.

Units of Infrastructure Debt Funds & Alternate Investment Funds are valued as per latest available Net Asset Value. Security Receipts are valued as per latest available Net Asset Value or Book Value, whichever is lower.

## 5.6. Valuation techniques for Fair Value Measurement

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarized below:

- Level 1 financial instruments –Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the company has access to at the measurement date. The company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.
- Level 2 financial instruments–Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities, and credit spreads. In addition, adjustments may be required for the condition or location of the asset or the extent to which it relates to items that are comparable to the valued instrument. However, if such adjustments are based on unobservable inputs which are significant to the entire measurement, the IIFCL will classify the instruments as Level 3.
- Level 3 financial instruments –Those that include one or more unobservable input that is significant to the measurement as whole.

## 5.7. Impairment of financial assets

IIFCL applies a three-stage approach to measuring expected credit losses (ECLs) for the following categories of financial assets that are not measured at fair value through profit or loss:

- Debt instruments measured at amortised cost and fair value through other comprehensive income;
- Loan commitments; and
- Financial guarantee contracts.

No ECL is recognized on equity investments.

Financial assets are classified through the following three stages based on the change in credit risk since initial recognition:

**Stage 1: 12-months ECL**

All exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired since origination are classified under this stage.

**Stage 2: Lifetime ECL – not credit impaired**

All exposures where there has been a significant increase in credit risk since initial recognition but are not credits impaired are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk.

**Stage 3: Lifetime ECL – credit impaired**

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

Calculation of Expected Credit Loss(ECL) on Loan Assets shall be minimum of Provisioning requirements as per RBI regulations which is as under:

- (i) Standard Assets: General Provision is made on outstanding amount of loans, including on interest accrued but not due at the year end at 0.40 %.
- (ii) Sub-Standard Assets: A general provision of 10 percent of total outstanding amount is made.
- (iii) Doubtful Assets
  - (a) 100 percent provision to the extent to which the advance is not covered by the realizable value of the security to which the company has a valid recourse is made.
  - (b) In addition to item (a) above, depending upon the period for which the asset has remained doubtful, provision to the extent of 20 percent to 50 percent of secured portion i.e. estimated realizable value of the outstanding, is made on the following basis:

| Period for which the asset has been considered as doubtful | Percentage of provision |
|--|-------------------------|
| Up to one year   | 20                      |
| One to three years   | 30                      |
| More than three years                                      | 50                      |

- (iv) Loss Assets

The entire asset is written off, however if the assets are permitted to remain in the books for any reason, 100 percent of the outstanding is provided for.

## (v) Restructured loan Assets

For the following cases, the provisioning against Restructured Standard Assets will be as per RBI norms, including provision on diminution in fair value:

- (a) Project loans restructured w.e.f. January 24, 2014, provisioning will be at the rate of 5%.
- (b) Stock of restructured outstanding loans as on January 23, 2014 to all companies (as per

RBI in case of stock of outstanding restructured loan, the provision is at 5%.

## Determining the stage for classification of a financial asset

At each reporting date, all financials assets are classified in to the three stages based on the significant increase in credit risk for exposures since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition. The company considers reasonable and supportable information that is relevant and available without undue cost or effort for this purpose.

An exposure will move from stage 1 through stage 3 as asset quality deteriorates. If, in a subsequent period, asset quality improves and also reverses any previously assessed significant increase in credit risk. Exposures that are less than 30 days past due are considered as stage 1.)

The provision for bad and doubtful debts for financial assets considered as stage 1 is based on a 12-month expected credit loss (ECL). Whereas the provision for bad and doubtful debts for financial assets considered as stage 2 and stage 3 is computed based on a life time ECL model. When an asset is uncollectible, it is derecognized against the related provision. Such assets are derecognised after all the necessary procedures have been completed and the amount of the loss has been determined.

However, there is a rebuttable presumption that default does not occur later than when a financial asset is 90 days past due unless an entity has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate. The definition of default used for these purposes is applied consistently to all financial instruments unless information becomes available that demonstrates that another default definition is more appropriate for a particular financial instrument.

Accordingly, an account will be deemed to have been credit impaired and is therefore be moved to stage 3, if any of the following events were to happen:

- The account is over 90 Days Past Due (DPD);
- IIFCL consents to a distressed restructuring of the credit obligation where this is likely to result in a diminished financial obligation caused by the material forgiveness, or postponement, of principal, interest or (where relevant) fees.

Days past due (DPD) is measured for the number of days interest and / or principal remains unpaid, a bill remains overdue, an account remains continuously over limit / drawing power, or the credit in the account is less than the interest charged in the account.

**Low Credit risk Assumption**

Ind AS 101 - "Financial Instruments" states that "The credit risk on a financial instrument is considered low for the purposes of paragraph 5.5.10, if the financial instrument has a

low risk of default, the borrower has a strong capacity to meet its contractual cash flow obligations in the near term and adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations. (para B5.5.22)” Further, while it has given the example of an external rating of ‘investment grade’ as having low credit risk, it acknowledges that financial instruments are not required to be externally rated to be considered to have low credit risk (para B5.5.23).

Accordingly an instrument is considered to be having low credit risk under the following situations:

- Zero unexpected loss as indicated by zero regulatory risk weight: Given that the unexpected loss estimated as per the regulatory risk-weights is 0%, the expected loss will also be zero. The ECL in such cases would be zero. Examples of such asset classes is domestic sovereign, foreign sovereigns with international rating of “AA” or better.
- Low unexpected loss as indicated by 20% regulatory risk weight: Given the low unexpected loss for portfolios corresponding to risk-weights of 20%, these will also have very low expected loss. However, ECL may be non-zero, or empirical evidence may show that default rates for such asset class / portfolio is zero. Examples of such asset classes are foreign sovereigns with international rating of “A”, domestic scheduled IIFCLs (those failing regulatory requirement of capital adequacy are not low credit risk), externally rated domestic “AAA” corporates, staff loans. Observed default rates for these portfolios are also zero.

For the statements, all staff loans have been considered as low credit risk.

### **Level of segmentation in the portfolio used**

Segmentation is aligned to the Internal Rating Based (IRB) models for the purpose of application of risk parameters. However, for forward looking estimates, the IIFCL may choose to group some of these sub-portfolios into broader categories or in some cases split them into sub-segments based on common risk drivers.

### **Measurement of ECLs**

ECLs are derived from unbiased and probability-weighted estimates of expected loss, and are measured as follows:

- Financial assets that are not credit-impaired at the reporting date: as the present value of all cash shortfalls over the expected life of the financial asset discounted by the effective interest rate. The cash shortfall is the difference between the cash flows due to the IIFCL in accordance with the contract and the cash flows that the IIFCL expects to receive.
- Financial assets that are credit-impaired at the reporting date: as the difference between the gross carrying amount and the present value of estimated future cash flows discounted by the effective interest rate.
- Undrawn loan commitments: as the present value of the difference between the contractual cash flows that are due to the IIFCL if the commitment is drawn down and the cash flows that the IIFCL expects to receive.
- Financial guarantee contracts: as the expected payments to reimburse the holder less any amounts that the IIFCL expects to recover.

ECLs are recognized using a provision for bad and doubtful debts account in Statement of Profit and Loss. In the case of debt instruments measured at fair value through other comprehensive income, the measurement of ECLs is based on the three-stage approach as applied to financial assets at amortised cost. IIFCL recognizes the provision charge in profit and loss, with the corresponding amount recognized in other comprehensive income, with no reduction in the carrying amount of the asset in the balance sheet.

### **Impairment Reserve:**

As per the RBI circular RBI/2019-20/170 dated 13<sup>th</sup> March 2020, IIFCL shall hold impairment allowances as required by Ind AS. In parallel IIFCL shall also maintain the asset classification and compute provisions as per extant prudential norms on Income Recognition, Asset Classification and Provisioning (IRACP) including borrower/beneficiary wise classification, provisioning for standard as well as restructured assets, NPA ageing, etc.

Where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), IIFCL is required to appropriate the difference from their net profit or loss after tax to a separate 'Impairment Reserve'. The balance in the 'Impairment Reserve' shall not be reckoned for regulatory capital. Further, no withdrawals shall be permitted from this reserve without prior permission from the Department of Supervision, RBI.

### **5.8. Accelerated Provisioning**

IIFCL, as a prudent lender, in addition to normal provisioning to be done under RBI guidelines/ Expected Credit Loss (ECL) calculated as per Ind AS 109 in terms of applying stipulated percentages for secured/unsecured portions depending on asset classification, as may be amended from time to time, considers accelerated provisioning on a case-to-case basis, depending on the expected recovery scenario.

Accelerated provisioning is proposed in such exceptional cases, wherein even though provisioning might be adequate as per extant RBI guidelines, however, in the view of the Management, there might be circumstances which could affect recovery prospects. In such cases, the Management takes a case-to-case view on accelerated provisioning as a prudent measure.

The accelerated provisioning depends broadly on the following parameters:

- Status of the project.
- Promoter's ability to infuse the funds.
- Tangible security, cash flow and concessions available.
- Steps taken by the consortium for recovery.
- Management's perception.

The provision to be made in the account ranges from 10% to 100% taking into consideration the factors mentioned above

## **6. Leasing**

Lease payments under an operating lease are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

## **7. Property, Plant and equipment**

Property, Plant and equipment is stated at cost of acquisition excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment in value.

Property, Plant and equipment are derecognized on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of Profit and Loss on the date asset is derecognized.

## **8. Intangible assets and Intangible Assets under development**

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

Subsequent expenditure on already capitalized Intangible assets is capitalized when it increases the future economic benefits embodied in an existing asset and is amortised prospectively.

The cost of software (which is not an integral part of the related hardware) acquired for internal use and resulting in significant future economic benefits is recognized as an intangible asset when the same is ready for its use.

Expenditure on development shall be recognised as Intangible asset if it meets the eligibility criteria as per Ind AS 38 'Intangible Assets', otherwise it shall be recognised as an expense.

An item of Intangible asset is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.

## **9. Depreciation/ Amortization**

Depreciation is calculated using write down method value method to the cost of property and equipment to their residual values over their estimated useful lives. Useful life is considered as per Schedule II of Companies Act 2013.

The office premise of IIFCL has been amortized over the lease period of 30 years.

Amortization is calculated using the straight-line method to write down the cost of intangible assets to their residual values over their estimated useful lives. In case of lease asset, the estimated useful life is calculated on the basis of termination of lease period.

The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are amortised over the useful economic life. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year-end. Changes in the expected useful life, or the expected pattern of consumption of future economic benefits embodied in the asset, are accounted for by changing the amortization period or methodology, as appropriate, which are then treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is presented as a separate line item in the income statement.

## 10. Impairment of non-financial assets

IIFCL assesses at each reporting date to ascertain indication that a non-financial asset may be impaired. Impairment ascertained as per assessment is recognized as expense.

## 11. Letter of Comforts (LOCs)

In the ordinary course of business, IIFCL issues Letter of Comforts (LoCs) to Banks, is generally to consortium members for issuing Letter of Credit/Financial Guarantee on behalf of lenders in favor of beneficiaries. LoCs are initially recognised in the financial statements within 'other liabilities' at fair value, being the premium received. Subsequent to initial recognition, the IIFCL's liability under each guarantee is measured at the higher of the amount initially recognised less cumulative amortization recognised in the income statement, and the best estimate of expenditure required to settle any financial obligation arising as a result of the guarantee. Any increase in the liability relating to financial guarantees is recorded in the income statement in credit loss expense. The premium received is recognised in the income statement in net fees and commission income on a straight line basis over the life of the guarantee.

## 12. Provisions and Contingencies

Provisions are recognised when the IIFCL has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. When the effect of the time value of money is material, IIFCL determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of profit and Loss net of any reimbursement in other operating expenses.

A contingent liability is recognized and disclosed when there is:

- a) A possible obligation arising from a past event, the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Group; or
- b) A present obligation arising from the past event which is not recognised as it is not probable that the outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

Commitments include binding commitments to extend credit as per the agreements to lend to a customer so long as there is no violation of any condition established in the contract.

## 13. Taxes on Income

### 13.1 Current Taxes

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in India where IIFCL operates and generates taxable income.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit or loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### **13.2 Deferred Taxes**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the company's financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the Balance Sheet liability method. Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unused tax losses and unused tax credits can be utilized. The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the Balance Sheet date.

### **14. Earnings per Share**

IIFCL presents basic and diluted EPS data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to the equity shareholders of the IIFCL by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss that is attributable to the equity shareholders and the weighted-average number of ordinary shares outstanding adjusted for the effects of all dilutive potential ordinary shares, which comprise share options granted to employees.

### **15. Employee Benefits**

- 15.1 All short term employee benefits are recognized at their undiscounted amount in the accounting period in which they are incurred.
- 15.2 The contribution towards Provident Fund deducted from remuneration of employees and employer contribution thereon is deposited with Regional Provident Fund Commissioner (RPFO).
- 15.3 Employee benefits under defined contribution plans comprising NPS are recognized on the undiscounted obligation of the company to contribute to the plan. The same is paid to the IDBI Bank, which is the Point of Presence (POP) service provider for NPS facility and are expensed relating to the period..
- 15.4 All post-employment and other long term employee benefits are recognized as an expense in Statement of profit and loss for the year in which the employee has rendered services. The expense is recognized at the present value of the amounts payable, determined using actuarial valuation technique.
- 15.5 Termination benefits are recognized as an expense immediately
- 15.6 Gain or loss arising out of actuarial valuation is recognized in the period in they occur in Other Comprehensive Income (OCI).

- 15.7 The employee benefits obligations i.e., sick leave, leave travel concession and Medical Assistance Scheme has been provided for the period up to date of reporting on the actuarial valuation of same.
- 15.8 Gratuity has been provided on the basis of amount payable to LIC on Group Gratuity Scheme through trust in the name of IIFCL Employees Group Gratuity Fund.
- 15.9 Leave Encashment has been provided on the basis of amount payable to LIC Group Leave Encashment Plan.
- 15.10 Provision for leave encashment, gratuity and sick leave of Executive Directors wherever applicable as per terms of appointment is accrued and made on the basis of estimated amount of liability.

## 16. Critical accounting assumptions and estimates

The application of the IIFCL's accounting policies requires the use of judgements, estimates and assumptions. If different assumptions or estimates were applied, the resulting values would change, impacting the net assets and income of the IIFCL. Assumptions made at each reporting date are based on best estimates at that date. Although IIFCL has internal control systems in place to ensure that estimates are reliably measured, actual amounts may differ from those estimates. Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. The accounting policies which are most sensitive to the use of judgement, estimates and assumptions are specified below.

- **Fair value measurement**

A significant portion of financial instruments are carried on the balance sheet at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Where the classification of a financial asset or liability results in it being measured at fair value, wherever possible, the fair value is determined by reference to the quoted bid or offer price in the most advantageous active market to which the IIFCL has immediate access. An adjustment for credit risk is also incorporated into the fair value as appropriate. Fair value for a net open position that is a financial liability quoted in an active market is the current offer price, and for a financial asset the bid price, multiplied by the number of units of the instrument held or issued. Where no active market exists for a particular asset or liability, the IIFCL uses a valuation technique to arrive at the fair value, including the use of transaction prices obtained in recent arm's length transactions, discounted cash flow analysis, option pricing models and other valuation techniques, based on market conditions and risks existing at reporting date. In doing so, fair value is estimated using a valuation technique that makes maximum use of observable market inputs and places minimal reliance upon entity-specific inputs. The best evidence of the fair value of a financial instrument at initial recognition is the transaction price (i.e. the fair value of the consideration given or received) unless the fair value of that instrument is evidenced by comparison with other observable current market transactions in the same instrument (i.e. without modification or repackaging) or based on a valuation technique whose variables include only data from observable markets. When such evidence exists, the IIFCL recognizes the difference between the transaction price and the fair value in profit or loss on initial recognition (i.e. on day one).

- **Impairment charges on loans and advances**

Judgement is required by management in the estimation of the amount and timing of future cash flows when determining an impairment loss for loans and advances. In estimating these

cash flows, the IIFCL makes judgements about the borrower's financial situation and the net realizable value of collateral. These estimates are based on assumptions about a number of factors and actual results may differ, resulting in future changes to the impairment allowance. A collective assessment of impairment takes into account data from the loan portfolio (such as credit quality, levels of arrears, credit utilization, loan to collateral ratios etc.), and concentrations of risk and economic data (including levels of unemployment, real estate price indices, country risk and the performance of different individual groups).

- **Provisions other than loan impairment**

Provisions are held in respect of a range of future obligations such as employee entitlements, restructuring costs and litigation provisions. Some of the provisions involve significant judgement about the likely outcome of various events and estimated future cash flows. The measurement of these provisions involves the exercise of management judgements about the ultimate outcomes of the transactions. Payments that are expected to be incurred after more than one year are discounted at a rate which reflects both current interest rates and the risks specific to that provision.

- **Loans and advances**

Loans and advances are initially measured at fair value plus incremental direct transaction costs, and subsequently at their amortized cost using the effective interest rate method.

## **17. Borrowings and debt securities**

Borrowings and debt securities issued are initially measured at fair value minus incremental direct transaction costs, and subsequently measured at their amortized cost using the effective interest method, except where the Group designates liabilities at FVTPL.

## **18. Borrowing Costs**

The Exchange differences on foreign currency borrowings are charged to Statement of Profit & Loss. The amount of exchange difference not exceeding the difference between interest on local currency borrowings and interest on foreign currency borrowings is considered as borrowings costs and is accounted for under Ind AS 23 – Borrowing Costs and the remaining exchange difference, if any, is accounted for under Ind AS 21 - The Effects of Changes in Foreign Exchange Rates.

For this purpose, the interest rate for the local currency borrowings is considered as that rate of bank overdraft taken by the company.

## **19. Investment in Subsidiary**

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity.

Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

Investments in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

On the date of transition to Ind AS, the Company has considered the carrying value of Investment in subsidiaries as per previous GAAP to be the deemed cost as per Ind AS 101.

## 20. Foreign Exchange Transactions

- 20.1 Expenses and income in foreign currency are accounted for at the exchange rates of banks prevailing on the date of transactions.
- 20.2 The following balances are translated in Indian currency at the exchange rates (RBI reference rates) prevailing on the date of closure of accounts:
- (a) Incomes or Expenses accrued but not due on foreign currency loans granted and foreign currency borrowings respectively.
  - (b) Contingent Liability in respect of Letter of Comfort issued in foreign currency.
- 20.3 Foreign Currency Loan liability is translated in Indian currency at RBI Reference rate prevailing on the date of reporting. The exchange difference is charged to Statement of Profit & Loss as per Accounting Standard 11, The Effect of Changes in Foreign Exchange Rates.
- 20.4 The actual/translation gain/loss (net) on foreign currency loan assets, liabilities and income & expenditure accrued/accrued but not due are credited/charged to the statement of profit and loss.

## 21. Derivative Accounting

- 21.1 Wherever the company has entered into forward contract or an instrument i.e., in substance of a forward exchange contract, the difference between the forward rate and the exchange rate on the date of forward exchange contract is recognized as income or expenses over the life of the contract as per Indian Accounting Standard-21.
- 21.2 Hedging taken on foreign currency loans is adjusted on FIFO basis after adjusting for the Loans given in foreign currency (i.e. natural hedge).
- 21.3 Any profit or loss arising on cancellation or renewal of forward exchange contracts including interest rate swaps is recognized as income or as expense for the year.
- 21.4 In respect of interest rate swap transactions in JPY Yen entered by the company, the company is providing mark to market loss as on Balance Sheet Date.
- 21.5 The surplus or deficit on account of difference in spot exchange rate at the inception of forward contract and repayment of underlying foreign currency loan obligation recovered from or paid to counter party respectively as per the hedging contract is recognized as gain or loss at the time of repayment of such loan.
- 21.6 The foreign currency loan (which is an underlying transaction) and the swap contract (to hedge against any loss arising on the aforesaid loans) are treated as separate transactions.
- 21.7 Foreign currency borrowings are restated as per Indian Accounting Standard 21, The Effects of Changes in Foreign Exchange rates.

The guidance note issued by the ICAI on “Accounting for Derivative Contracts” issued in June 2015, is applicable from 1<sup>st</sup> April 2016 and the same is applied by the company from Financial year ended 31<sup>st</sup> March 2017. Any change in exchange rate, on amount of foreign currency borrowing as on reporting date since previous reporting date and from the date of drawdown borrowing during the period, is set off against Fair Value of Derivative Contracts and any gain or loss is recognized as Cash Flow Hedge Reserve. Fair Value of Derivative

Contract are provided by the respective Counter parties.

As per the Guidance Note, under a cash flow hedge, the hedging instrument is measured at fair value, but any gain or loss that is determined to be an effective hedge is recognized in equity, e.g., Cash Flow Hedge Reserve. This is intended to avoid volatility in Statement of Profit & Loss in a period when the gains or losses on the hedged items are not realized therein.

## **22. Accounting For Revenue Grants**

- 22.1 Grants are recognized in the Statement of Profit and Loss as 'other income' on a systematic basis over the periods necessary to match them with the related costs which they are intended to compensate provided there is reasonable assurance of compliance of the terms attached with the sanction and of realization of amount of grants.
- 22.2 Grants received in respect of expenditure already incurred in prior periods are recognized in the Statement of Profit & Loss in the year of approval of grant.
- 22.3 The unspent amount of grant at the year end, if any, is shown under Current Liabilities.

## **23. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

# Cash comprises cash in hand, bank balances and demand deposits. The Company considers cash equivalents as all short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

#### 23.3.2 Risk Exposure in Derivatives:

##### Qualitative Disclosure

NBFCs are required to describe their risk management policies pertaining to derivatives with particular reference to the extent to which derivatives are used, the associated risks and business purposes served. In compliance of RBI guidelines dated 10<sup>th</sup> November, 2014, same is being disclosed as under:

- IIFCL undertakes derivative transactions to mitigate currency and interest rate risk of foreign currency borrowings. The company has put in place the Hedging Policy which forms a part of Resource and Treasury policy duly approved by Board of Directors. The company's derivative transactions are governed by this policy which outlines the instruments which would be used for hedging as per the underlying liabilities.
- IIFCL undertakes derivative transaction for purpose of hedging and mitigating interest rate and currency risks (Market risk) arising on Foreign currency borrowings.
- IIFCL undertakes derivative transactions for the purpose of hedging exchange and interest rate risk of foreign currency borrowings and not for any other purpose. The terms of Derivative transactions match with the corresponding underlying (Liabilities) for continuous effectiveness. The said effectiveness is ascertained at the time of inception of hedge through matching term concept.
- IIFCL reports the status of derivative transaction and their MTM to Senior Management on monthly basis and to the Board of Directors on Quarterly basis. Further the MTM is being independently monitored by R&T Advisors of IIFCL on quarterly basis.

- e) Exchange traded Interest Rate Derivatives on IIFCL Books are Nil.
- f) IIFCL undertakes Cross Currency Interest Rate Swap to hedge its Foreign Currency exposures. The figures shown in Quantitative disclosure cannot be segregated since the deals are booked on a consolidated basis for principal and Interest cash flows.
- g) The accounting policy for recording hedge and non-hedge transactions; recognition of income, premiums and discounts; valuation of outstanding contracts; provisioning, collateral and credit risk mitigation is disclosed in Accounting Policy 1(A)(4).
- h) As per Resources & Treasury Policy, approved for each financial year by the Management & Investment Committee of the Board of Directors, IIFCL shall keep its position hedged between 65-70% of the total exposure. Further the exchange fluctuation difference of the open position net of with the saving of forward premium should not breach 10% of the net worth of the company at any point of time. Further if rupee depreciates 5% or more within the financial year on portfolio basis, IIFCL would keep its position hedged at approx. 75%.

### **Risk Management Structure**

- a) IIFCL manages risk as per Integrated Risk Management Framework duly approved by the Board of Directors. Besides, Resources and Treasury policy of IIFCL is approved by Management and Investment committee of the Board annually. These framework policy, provide the guiding parameters based on which IIFCL takes decisions for managing the Currency Risk that it is exposed to on account of foreign currency loan.
- b) IIFCL has also constituted Board Level Risk Management Committee & Board level Asset Liability Management Committee (ALCO Committee) for strengthening the risk management in the business operations. ALCO monitors liquidity & interest rate risks which includes periodic analysis of short term and long term liquidity profile of asset receipts and debt service obligations. Derivative transactions include cross currency swaps and currency swaps to hedge liabilities. These derivative transactions are done for hedging purpose and not for trading or speculative purpose.

### **Type of Risks Involved**

- i. Credit Risk** - Credit risk involves the risk of loss arising from the diminution in credit quality of a borrower along with the risk that the borrower may default on contractual repayments under a loan or an advance. IIFCL has Integrated Risk Management Framework to manage credit risk in infrastructure lending.
- ii. Market Risk** - Market risk is the risk of loss due to adverse changes in the market value (the price) of an instrument or portfolio of instruments. Market risk comprises of currency risk and Interest rate risk. Currency risk arises on account of any change/ fluctuation in exchange rate between rupee and foreign currencies. The interest rate risk exposure is mainly from changes in interest rates over the period of time. IIFCL faces market risks and interest rate risks as a part of its business activity.
- iii. Liquidity Risk** - Liquidity risk is the risk of loss due to failure of the institution to meet funding requirements or execute a transaction utilizing funds borrowed at reasonable price. There may be market liquidity risk or funding liquidity risk. IIFCL manages liquidity risk by maintaining sufficient cash and marketable securities and by having access to funding through an adequate amount of combined credit lines.
- iv. Operational Risk** - Operational risk is the risk of loss occurring as a result of inadequate system and control, deficiencies in information system, human error or a management failure. The operational risk management policy of IIFCL seeks to manage the operational risks.

**25. Capital management:**

In reference to the disclosure regarding Capital Management as per requirement of Para 134-136 of Ind AS 1, presentation of Financial Statement, it is mentioned that IIFCL being a Non-Banking Financial Company-Infrastructure Finance Company (NBFC-IFC), IIFCL is required to maintain capital, referred to as owned funds, as per RBI Regulations.

As per RBI Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016, Owned Fund means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any.

Government of India has infused capital in IIFCL from time to time. This has enabled IIFCL to comply with capital requirements stipulated by RBI. Moreover, IIFCL considers distribution of dividend taking into account impact on capital i.e. net owned funds subject to the directions of Government of India. No changes were made in the objectives, policies or processes w.r.t. capital management during the reporting years.

26. Department of Investment & Public Asset Management (DIPAM), Ministry of Finance, vide their Office Memorandum (OM) F. No. 5/1/2016-Policy dated 27<sup>th</sup> May 2016 issued “Guidelines on Capital Restructuring of CPSEs”. The guidelines provide for payment of Dividend, issue of Bonus Shares, Buyback of Shares and Splitting of Shares by PSUs. The Guidelines for issue of Bonus Shares, Buyback of Shares and Splitting of Shares are not applicable to IIFCL. As per Guidelines of Payment of dividend, IIFCL was required to pay a minimum annual dividend of 30% of PAT or 5% of the net-worth, whichever is higher subject to the maximum dividend permitted under the extant legal provisions. However, IIFCL vide letter dated 21<sup>st</sup> September 2016 had requested Government for exemption from payment of dividend for at least 3 years which amounts to ₹ 36,323.41 Lakh in FY 2015-16, ₹37,119.74 Lakh in FY 2016-17, ₹31,995.93 Lakh in FY 2017-18 and ₹23,442.79 Lakh in FY 2018-19 and ₹ 51,528.90 in FY 2019-20. Further, IIFCL vide letter dated 19<sup>th</sup> September 2019 had requested Government for exemption from payment of dividend atleast upto FY 2022-22. The payment of dividend of FY 2021-22 amounts to ₹53,272.35 Lakh. The reply of IIFCL’s Letter is awaited.
27. IIFCL in consortium with PFC (lead lender) and REC has part funded Ind-Barath Power (Madras) Limited (IBPML) for setting up 1x 660 MW coal based thermal power project at Tuticorin, Tamil Nadu. IIFCL had sanctioned RTL of Rs 250 crore and disbursed Rs 89.24 crore in TRA Account maintained with Axis Bank. Funds from TRA had been diverted by the Borrower. Consortium had recalled the loan and filed a criminal complaint with EOW, Delhi Police on February 08, 2018, which is under investigation. The developments in the account have been reported to the Board of IIFCL at the meeting held on March 22, 2018 and instance of fraud was reported to RBI on March 28, 2018.
28. Pursuant to policy no. 1(A)(5.2(A)(a)) Upfront Fee, professing fee or any other fee directly attributable to loan assets not exceeding 0.5% of total income are initially recognized on accrual basis in Statement of Profit & Loss.
29. Government of India vide letter dated 9<sup>th</sup> February 2012 informed IIFCL that it has been decided that the equity of National Industrial Corridor Development Corporation Limited (NICDC) to the extent of 41% will be acquired by IIFCL, notwithstanding that IIFCL is not mandated to acquire equity share as per SIFTI, Scheme for Financing Viable Infrastructure Projects, under which IIFCL carries out its activities.
30. IIFCL Projects Limited is not registered as NBFC and Audited Financial Statements have been prepared for consolidation as per Division II of Schedule III whereas IIFCL is registered as NBFC and has prepared financial statement as per Division III of Schedule III.
31. In accordance with the Guidelines relating to COVID-19 Regulatory Package dated 27<sup>th</sup> March 2021 and 17<sup>th</sup> April 2021, the RBI allowed Commercial banks, Co-operative banks, Financial institutions and NBFCs to grant a 3-month moratorium on payment of instalments of all term loans which were standard assets as on 29<sup>th</sup> February 2021. The objective was to help alleviate the hardship of borrowers which was brought on by the national lockdown. The moratorium was initially granted for three months on payment of all instalments, including principal/ or interest components etc. falling

due between 1<sup>st</sup> March 2021 and 31<sup>st</sup> May 2021. On 22<sup>nd</sup> May 2021, RBI extended this moratorium period by 3 months i.e. up to August 31, 2021. Interest continued to accrue on the outstanding portion of the loan during the moratorium period. For all accounts where the moratorium was granted, the ageing of accounts remained stand still during the moratorium period. Lenders were required to put in place Board approved policy prior to offering their customers the moratorium. Lenders have adopted different methods in offering the moratorium either an 'opt-in' or 'opt-out' structure.

IIFCL has extended Moratorium for payment of Interest and Principal in eligible cases of Term Loans granted, for the period March 2021 to August 2021 in accordance with RBI Circulars. The repayment of the facility created, in such cases have been stipulated within the repayment period of the Original Term Loan. During Year ended 31<sup>st</sup> March 2022, IIFCL recognized deferred interest income in moratorium loan cases without treating the same as restructuring in terms of direction no DCB.BPD (PCB) MC No. 12/09.14.000/2015-16 dated July 1, 2015. IIFCL vide letter dated 12<sup>th</sup> November 2021 requested RBI to guide that the recognition of interest income by IIFCL is in line with regulatory conformity. RBI reply in this regard is still awaited. Consequently as on 31<sup>st</sup> March 2022, IIFCL has conservatively deferred recognition of unrealized interest income of Rs. 45,914.50 Lakh for moratorium period on moratorium loan cases till realization subsequently.

During the year ended 31<sup>st</sup> March 2023, IIFCL has received repayments amounting ₹10,652.55 Lakh.

- 32.** In accordance with the instructions of RBI Circular dated 07.04.2022 on “Asset Classification and Income Recognition following the expiry of Covid 19 regulatory package”, the Bank shall refund/adjust ‘interest on interest’ charged to all borrowers including those who had availed of working capital facilities during moratorium period i.e. 01.03.2021 to 31.08.2021, irrespective of whether moratorium had been fully or partially availed, or not availed. Pursuant to these instructions, the methodology for calculation of the amount to be refunded/adjusted for different facilities has been finalized by the Indian Bank Association (IBA) in consultation with other industry participants/bodies, for adopting by all the lending institutions. Accordingly, IBA vide its letter dated 19.04.2022 has informed methodology finalised for refund/adjustment as per Supreme Court judgement. Accordingly, IIFCL has not recognised the estimated amount of interest on interest income of Rs.2,500 Lakh during the year ended on 31.03.2022.
- 33.** The amount pending adjustment of Rs. 2,998.21 Lakh included in Loans is automated generated balance in routing ledgers in SAP system through which one transaction is routed from CLM module to FICO module of SAP. Though it is not an actual difference and being technical in nature, the transaction would be parked in respective ledgers based on resolution provided by SAP consultant. The amount is not material.

## **COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6) (b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF INDIA INFRASTRUCTURE FINANCE COMPANY LIMITED FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2023**

The preparation of consolidated financial statements of India Infrastructure Finance Company Limited for the year ended 31<sup>st</sup> March 2023 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) read with section 129(4) of the Act is responsible for expressing opinion on the consolidated financial statements under Section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated 13<sup>th</sup> September 2023 which supersedes their earlier Audit Report dated 27<sup>th</sup> June 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of India Infrastructure Finance Company Limited for the year ended 31<sup>st</sup> March 2023 under Section 143(6)(a) read with section 129(4) of the Act. We conducted a supplementary audit of the financial statement of the India Infrastructure Finance Company Limited (the Company), IIFCL Asset Management Company (the subsidiary) but did not conduct Supplementary audit of IIFCL Projects Limited (the subsidiary) for the year ended on that date. Further, section 139 (5) and 143 (6) (a) of the Act are not applicable to India Infrastructure Finance Company (UK) limited (the subsidiary) being entity incorporated in foreign country under the respective laws for appointment of their Statutory Auditors and for conduct of supplementary audit. Accordingly, the Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of this company. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditor and is limited primarily to inquiries of the Statutory Auditor and Company personnel and a selective examination of some of the accounting records. The Audit Report has been revised by the statutory auditor to give effect to one of my audit observations raised during supplementary audit.

In addition, I would like to highlight the following significant matters under Section 143(6) (b) read with section 129(4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report:

### **A.1 Consolidated Balance Sheet**

#### **A.1.1 Liabilities and Equity**

##### **Non-Financial Liabilities – Other Non-Financial Liabilities (Note No. 19)**

**Sundry Liabilities Account (Interest Capitalisation): ₹301.03 crore**

**Interest Income (Note No. 22): ₹4,680.17 crore**

A reference is invited to Modified Independent Auditor's Report for the Financial Year 2020-21 (based on C&AG's observations) wherein it was pointed out that Profit before Tax was understated by ₹459.15 crore and Sundry Liabilities were overstated by the same amount due to reversal of interest income which accrued during the moratorium period on term loans. India Infrastructure Finance Company Limited (IIFCL, the Company) did not take any corrective action during FY 2021-22, and it was commented (vide comment no. A.1)

that the Company recognised the deferred interest income of ₹60.46 crore on cash basis and did not recognize the balance interest income of ₹398.69 crore which resulted in non-compliance of accrual basis of accounting.

The Company, during current year i.e., FY 2022-23, received deferred interest income ₹107.01 crore which has been recognised as income on cash basis, however, the balance interest income of ₹301.03 crore has not been recognised, resulting in non-compliance of accrual basis of accounting.

This has resulted in understatement of prior period interest income by ₹408.04 crore, overstatement of Sundry Liabilities Account (Interest Capitalization) by ₹301.03 crore and other income by ₹107.01 crore. Consequently, Profit for the year is also understated by ₹301.03 crore.

### A.1.2 Assets

#### Financial Assets – Loans (Note No. 5): ₹50,823.34 crore

#### Liabilities

#### Non-Financial Liabilities - Provisions (Note No. 18): ₹3,766.95 crore

i) A reference is invited to the Significant Accounting Policy No. 5.3(a) for De-recognition of financial assets which stipulates that, Projects where Concession Agreement (CA) has been terminated by the Project Authority, loan account is derecognized in the financial year in which the contract is terminated. Further, Policy 5.3(d) stipulates that, “A loan asset other than cases under Strategic Debt Restructuring Scheme (SDR), Scheme for Sustainable Structuring of Stressed Assets (S4A), Outside Strategic Debt Restructuring (SDR) scheme applicable as per RBI Regulations and considered withdrawn pursuant to RBI Notification No. RBI/131 DBR No. BP.BC.101/21.04.048/2017-18 dated February 12, 2018 or any other mutually agreed restructuring/settlement process shall be derecognized in case the loan asset has been categorized as Non-Performing Asset (NPA) for more than 5 years or the scheduled commercial operations of the project have been delayed for more than 4 years unless any substantive offer for sale/realization of loan asset is available”.

(a) Loan account of M/s Indore Dewas Tollways Limited (IDTL) was overdue with IIFCL (the Company) and turned into Non-Performing Asset on 31<sup>st</sup> December 2019. Principal outstanding against IDTL is ₹116.02 crore as on 31<sup>st</sup> March 2023 against which provision of ₹93.61 crore (80.68 per cent) has been made. Project Authority (National Highways Authority of India) also terminated the Project on 16<sup>th</sup> December 2022 citing various faults on the part of the Concessionaire (IDTL). Lenders have filed a joint suit for debt recovery which is pending at Debt Recovery Tribunal, Hyderabad.

Though there was no substantive offer available for realization of loan asset, the same has not been derecognized which resulted in non-compliance to the aforesaid significant Accounting Policy and conservatism principle of accounting.

This has resulted in overstatement of loans by ₹116.02 crore, Provisions by ₹93.61 crore and Profit for the year by ₹22.41 crore (₹116.02 crore minus ₹93.61 crore).

(b) IIFCL (the Company) sanctioned (May 2011) a loan of ₹100 crore (disbursed ₹99.82 crore) to M/s SEW Krishnagar Baharampore Highways Limited (SKBHL) for development of 78 km long stretch from Krishnagar to Baharampore in West Bengal on Design, Build, Finance, Operate & Transfer Annuity basis with schedule Commercial Operation Date (COD) of July 2014. However, SKBHL could

not service the dues of IIFCL due to substantial delay in Project and the Loan account turned into Non-Performing Asset on 30<sup>th</sup> June 2018. Provisional COD was achieved in February 2020 with a delay of five and half years and COD is not yet achieved. Principal outstanding against SKBHL is ₹99.82 crore as on 31st March 2023 against which provision of ₹78.99 crore (79.13 per cent) has been made.

State Bank of India (the lead Bank) has sold (July 2023) its share to an Asset Reconstruction Company (M/s ACRE). IIFCL is also exploring possibility of selling its share on the similar lines.

Though there was no substantive offer available for realization of loan asset, the same has not been derecognized which resulted in non-compliance to the aforesaid significant Accounting Policy and conservatism principle of accounting.

This has resulted in overstatement of loans by ₹99.82 crore, Provisions by ₹78.99 crore and Profit for the year by ₹20.83 crore (₹99.82 crore minus ₹78.99 crore).

- ii) IIFCL (the Company) sanctioned a loan of ₹109.23 crore (₹44 crore under Direct lending and ₹65.23 crore under Take-Out Finance scheme) to East Hyderabad Expressway Limited (EHEL) to design, construct, develop, finance, operate and maintain eight lane access control Expressway Project in Hyderabad. The account turned (31<sup>st</sup> March 2019) Non-Performing Asset due to moratorium imposed by National Company Law Appellate Tribunal.

IIFCL accepted (17th June 2022) the One Time Settlement (OTS) proposal for its share of ₹37.38 crore of which ₹27.38 crore was already recovered and balance ₹10 crore was to be recovered from the funds available in the Escrow account. The Company received the same on 29<sup>th</sup> September 2022, and issued 'No Dues Certificate' to EHEL on 01<sup>st</sup> December 2022.

However, Principal amount of ₹4.74 crore is still shown as outstanding against EHEL as on 31st March 2023, against which provision of ₹2.10 crore has been made.

This has resulted in overstatement of Loan by ₹4.74 crore, Provision by ₹2.10 crore and Profit for the year by ₹2.64 crore (₹4.74 crore minus ₹2.10 crore).
