

## DETAIL DOCUMENT OF LOAN APPLICATION FORM APPLIED BY USER

1. **New User:** - New user can sign up with their mobile number and email id through otp verification.

The screenshot shows the 'User Registration' page with two main sections: 'REGISTERED USER' and 'New User'. The 'New User' section is active, featuring a 'SEND OTP' button. The form includes fields for 'Enter mobile number', 'Enter email id', and a checkbox for 'We authorize to ifcl to send notification over SMS/EMAIL/Any other communication channel.' There is also a 'SUBMIT' button in the 'REGISTERED USER' section.

2. **OTP Verification:** User provide otp which they have received at their mobile number and email id.

The screenshot shows the 'User Registration' page with an 'OTP Verification' modal overlay. The modal contains the text 'OTP Sent to your entered email and mobile if entered.' and 'Please enter OTP you receive on email/sms.' with a 'Verify OTP' input field. Below the input field are three buttons: 'VERIFY OTP', 'RESEND OTP', and 'CANCEL'. The background form is dimmed, showing the 'New User' section with a 'SEND OTP' button.

3. **Registered User:** - Registered user can login with their registered mobile number or email id.

The screenshot shows the 'User Registration' page with the 'REGISTERED USER' section active. It includes a 'SUBMIT' button and a link for 'Oops !! I have forgotten my Password'. The 'New User' section is visible but inactive.

4. **User Profile:** In user profile user can update their personal details.
