Information Sought :	With reference to Advt. No. IPL/HR/2025/02 published by IIFCL Projects Ltd. (IPL), a subsidiary of IIFCL, on 09.04.25, it was stated that IPL would conduct the written exam and interview for the posts of Grade A and Grade B in the months of May/June tentatively. And the dates of final result was in the month of June/July tentatively. But the organization conducted the examination on 10th October, 2025, many months late than the tentative dates. Further, the results for that exam are not yet released even after 90 days. On contacting IBPS, they replied to contact the organization for any updates. And IIFCL Projects Ltd. has not come out with any information in the public domain for the delay. Therefore, I want the organization to give specific reasons for delaying the written exam and now delaying releasing its result. Also, give tentative date when the written exam result will be released and interviews would be scheduled. Further, give me tentative dates for completing the whole recruitment process. I have attached the advertisement published by IIFCL Projects Ltd. for any references.
